K-S Takes Win, 6-3; UN Drops to Third

Bob Cerv's Two Run Homer Proves Futile as Four NU Errors Give 'Cats Victory

By Kinmon Karabatsos (Sports Editor, Daily Nebraskan)

The University of Nebraska's high-riding baseball team had a little wind taken from their sails Wednesday afternoon as a determined, hustling crew from Kansas State took a 7-6 Big Seven victory.

Cerv Connects

Bob Cerv's 375 foot home run which sailed over the scoreboard in dead center field with Bob Grogan aboard was the only bright spot of the Husker campaign.

The Weston ace had a perfect day at the plate, getting four hits in that many times at bat.

which had carried them to three consecutive conference victories.

Bob Camp set the Wildcats down in order the first inning and it looked as if the Huskers would come through with another victory, but in the second inning Kansas State pushed across two runs.

Nebraska's first inning was just as dismal as the Aggies. In the second, Sharpe's crew gained enough hustle to score once. K-State padded their lead with a run in the third and Nebraska tied it up with two.

Cerv's power packed hit tied the game and brought the sparsely settled crowd to their feet in cheers.

Cerv accounted for three runs-batted-in, including his circuit clip, for half of the Husker scores. Hays and Novak accounted for the other two. Holder accounted for the other Nebraska run when he let loose with a wild pitch that hit the edge of the plate, bounding into the back screen. Hays came in from third.

12 Left On Base

The Nebraska hitters failed to connect when the chips were up. They left 12 runners stranded on base and their rallies were always two outs late.

The Wildcats took advantage

of every Husker miscue, getting at least one run every time Nebraska bobbled.

Holder got a little wild in the sixth before he was relieved by Pine. He hit Mladovich with a pitched ball and walked two. Altogether he gave out five walks. Camp was tabbed for five two bases on balls.

The Wildcat's scrappy little catcher gave the crowd plenty to talk about as he sometimes let his better judgment get the better of him.

Pine got credit for the win and Camp was tabbed for the loss.

Sharpe's next encounter comes against Luther college of Decatur, Iowa, April 21 and 22.

Whitehead Reports Gun Removed From His Residence

Milton "Bus" Whitehead, Nebraska's ace graduating senior center of the Big Seven basketball championship team, reported to police Tuesday that someone removed a shotgun from his closet during vacation.

"Bus" stated that the gun was valued at \$85. (Ed. note: Will that un-patriotic person return the gun so that "Bus" will be able to get some pheasants come next fall. He didn't get too many chances to go hunting last season because he was busy with basketball.)

Ghim Yeoh Is Badminton Champ

Ghim Yeoh, representing the Cosmopolitan Club, is the 1950 intramural badminton singles champion as of Tuesday night. Yeoh defeated Tom Shea of Phi Delta Theta in the All-U finals in three games by scores of 15-9, 12-15, 15-7.

The loss of the second game to Shea was the first game loss suffered by the champion during the whole tourney, winning all his matches in two straight affairs.

With the close of the singles competition, the badminton spotlight turns to the doubles tourney now nearing completion.

Phi Delta Theta is still far in front in total points scored, almost a hundred more than second place Beta Theta Pi, and still the doubles games completed to date have not been figured in. Both Yeoh and Shea are still in the doubles competition, their teams all victorious thus far.

Students Pleased At Wrestle Games

University students that attended the wrestle show at the Fairgrounds Tuesday night saw one of their favorites come out with a win and the other a draw.

Jack Pesek won the main event over Cowboy Carlson and Mike DiBlase drew with Joe Savoldi.

For the women folk, there was the Mae Young-Theresa This hair-pull with Young turning up the victor.

CORNHUSKER TENNIS TEAM—Back row left to right Jamie Curran, Frank Redman, Andy Bunt, Coach Bob Slezak. Front row left to right Bob Radin and Jerry Magee.

AKP Hits Norris In Softball Meet

ZBT Upset

Alpha Kappa Psi's softball nine exploded in two innings for eight and seven runs respectively to smash Norris House, 15-3, the second and fourth being the big innings.

Dorm E spotted Spalding Nine five runs in the first inning and then slowly overtook that lead and went on to win, 13-9. Nine runs in the last two innings were the big clinchers for the winning Dorm men. Kornick and Brooks were the battery for Spalding while Sheedy and Alden were the winning battery.

Behind the two-hit pitching of Jones Tuesday night, the Farm House swept by Tau Kappa Epsilon by the score of 8-0. Only a double in the first inning and a single in the third were safe hits. The Aggies chalked up six runs in the first inning and added two more in the last for their markers.

A. K. Psi's Explode

Sigma Alpha Mu's softball season has ended successfully. The SAM's won't worry too much if they lose the rest of their games this season because they've won the one that counts. They downed Zeta Beta Tau Tuesday night by a 9-3 score and the lights shone bright on 16th street.

Chi edged by Sigma Phi Epsilon, 3-1. Alpha Tau Omega got off to a winning start by whipping Sigma Alpha Epsilon, 10-6.

Next week the Daily Nebraskan will begin giving a more detailed write-up of the intramural softball contests, the unavailability of most of the score books being a hindrance. An appeal to the individual game scorers is made now, however, to mark the hits, runs, and errors clearly in the scorebooks so the reporters can get a correct picture of each contest.

Cerv's stalwart performance was overshadowed only by the excellent relief job done by Kansas State's Pine. "Bobo" Pine shut the Huskers out the last three innings, not even allowing a scratch hit.

Huskers Third

Coach Tony Sharpe's crew dropped into third place behind Oklahoma and Colorado. Both teams were idle.

The four Nebraska errors proved too many miscues as the life-less Huskers failed to show their "gas-house" brand of ball

Charley Parker Heavy Favorite For Victories in Kansas Relays

LAWRENCE. Texas' Charley Parker, long the people's choice as the next "world's fastest human," but never quite up to that standard, will be the fore most favorite in the Kansas Relays' most glittering postwar yard dash field here next Saturday.

220 in :20

In his first competitive start this season, Parker astounded Border Olympics fans at Lorado by flashing the 200 in :20.0, three-tenths of a second under Jesse Owens' world mark, and the 100 in :9.4, a second over Mel Patton's standard at this distance. However, neither figure will go on the books since Charlie was aided by a tailwind.

Since then he has blurred :09.5 and :09.6 in the 100 in winning a triangular and the Texas Relays, and a :21.0 in the 220.

Parker has ruled a pre-meet favorite for the last three years for the Kansas show. Yet he has won only once, in 1948. As a freshman in 1947, he was upset by teammate Allen Lawler in a downpour. Last year he missed the carnival entirely because of a pulled muscle which kept him on the sidelines nearly all year. He has twice been an upset victim to another Texan, Perry Samuels, in the Southwest conference 100-yard dash, also winning the 220 twice.

Slight Disappointment

Bigger things had been expected of a high school phenom who had ripped :20.5 in the furlong and matched :09.5 in the century several times.

This year Parker approached his senior hitch determined not to worry. "I'm just gonna run and see what happens," he told an Austin reporter. "Maybe if

I quit thinking about running so much it will help" ... It has. Parker will be ready to tackle one of the toughest Relay sprint fields of all-time.

He'll have to be good to win here. His competition lines up this way: Paul "No Legs" Bienz, Tulane; Don Pettie, Drake; Clarke Rice, Minnesota; Jerome Biffle, Byron Clark, Missouri; Marcellus Boston, Iowa; and Perry Samuels, Texas.

Bienz probably is the most menacing. He chased Parker home at Austin after winning the title in 1949. He beat the powerful Longhorn in 1948 at Drake, and again at the NCAA that year, although failing to cop first place on either occasion.

The Southeastern conference king is a chunky driver who runs with Parker's same power. There'll be a cinder shower when these two strain down the Jayhawk straightaway.

Rice recently was crowned Big Ten Indoor 60-yard dash champion. Biffle is defending Relays monarch. Clark is Big Seven Indoor Champion at 60 yards. Pettie is defending Missouri Valley titlist in the 100 and 220.

Cyclones Journey To Kansas State For Two Meets

AMES, Ia.—Iowa State's golf and tennis teams will compete in Manhattan, Kas., Saturday, facing the Kansas State teams there.

The golfers will be seeking their second win of the year, having beaten Drake in an early match. The Wildcats lost to Nebraska Tuesday afternoon in Lincoln. Capt. Don Webb led the Cyclones to win over a pair of Drake teams, 14-4 and 12-3.

For the inexperienced net men the contest will be the second of the year. They dropped a 6-1 decision to a strong Omaha five here April 14. Terry Smith is the only letterman on the team.

Nebraska's ace tennis out-fitter fell to Kansas State, 6-1. The Wildcats have been tabbed the team to win conference tennis laurels.

John M. Deni of Pittsburgh, member of the 1948 American Olympic team, reports he has fully recovered from a recent operation and has started in light training. He plans to try for another Olympic team berth in the 50 kilometer event.

Mr. Francis J. Gosling, swimming secretary of the Bermuda A. A., reports that the Bermuda team may participate in the National Junior A.A.U. Water Polo championships at St. Louis.

Huskers Slate Carnegie Tech For 1950

Listed on Nebraska's 1950 football schedule is a tentative game with Carnegie Tech. The game is set for September 23, in Lincoln, but the game won't be official until a contract is signed.

George "Potsy" Clark, athletic director of the University of Nebraska confirmed this report Tuesday night.

Glassford Tells Loyalty Needed

"Loyalty is the thing in which you believe," Football Coach "Bill" Glassford told 200 Neligh high school athletes and followers at a banquet there Monday night.

Glassford pointed out that the winning way can be achieved only by loyalty in yourself, coach, teammates, school and community.

The Nebraska coach pointed out that the university wants every youngster in the state to feel that Nebraska is the school he wants to play for.

"Sports are really part of the American life—we owe it to ourselves to participate in athletics, if we are physically able, in order to develop the quality of manhood," Chancellor R. G. Gustavson told the group.

Sport Snaps

In one year the Oklahoma basketball squad jumped from first to last place. In 1929, the Sooners compiled a record of ten wins against no losses, while in 1930 they reversed their record, dropping all ten of their conference games.

For the 16th time in 19 years Oklahoma A & M won the N.C.A.A. wrestling meet at Fort Collins, Colo., March 27, with 32 points. Iowa State Teachers was second with 27 points.

Barney Ewell, runner-up in the 1948 Olympic sprints to Harrison Dillard and Mel Patton, whipped Australian opposition in a so-called "World" professional sprint championship series at Melbourne, Australia recently. Ewell won all four of the championship series events in easy fashion. The events and times were: 75 yards, 7.4 seconds; 100 yards, 9.6 seconds; 150 yards, 12.2 seconds, and 220 yards, 21.2 seconds.
