"Sports in the News"

I-State Trips Huskers, 7-6

In their first game on Friday, the Cyclones slipped passed by the Huskers, 7-5.

They were forced to come from behind in order to accomplish the job. The score was tied at 5-all going into the ninth.

Third baseman Bill Denker got a free pass to first base. Tom Novak also drew a walk but Harlan Powley forced Denker at third. Ray Mladovich went down on strikes. Linus Vrbka also took a third strike but Cyclone Catcher Ray Stewart dropped the ball and then overthrew first, Novak crossed the plate on the error.

This gave Nebraska a 6-5 lead when the Iowans came up for the turn at bat in the bottom of the ninth.

Ken Johnson drew a bead on Vrbka's first pitch of the inning and hit it all the way for a round tripper. This tied the score up. Wayne Ford drew a walk and went to third on a single. He scored on a single by Relief Pitcher Gene Hackbarth. This gave Iowa State their 7-6 victory.

The Cornhuskers broke the scoring column in the first on Bob Grogan's fielders choice and Bob Cerv's double. Nebraska got another in the third when Hobe

Hays scored on a fielders choice, passed ball, an infield out and an error in the Cyclone infield.

Novak Homers Denker singled in the fourth and Novak did his bit with a home run which picked up two

more tallies for Nebraska. The Huskers got their final run in the seventh when Cerv doubled and scored on a single by Novak.

The pace wasn't any too fast for the determined Cyclones. They got two runs in the opening

frame, one in the fourth, two in the fifth and the two winning markers in the ninth.

Both teams garnered 13 hits and committed three errors. This was Vrbka's first loss of the season. He has five wins.

Three New Records Set In State High School Meet

By Kimon Karabatos.

Scottsbluff, Mitchell, Arapahoe and Taylor and Hildreth walked off with the individual class championships Saturday afternoon at the 48th annual State High School track and field meet held in Memorial Stadium.

Outside of Taylor and Hildreth tying for first in Class D, the closest race for the trophy came in Class A where Scottsbluff edged past Lincoln and Omaha Tech.

Lincoln High school's Brien Hendrickson was the outstanding individual track performer of the meet, capturing first in the 100 and 220 besides pulling his mile relay team to a victory in the final event.

Hoppy McCue of Arapahoe led

his team to an easy victory in Class C. He, like Hendrickson, walked off with two gold medals. McCue was the outstanding field athlete at the State high school carnival.

Tech Disappointed. Omaha Tech probably was the most disappointed team at the meet. They were leading the field when it came time for the 880 yard relay with 27 1/2 points. Scottsbluff was a close second with 25.

Tech's relay team won the 880 in 1:33.2 which was good for the Gold medal, but were disqualified when a judge ruled that the third man stepped in front of a Scottsbluff runner.

With Tech disqualified, Lincoln Northeast and Scottsbluff

tried for the relay honors with a time of 1:33.6. Had Tech not been disqualified, they would have won the meet with 35 1/2 points.

Omaha Tech, defending champions in Class A, had not been picked to successfully defend their crown.

Omaha Central's Bob Fairchild pulled a muscle in the preliminaries of the 100-yard dash, but he still qualified for the finals. In the 440 prelims, the Central flash was forced to drop out.

Saturday, his leg was not in good enough shape to withstand the punishment. He finished out of the money in the 100 as Hendrickson won.

Alliance, leading the way after Friday's run-offs, slipped down the ladder and did not finish in the top ten.

Westin-McCue. Dick Weslin and McCue won the Merle Stackhouse memorial trophy with 20.8 clockings. The traveling trophy will be at Benson High school for six months and at Arapahoe for six.

The 20.8 represents a new record in that event—the old record set by Stackhouse will still stand because it was for 200 yard low hurdles. The lows are now run over 180 yards.

Charles Hunley of Falls City broke the only state record. He ran the 440 in 50.3, breaking the old record set by Harvey Stroud, an ex-Husker track star, in 1942.

Lincoln High school's mile relay team also set a new record. The Links won the mile relay in 3:32.8 for the fastest timing in all classes on the tremendous 440 anchor leg by Hendrickson.

Hendrickson, who is only a junior, ran an unofficial 50 flat leg to come from fourth place to win. That represented his third Gold medal.

HOW THEY FINISHED. Class A. Scottsbluff 31 1/2 Lincoln High 30 Omaha Tech 27 1/2 Lincoln Northeast 23 7/10 Omaha Benson 20 13/14 Falls City 20 1/2 Fairbury 18 7/10

Class B. Mitchell 37 Gothenburg 32 3/5 Sidney 23 1/3 So. Sioux City 22 Geneva 14 Gering 13 Ainsworth 13

Class C. Arapahoe 45 1/2 Paxton 29 Chappell 16 Creighton 15 Clay Center 13 Table Rock 13

Class D. Taylor 24 Hildreth 20 1/2 Greenville 19 St. Joe of Atkinson 19

Buff Tennis Team Blanks Huskers, 7-0

The University of Colorado tennis team blanked the Husker squad 7-0 in a Big Seven tennis meet last Friday at Boulder, Colo.

The Nebraska netmen were simply out of their class and were unable to cope with the ferocious onslaught of the Buffaloes. This was their second consecutive defeat. The last one

was at the hands of the Kansas Jayhawks. The Huskers hold a conference decision over Iowa State and a non-conference win over Kansas Wesleyan. Coach Shezak and his squad will close the season this Friday and Saturday when they play host to the other Big Seven schools for the conference tennis meet in Lincoln.

Results of the Colorado-Nebraska matches: Singles: A. J. Cook (C) defeated Bob Radin (N) 6-3, 6-3.

Bob Ascell (C) defeated Jamie Curran (N) 7-5, 6-3. Scott Smith (C) defeated Andy Bunten (N) 6-1, 7-5.

Pete Cook (C) defeated Jeff Delton (N) 6-4, 6-4. Anil Yagnik (C) defeated Jerry Magee (N) 6-3, 6-0.

Doubles: Cook and Yagnik (C) defeated Magee and Radin (N) 6-3, 6-3. Robert Smith and Ascell (C) defeated Bunten and Curran (N) 6-3, 6-3, 7-5.

Alice Marble won the United States tennis championship four times.

An estimated 100 million fans a year witness softball games in the U. S.

National forest in the U. S. contain about 10,000 miles of fishing streams.

Golf caddies earn about \$70 million annually.

Brandenburg Hurls No-Hitter as Sig Chi's Win; Phi Delt's Drop Nu's

By Bill Mundell (Assistant Sports Editor.) Darrell Brandenburg of Sigma Chi pitched a near-perfect, no-hit, no-run ball game Friday night as the unbeaten Sig Chi's advanced to the second round of the fraternity softball playoffs.

Brandenburg faced only 20 men in the six inning contest that saw Pi Kappa Phi on the short end of a 0-7 score.

Only one Pi Kap got as far as third base after getting to first on an error and only one other got as far as first base. Brandenburg sent ten of the losing batters down via the strikeout route.

A five-run outburst by the victorious Chi's in the first frame sewed-up the contest for the Phi Delters on the mound for the Pi Kaps allowed but four safeties to the losers' cause. One of the four blows was a first inning home-run by lead-off man Jerry Ferguson.

Phi Delt's Repeat. Sigma Chi's opponent-to-be in the second round, Phi Delta Theta, won a 4-1 decision Friday over Sigma Nu. The win was the second over Sigma Nu for the Phi Delters who own a 6-4 victory in regular season competition.

Paul Blumer hurled six-hit ball for the Phi Delters and allowed the only Sig Nu run in the fifth frame after the winners had chalked-up two in the fourth.

Lyle Altman, on the mound for the Nu's, did even better as far as hits were concerned, giving-up only four to the Phi Delt sluggers. The winners bunched their four while the Sig Nu's could never collect in the clinches. Roeser of the Nu's was the top hitter of the contest, getting two out of three.

Pi Over Phi. Delta Sigma Pi cut off a last inning rally by the Delta Sigma Phi's Friday to earn a 6-4 ball

game and advance a round in the playoffs.

Hinkley, on the mound for the winning Delta Sig Pi's, was the whole show for the victors and limited the losing Delta Sigs to six hits. Three of the six came in the big three-run fourth.

The winners had a three-run inning also, the third frame, all three runs scoring after a seemingly third out was ruled not an out.

Wallick, hurling for the Phi's, allowed eight hits and kept them well scattered except in that third inning. Both pitchers sent five batters down swinging.

Peterson of the Phi's was top batter of the contest, getting two hits in three attempts.

Cornhusker Continues. Cornhusker Co-Op kept one record clean Friday, that of never being beat in a game, by throttling Alpha Gamma Rho, 8-5. The only Cornhusker loss this year came about thru a forfeit.

A four-run first inning gave the Co-op men breathing room and they were never headed, the score being narrowed by the AGR's at one time, however, to 4-5.

Don Nelson kept seven AGR hits scattered well enough while his mates were banging nine off the efforts of Aggie hurler, Knebel. Knebel, in addition to his pitching chores, clouted two hits in three attempts, including a fifth inning triple.

Alpha Tau Omega pulled an upset in Friday's competition by dropping Kappa Sigma, 4-0. The favored Kappa Sigs outthit their conquerors 6-4, but couldn't get them when they were needed most.

Wagner and Brady were the opposing pitchers. Brady never in serious trouble. Reinch of Kappa Sigma and Munson of the Tau's were the batting leaders, each getting two out of three.

Marathon. Sigma Phi Epsilon and Farm

House hooked-up in a battle of endurance in their first round encounter and the argument still hasn't been decided. Their contest went nine full innings Friday night and when called on account of darkness, the score was as it was at the end of the third, 4-4.

Both outfits scored two runs in the first frame, Farm House added one each in the second and third and the Sig Eps pushed two more across in the third and that's as far as anyone got.

The Sig Eps threatened time and time again, getting a total of 11 hits as compared to two for the Aggies, but couldn't manage the needed point.

The two teams will try again Monday evening at 5 p. m., the winner being forced to play again at 6:15 p. m.

Zeta Beta Tau surprised Pioneer Co-op in their first round struggle and won, 7-5. Two runs in the final frame clinched the contest for the rising ZBT's.

Robinson, chucking for the winners, allowed nine safeties while Holmes, on the hill for Pioneer, gave up 11.

Two-Hitter. In the last fraternity game of the day, Bob Kasznarek threw a two-hit ball game at Theta Xi, and helped his Beta Theta Pi mates to a 3-0 win. The shutout was the first of the year for the Beta hurler who has been chucking good ball.

Torcson, pitching for Theta Xi, did a good job too, giving up only four safeties, but was overshadowed by Kasznarek.

Monday's fraternity schedule is as follows: Ag No. 4—Cornhusker Co-op vs. Delta Sigma Pi.

Ag No. 3—Zeta Beta Tau vs. Beta Theta Pi.

Ag No. 2—Sigma Chi vs. Phi Delta Theta.

Ag No. 1—Alpha Tau Omega vs. winner of Sigma Phi Epsilon and Farm House.

All games listed above will be played at 6:15 p. m.

Press Box Views

By Kimon Karabatos. (Sports Editor, Daily Nebraskan) This is Big Seven week on the University of Nebraska campus. Friday and Saturday will bring the largest number of students from Big Seven schools ever to convene at Nebraska.

Approximately 350 athletes, coaches and trainers will be on hand for the 22 annual Big Seven Track and Field championships to be held in Memorial Stadium May 19-20.

Besides being one of the largest fields, it will be one of the greatest. Seven conference records have been bettered in competition this spring and if the weather-man is good to us, all of them are sure to go.

Missouri is trying to win its fourth straight team championship and thus become the second team in the history of the Missouri Valley Intercollegiate Athletic Association to accomplish the trick.

Only Nebraska's great track teams of 1934-40-41-42 were able to win four consecutive conference track crowns.

Missouri is a slight favorite to win the 22 meet, but Kansas university could come up with a victory. Coach Ed Weir's think-ands and Colorado are "dark-horses."

The Daily Nebraskan will carry a story every day this week concerning the Big Seven meet. Because of the number of national stand-outs that will be competing, the sports department will feature two different schools each issue to give you a complete run-down of all the outstanding competitors.

Friday, staff sports writer Knox Jones will come out with his form sheet.

Coach Buele Patterson will have two Big Seven wrestling champions back next year to defend their crowns. Bob Gilliland and Herb Reese are the returning champs and will from the nucleus of the 1951 wrestling teams.

Bill Mundell, assistant sports editor, finally hooked his gal—or was it the other way around. Bill is now engaged to Mary Kay Dorsett, a sophomore in Arts and Sciences and from Fremont.

Sig Gams Top AKPsi, 4-2 Ray Bieber, star pitcher of unbeaten Sigma Gamma Epsilon, hurled a two-hitter Thursday as his mates swept to a 14-2 victory over a disappointing Alpha Kappa Psi softball team.

The win advances the Sig Gams to the second round of the Independent playoffs.

Bieber, who has two no-hitters to his credit already this year, had the whammy on the AKPsi batters as he sent 13 of them down swinging. In the second and last innings he struck out all three men to face him. In the fourth frame he also registered three strikeouts, but gave up a hit between the first and second KO.

Crist on the mound for the losers allowed the winning slugger a total of ten safe blows, Pegram getting three of them.

Lawry, Too Tony Lawry threw a two-hitter at the Wheels Thursday also, as Practical Arts won 2-0. The game settled down to a pitcher's duel between Lawry and Wheel checker, Rich. Rich allowed the winners but four hits, but they were the kind that hurt.

Kenny Fischer clouted a first inning home-run to account for one tally and that would have been enough because Lawry was tough when it counted most. The winners added another run in the final frame for security on two hits.

The City YMCA pulled an upset out the hat in their Thursday encounter with the Lilies by winning 8-3. The Lilies, league VII champions and unbeaten until Thursday, were ahead going into the fourth inning by a 3-2 count. The YM men pushed two runs across the plate to go out in front for good in that fourth and turned the game into a rout with four more in the fifth frame.

Six Hits Minnick of the YMCA and Akroms of the Lilies both hurled six-hit ball. Jess Sell of the Lilies was batting star of the day with three hits in four attempts.

In the other Independent playoff contest Dorn B scored in every inning to defeat Norris House, 13-8. Sheedy, pitching for the Dorn, allowed only seven hits while his mates blasted 17 off Norris hurler, Korowacki. Kroenke of Norris and Hansen of the Dorn each clouted a home-run.

LEONARD KEHL—Coach El Weir is counting on him to come up with some valuable points for the Huskers in the Big Seven track and field meet this Friday and Saturday. Kehl will be battling against two of the nation's top vaulters in Sooner Bill Carroll and Husker Don Cooper.

Semper-McGuire Duel Looms in Big Seven Meet

By Don Pierce

LAWRENCE.—As if it weren't enough to have two distance kings in one stable, Bob Karnes and Pat Bowers, Kansas has come up with a tremendous Crown Prince this spring in the stocky form of Herb Semper.

Semper, a red-haired 147-pound sophomore from Forest Park, Ill., already has ramblod to a new Jayhawk record of 9:21.3 for Two Miles this year. He may do even lower Saturday when Bill Easton's troupe squares off with Missouri in a dual meet at Columbia that promises to furnish the stiffest distance competition of all time for any Big Seven bi-team affair.

From a coach's point of view Semper has come along perfectly. As a freshman last year he finished second to Teammate Cliff Abel in the Missouri Valley AAU distance grid. He ran fifth in the conference autumn Two-Mile derby to help Kansas to its third straight crown last November.

In McGuire, Semper will tackle his toughest test of the year Saturday. The Tigers also are expected to toss two talented soph at Semper and his teammate, Abel. This pair includes Bob Fox, who ran second to McGuire at Drake in 9:24.0, and Chet Franz, also well-regarded.

McGuire, runner-up to Don Genmann for the NCAA mile championship last summer, also will renew his intense feud with Karnes and Bowers in the mile. These two races will hold the spotlight when the two ancient foes square off in their forty-fourth dual. If the Bengals can chip away Kansas strength in the Jayhawks' favorite events, they can put away a win early.

This latter effort moved him up to third place among the best Two-Mile times listed by the NCAA this spring. Only Bill McGuire's 9:16.7 effort, which the long-striding Missourian unleashed in the cold of the Drake Relays, and Dick Shea's 9:20.7 for Army at the Penn Games, are better to date anywhere in the nation.

Semper, a grinning, serious harrier who has no night in his right eye—the result of a B-B gun accident in childhood—gives all credit to Easton, Karnes, and another of his coach's long-winded products, Fred Feller, of Drake, for his current success.
