## Press Box Views

BY BILL MUNDELL  
Intramural softball games will get a chance to come into its own in the Daily Nebraskan starting this week. As most readers may have noticed, the softball write-ups haven't been what they could be.

This unfortunate condition is caused by the unavailability of most of the score books and the unreliability of those that are available.

An appeal is made by this department to those scoring each contest to make his scoring as clear and complete so the sports writers can get a true interpretation of the game.

An even better plan has been brought up by some of the managers. That is—to let someone affiliated with the teams that play write a short article about the contest.

So this is what we are going to do.  
Any writeup brought in by either or both participating teams of any softball contest will be used in the daily write-up of the intramural softball activity.

Anything interesting that happened during the game may be included and the write-ups should be in the Daily Nebraskan Sports Department by 1 p. m. the following day (9 a. m. if the next day is Saturday.)

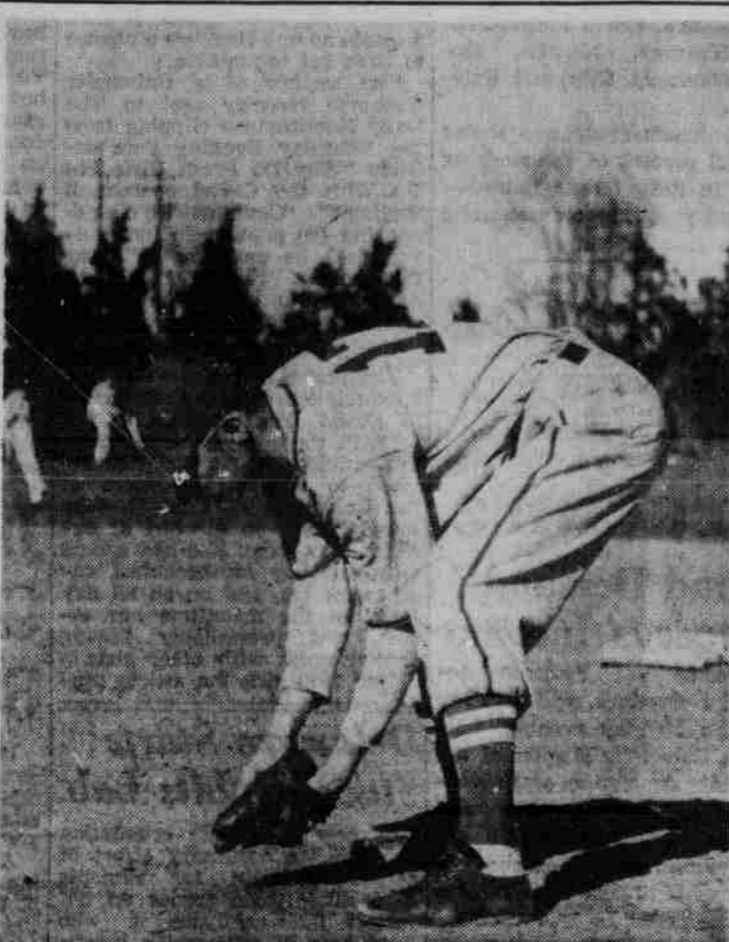

Write-ups not turned in by the teams, however, will not be neglected. An effort is being made to have the intramural department bring the scorebooks from Ag College down each day so all nine books will be available each day.

To those who will be scoring the games, this is directed: The most important thing to us in reading the scorebooks is how did each individual player get on base if he does get on base. Please mark clearly by an H, W, and E, if the player reaches first base by a hit, walk or error.

If the hit is an extra base blow, make the markings read 2H, 3H or HR. If pitchers are changed, please mark the spot where one quit and the other started. Hurling... Strike-outs should read a circled K or SO.

With everyone co-operating, intramural softball can be a prominent part of the sports page.

Wolpa, Omaha; Melvin Stranson, Orleans; Kenneth G. Fisher, Omaha; David Mackie, Omaha; Richard Mallat, Lincoln; Ed Baker, Omaha; Managers Dean Jameson, Arnold, and Wendell Lauber, Geneva.

**HOBE HAYS**—Veteran second baseman from Lincoln is the regular second baseman for Coach Tony Sharpe's crew. He will probably see plenty of action when Nebraska plays Oklahoma Friday and Saturday.

## Delta Sigs Smack Theta Xi In 9-7 I-M Softball Upset

Delta Sigma Phi staged a mighty uprising in the fourth and fifth innings of their contest Tuesday night to upset favored and previously unbeaten Theta Xi by a score of 9-7. Seven of the Delta Sig runs crossed the plate in the fourth frame.

Theta Xi led 2-0 going into that inning, but a flurry of Delta Sig hits plus five Theta Xi errors boosted the winners to a 7-2 lead.

The TX boys came right back in the fifth, however, and coupling two hits with two Delta Sig errors, tied the contest at 7-7.

In their half of the fifth the victors cashed in a walk and a powerful home-run by Hal Peterson over the center fielder's head for the winning runs.

**Pitcher Hits Homer**  
Delta Sig pitcher, Ed Wallick started things rolling in that fourth and helped his own cause by blasting a home-run over a meek Torczon hurled seven-hit ball for Theta Xi, striking out three. Wallick allowed six safeties and struck out two. Cleo Robak and Darwin Shoemaker hit the longest blows for the loser, cracking out one double apiece.

Scores of other games played last weekend and not recorded were Zeta Beta Tau 7, Tau Kappa Epsilon 4. Two successive home-runs by brothers Lenny
