Staff Sports Reporter The fraternities began their 1950 football machines Tuesday gan operating again in the third as Sigma Nu, Alpha Tau Omega, quarter putting the A.T.O.'s Beta Theta Pi, and Sigma Chi ahead 13-0 going into the fourth chalked up initial victories.

a score of 13 to 7. The combi-nation of Jussell, Russell, Hinde, and Wilbe proved a little too much for the D.U.'s to handle.

The first quarter was bitterly contested and it wasn't until the second quarter when Sheperd snapped a pass to Best that either team was able to score. Then Hinde and company fought back and scored again in the third quarter. But the D.U.'s never conceded. In the melee of the closing minutes of the game Bryant dropped back and fired a bull's eye into Rice putting the D.U.'s into the scoring column.

The clock had already run out when Bryant faded looking for a receiver on the try for extra point. Again Rice was clear and Bryant fired the pigskin for a clean point.

The Alpha Tau Omega-Phi Gamma Delta did not develop into the close-fought battle that was expected. The Phi Gam's were stunned when Coupens took a pass from Dick Bick on the first play from scrimmage and scrambled all the way for a touchdown. Olson and company dug in and held the A.T.O.'s to

## Heavy Freshmen At Kansas State

One of the heivest and most promising freshmen football squads in Kansas State College history has reported to freshman Coach Emmett Breen.

Included in the 95-man squad are several topnotch junior college transfers who have three

years of eligibility left. Breen describes his young gridders as "green, but rugged." Tackle and end spots are particularly loaded with keg-legged young gridders. In the backfield, Breen has at least two boys who could be the answer to Coach

> Other Tuesday contests saw the Beta Theta Pi win on yardage over the Beta Sigma Psi. The game ended in a 6-6 deadlock but the decision was given the Beta Theta Pi's, who gained more yardage on four downs after the game was over than the Beta Sig's did in the same number of attempts.

> According to the rules this gave the Beta Theta Pi's the ball

game by a score of 7-6. Although the Sigma Chi's downed the Phi Kappa Psi's to the tune of 12 to 0, there is some question as to the legality of the scrap. The Sigma Chi's may have to give the game up because of a professional athlete competing on their squad.

Six more struggles are sched-uled for the Ag battleground on Wednesday. Theta Xi, the highest scoring fraternity team last year, will pit its strategy against the Farm House "A" club. Zeta Beta Tau will accept the challenge of Tau Kappa Epsilon.

The 7-man team champs of last year will expose their wares to the Delta Sigma Phi's in what might develop into the game to watch. The Pioneer Coop tan-gles with the Delta Sigma Pi's while the Delta Chi's take on Pi Kappa Phi club. Rounding out the day's schedule will be the match between the Cornhusker Coop and the Theta Chi aggregation.

Blocking was the big disap-pointment of the day, in the line, the backfield, and downfield. The frosh refused to be budged and on many occasions, knifed through to upset the varsity backs for losses. The backs were missing many blocks, also, as the ball carriers got little time to get started.
