PIE-EATING CONTEST—Farmers Fair's 1950 baby, the pie-eating contest, brought added gaiety as be-whiskered contestants found their beards to be a decided help in cleaning up the plate. Crowned King and Queen Pie-eaters were Joan Meyer, Love Hall representative, and Earle Haggart, Alpha Gamma Rho representative, not pictured.—(Rag Photo by Bob Sherwood.)

Seniors Initiate '50 Class Week

Bill Mueller, senior class president, has announced a Senior Week beginning May 8 and ending May 12.

Included in the five-day program will be a senior class "skip day" on Wednesday, May 10, from 1 to 4 p.m. During this time, class members will be able to attend an all-senior picnic.

Starting May 8, the senior committee, appointed by Mueller, will begin an all-out campaign to raise funds for a gift to the University from the Class of 1950. Highlights of the week, besides "skip day," will be a ribbon sale and a senior convocation.

Permanent Gift
Mueller and the committee hope that enough money will be raised for senior class members to leave something of permanent value to the University when they leave school.

The senior picnic will be held possibly at Linoma beach or someplace where facilities are available to accommodate a large crowd. The committee will try to arrange with the management of the beach to give seniors a certain percentage of gate

Borgmann Gets Grant of \$3,500 For Research

Dean Carl Borgmann has recently received a grant of \$3,500 from the research corporation for experimental work on the influence of environmental factors on the cathodic polarization of common metals and alloys.

A decision to create more class initiative and unity which might be a lasting product among graduates was reached soon after the moves for a Junior class were first formulated this semester.

The research corporation, founded by Dr. Frederick Gardner Cottrell, scientist and inventor, has granted \$350,000 to scientific research in colleges, universities and scientific institutions since Nov. 1, 1949.

The corporation has received patents and money from many sources since its founding. This has enabled investigators to pursue their desired research, thus attracting them into teaching and laboratory jobs. The research of these scientists in turn stimulates the students who come in contact with them and encourages future scientists to continue study in their chosen fields.

Fund to Assist Foreign Students

The Nebraska Federation of Women's clubs will extend a helping hand to foreign students attending the University.

Establishment of "The Nebraska Federation of Women's Clubs, Inc., International Student Scholarship fund" with the University Foundation was announced Wednesday by Perry W. Branch, Foundation director-secretary.

The clubs have contributed \$1,420 to the fund which will support three 1950-51 scholarships, two of \$500 and one of \$420, which will be available only to overseas students attending the University. Recipients may be either graduate or undergraduate students, doing satisfactory college work and in need of financial assistance. Winners will not be charged tuition by the University.

Recipients will be selected by a committee of three composed of the Director of Admissions of the University, a member of the faculty and the president of the Federation.

Ag Elections Slated for Wednesday

Ag spring elections will be held Wednesday, May 3, for the three Ag campus boards.

Positions to be filled are on Ag Exec board, Farmers Fair board and Coll-Agri-Fun board. Voting will be from 9 a. m. to 5 p. m. in the Ag Union.

Positions open on Ag Exec board are one man and one woman from each of the freshmen, sophomore and junior classes.

Positions open on the Farmers Fair board are for three junior women and three junior men.

Vacancies to be filled on the Coll-Agri-Fun board are two sophomore women and one sophomore man.

Since the constitution for the Student Council has not yet been approved, the Ag elections will be conducted by the Ag Exec board. The only election rules that will apply are:

To be eligible for any office, candidates must have a cumulative 4.5 average, have completed 12 credit hours in the previous semester, and be carrying 12 hours during the current semester.

Students will vote as indicated on the ballot. It is suggested by the Ag Exec board that students keep the sample ballot for study.

Ag Convocation To Honor Six Judging Teams

Members of the six Ag senior judging teams will be honored at the annual Ag college convocation Wednesday morning at 11:20 a. m. in the Ag College Activities building. All 11:20 classes on Ag campus will be dismissed.

Nathan Gold, Lincoln businessman, will be the main speaker. He will speak on "Opportunities in Nebraska."

Alpha Zeta Award
C. W. Smith, senior faculty advisor, will present the Alpha Zeta medal to the outstanding freshman scholar in Ag college during the 1948-49 term. Alpha Zeta is an Ag honorary for men.

Team Members
Members of the teams are: Crops judging team: Wayne Nielsen, Lloyd Wirth, Jim McDowell and Dale Flowarday. They have competed against 12 teams.

Livestock judging team: Norm Holmberg, Stan Lambert, Art Strumpler, Don Gard, Gervase Franke, Wilbur Pauley, Bob Egger, Merle Stalder and Don Popken. Twenty-eight teams have been in competition with them.

Meats judging team: Loren Schmidt, Merwyn French and Grant Cornelius. They have competed with 24 teams.

Dairy judging team: Charles Fairley, Bob Epp and William Steinkrueger.

Dairy products judging team: Warren Newell, Jim Yoder and Denn Whitmore.

The convocation is being sponsored by the Tri-K club, honorary agronomy club.

Wool judging team: Don Gard, Gervase Franke and Stan Lambert.

Pershing Riflemen To Attend Meet

Twenty-one men from Nebraska company A-2, Pershing Rifles, will fly to Iowa State college for the annual Pershing Rifle regimental drill meet, May 5 to 7.

The Nebraskans will compete in five of the seven events to be held: Individual manual competition for pledge, freshman and sophomore students, the nine-man infantry drill squad and crack squad drill. Nebraska won the crack squad competition last year.

The men will fly to Des Moines in a national guard C-47 plane and will travel from there by truck. They will leave Friday morning and return Sunday afternoon.

The men who are going are: Major James Pearman, company adviser; Derald Lembrich, company commander; Wendall Bauman, Charles Bressman and George McQueen, company officers; James Kostal, Lloyd Keller, Leon Massey, Robert Gilmore, Wayne Bailey, Robert Munger, Frank Major, Albert Blakely, Wilbur King, Leon Novak, John Prien and Darwin McAfee.

U.S. Steel Official To Give Lecture

Carl A. Igenfritz, vice president of United States Steel corporation will be the third speaker in the Scabbard and Blade lecture series held at 8 p. m. Tuesdays in Love Library auditorium.

Igenfritz, who has charge of purchasing for the U. S. Steel corporation will speak on management part in "Industrial Preparedness." He will be introduced by Col. H. Turner, assistant adjutant-general of the Nebraska National Guard.

All students and faculty are urged to attend. There will be no admission charge.

NUCWA Tells Slate For Election

Officers for the 1950-51 school year will be elected at the NUCWA mass meeting which is scheduled for Thursday, May 4, at 7:30 p. m. in Room 316, Union.

Candidates for the offices of president, vice-president, secretary, treasurer, and five department chairmen will be selected. The candidates were nominated at the mass meeting Thursday, April 27.

The slate is as follows: President, Sue Allen and Harold Peterson; vice president, Jerry Matzke and Jerry Tomasek; secretary, Jo Buller, Doris Carlson, and Bonnie Varney; treasurer, Alice Prang, Virginia Koehler, and Miriam Willey.

Chairmanship Slate
Nominated for the chairmanship of the speakers bureau are Ed Saad and Juanita Haggerty; for UNESCO, Ruth Sorenson and Susie Reed; publicity, Joan Krueger and Glenn Rosenquist; information and research, Tom Recht, Joan Jones, and Ruth Sorenson; and international studies, George Wilcox and Nancy Vogt.

All members of NUCWA are eligible to vote in the election. According to Irene Hunter, present secretary-treasurer of the organization, nominations will also be received for the nine offices before the election Thursday.

At last Thursday's meeting, an amendment to the NUCWA constitution in regard to quorum rules was passed by the organization.

Reject Fee Hike For Large 'Rag'

The Union additions passed; the proposal for continuance of a seven-column Daily Nebraskan did not.

These are the results of the official campus poll taken last Wednesday. Nearly 4,000 University students voted on each of the issues.

The Union addition proposal was accepted, 2,513 votes for and 1,460 against.

The issue for continuance of the prewar size Daily Nebraskan lost, 2,155 to 1,762.

Concert series proposal, which died for lack of a 75 percent affirmative vote, 2,202 votes for and 1,687 against.

Authorization Received

The poll was authorized by the Board of Regents to gain student opinion on the three proposals. Ballots were distributed in 9 a. m. classes Wednesday, April 26. Counting of votes was done by the elections committee of the Student Council.

Results of the poll are not final, however. The University Board of Regents at its next meeting on Saturday, May 6, will decide officially on the two issues. Members of the Board are not obligated to accept the poll results.

If the Regents accept the results, an addition to the present city Union and a new Ag Union will be eventually built, and the Daily Nebraskan will return to its war-time, five-column tabloid size.

Campus Issue

These issues have been a subject of campus concern for several months. A student committee was established in December, 1949, to investigate the need for Union additions. This committee contacted students and faculty members and studied the plans of other universities over the nation.

The situation for extra operating funds for the Rag came as a result of additional expenses which were connected with publishing the larger paper. Since the Rag was increased to its prewar size at the beginning of the second semester, it has been operating in the red.

The vote was closest on the larger Rag issue. Only 55 percent of the voting students turned down the 50-cent fee increase which would have continued the greater size of the publication. Forty-five per cent voted in favor of the "king-size" Rag.

An extra levy would have been paid by the students in a subscription fee increase.

Union Facilities

To be included in the new Union addition will be new recreational, service and cultural facilities. A much needed Ag Union will be built under the new plan. The funds will also be used to repair the existing Union structure.

The poll came as a result of action by University officials who stated that any agitation for Union improvement must come from the students themselves.

If the proposal for a Union fee increase of \$3 is now approved by the Regents, then \$500,000 will be available through the tuition fee collected from each student at semester registration. The larger part of the fund, minus the \$100,000 asked for by the Ag Union, would go to the City Union.

Matzke To Attend UN Meet

Will Study Issues At Lake Success

Jerry Matzke will represent the Nebraska University Council for World Affairs at the fifth annual intercollegiate institute on the United Nations. The conference will be held at Lake Success, New York, and New York City, June 18-24.

Students attending the conference will study the United Organization under the guidance of United Nations experts, secretariat members and UN officials. They will stay at Finch college in Manhattan.

JERRY MATZKE

Major problems and issues which are considered by the UN will be studied. Among these issues will be problems in political and security, economic, social and humanitarian, trusteeship and legal and administrative fields.

Study of the UN charter through discussion with experts will be supplemented by visit to United Nations headquarters and the American mission to the United Nations.

Council Meetings
The delegates also will attend council and commission meetings and will have informal gatherings with delegates and members of the secretariat.

The conference is being sponsored by the Collegiate Council for the United Nations. One student from each of the United Nations committees and council will attend the meetings.

Much of the week will be spent in discussion groups. Delegates will also attend Collegiate Council session. The Institute each year acts as the annual conference of the Collegiate Council, where official business and elections of officers are held.

Matzke is planning to leave Lincoln June 14 in order to arrive at New York by the 18th. He, along with other collegiate delegates, will spend much time personally viewing the work of the UN at its Lake Success, N. Y., headquarters.

Campus Organization
NUCWA is the student organization which sponsored the United Nations Mock Assembly in March of this year. The assembly and other NUCWA projects including International Friendship dinners, law school mock world court, and speakers bureau, are planned to promote international understanding among the students on the University campus.

Matzke is a member of the publications board, Theta Nu, and of Phi Gamma Delta fraternity. He headed the Russian delegation at the recent Mock Assembly conference.
