

Kansas to Throw Potent Ground-Air Attack at NU

Bogue and Schaaque to Keep Passes Flying; Hoag to Run

Nebraska's Cornhuskers got back to the rough stuff Tuesday in preparation for their tough assignment at Lawrence, Kansas this Saturday. Coach Glassford sent the varsity gridders through contact work with the freshmen.

All the Cornhuskers with the exception of back, Bill Mueller saw action. Mueller who injured his leg in the Penn State game was jogging around in sweat togs, but is expected to be back in pads Wednesday. Kay Curtis who reinjured his back Saturday was running full steam with the varsity.

The Huskers face their toughest game of the year this Saturday. The Jayhawkers have been displaying a terrific ground attack and a very good passing attack. Leading the way in the passing department is quarter-

back Jerry Bogue and end Bill Schaaque. You can be sure the Kansans will be filling the air Saturday after hearing reports of the Husker pass defense.

However, the Husker defense may slow the vaunted Kansas ground attack a little. At the start of the season, the Husker offense was far ahead of the defense. This disparity has been closed in the past two games.

The defensive unit had eight sophomores in its starting group and at onetime there were nine.

The youngsters have three old-fashioned goal-line stands to their credit to date, once against Colorado and twice against Penn State.

Against Penn State, the Huskers were instructed to rush the ball but not to pass it. Coach Bill Glassford believed the Huskers could control the ball and the battle plan worked as the Huskers had the ball for 72 plays as compared to 56 for the Staters.

The Huskers tried only three passes and used only four basic plays against the easterners.

Defensively, Verl Scott continued to pace the tacklers from a line backer spot. He managed one of the three pass interceptions Saturday. George Paynich, starting his first game at defensive end, played it like a veteran.

Jarrin' Charley Toogood continued to lead the offensive line-men. Charley is instrumental in applying the key blocks that spring the Husker backs loose, on end runs especially.

The composite offensive statistics for the four games which Nebraska has played:

Taus Crush SAE, 33-6

Alpha Tau Omega was a slower starter Monday evening, maybe because of the chilly weather, but once it got its offensive machine warmed up, Sigma Alpha Epsilon didn't have a chance. The final score read 33 to 6, in favor of the Taus.

Dick Bick, field general for the ATO's, and his two ace pass-catchers, Knox Jones and Ted Randolph, led the Tau attack that racked up 20 points in a third quarter spree. The Sig Alphas had held the Taus to a 6-6 tie at halftime.

A thirty-yard pass, Bick to Jones, accounted for the score by the Taus, climaxing a quick sweep toward the Sig Alpha goal line. The Sig Alphas struck back with a 36 yard pass from Scoville to Ed Perry on the ATO ten yard line, where Perry scooted on over for the touchdown. Thus the half ended, 6 to 6.

Instrumental in the third period onslaught of the ATO's was the passing and running of Bick. Twice he hit receivers for long touchdowns—the first to Randolph on a thirty-five yard pass play and the second to Jones from 33 yards out. Bick added a thirty-yard run for another touchdown. This scoring swelled the count to 26-6.

From there on the Sig Alpha attack fell to pieces and the ATO's added another tally in the fourth quarter as an anti-climax. Jones accounted for this score on a nifty bit of open-field running from the Sig Alpha 25 yard line. Jones added insult to injury by also running for the extra point. The final score, 33 to 6.

Palacers Down Farm House

A determined Brown Palace team, smarting from a defeat at the hands of Sigma Alpha Mu last week, came from behind the second half to hand fighting team from Farm House a 20 to 14 defeat.

It looked as if the defending champions were on their way to their second defeat in as many games as the boys from Farm House pushed over for a score in the second quarter on a pass from Roger Sandy to Jim Weber. The play was good for thirty yards and the Farm House boys had a 6-0 lead. And so the half ended.

The Brown Palacers must have had a rousing half-time discussion for they came roaring back in the third quarter for two quick touchdowns. The first came as the result of long passes from Schroeder to Bob Stake and Hoenstein that carried to the Palacers 1 foot line. There Mel Williams threw to Strelecki for the score.

The second tally came on Williams' dash around end from the twenty yard line after Hoenstein had intercepted Sandy's pass on the 30. The extra point attempt from Strelecki to Hoenstein was good and the Brown Palacers led 13-6.

In the fourth quarter each team added a touchdown, the Palacers on a play, Williams to Schroeder to Stake which covered 40 yards for a T.D. The Farm House boys scored their touchdown after a sustained drive. Heiss gathered in a Watson pass on the five for the score. Farm House also collected a safety against Brown Palace in the waning minutes of the game, but the effort was for naught as Brown Palace finished a 20 to 14 victor.

Theta Xi Rips Sammie Myth

A hungry Theta Xi football team with an upset in mind, made the short trip to Ag College Monday evening and proceeded to hand a surprised Sigma Alpha Mu team a 13-12 lacing. It was the first defeat for the high-scoring Sammies, and the fourth win for the resurging boys from Theta Xi.

Both teams went scoreless the first quarter, but Paul Galter, SAM passer, found Gil Rosenberg open in the end zone for the first score of the game. The try for extra point failed and the Sammies led, 6 to 0.

Striking back, the Theta Xi's ran and passed their way down to the Sammies' 15-yard line where Bob Hale hit Al Blaha for the touchdown. Their extra point attempt also failed and the score was tied, 6-6.

In the third quarter the Sammies opened up a sustained passing attack that carried them to a quick score. The last ten yards were covered on a Galter to Rosenberg pass, the second time during the game that this combination had clicked for a touchdown. The all important extra point attempt failed, and the Sammies led, 12 to 6.

The Theta Xi's again started a running attack that had the Sammies' defense baffled. When they reached the SAM 25-yard line, Bale uncorked a long heave to Romack for the score. The extra point was good, and there was the ball game, a 13-12 win for Theta Xi.

Free Throw Tournery Finals Today; Eight Will Remain

By Glenn Nelson

Eight free throw champions will be decided when the semifinal winners in the All-University free throw tournament pair off today at five p.m. in the Physical Education building.

Don Frei of Phi Kappa Psi will oppose Don Johnson of Farm House in tournament number one.

Bob Bachman, Phi Kappa Psi, and Don Sampson, Sigma Alpha Epsilon, will compete for the tournament number two championship.

In the third pairing, Bob Russell, Sigma Phi Epsilon, will take on Carr Trumbull of Sigma Chi. Dave Brandon, Sigma Phi Epsilon, is unopposed in tournament four.

Two Phi Psi's remain in tournament five. They are Dudley Saville and Bernard Kangieser. Don Imig of Sigma Alpha Epsilon and Don Nelson of Cornhusker Co-op, will vie for top honors in tournament six.

Marvin Panietz, Farm House, is the lone survivor in tournament seven.

Ronald Powers and Dick Macasa remain in the independent tournament, number eight.

Three more dates have been set for 50-shot rounds to determine the All-University champion. All winners of the eight tournaments will compete on all three days. The dates established are at five p.m. on Thursday, Oct. 26; Friday, Oct. 27, and Monday, Oct. 30. Contestants are urged to report all conflicts with their schedules to Ed Hegenbotham before three p.m. on the day of trials.

Cindermen Stage Two More Relays Today; 20 Men Run

The second and third in a series of competitive medley relays will take place Wednesday by the University of Nebraska track team on the Memorial cinders.

The first of the series run last Wednesday was termed a success by head track coach Ed Weir, and he said that he will continue the display to the public as long as the weather will permit the out-of-doors running.

The "Skins" took the initial relay with a close decision over the "Reds." Coach Weir stated that he thought he had the teams paired even closer for the second and third races.

The first race on tap Wednesday will be a one-half mile relay with four men per team, each running 220 yards.

Alexander Leads Off

Starting off for the "Skins" will be Lee Alexander of Plainville followed by Glenn Beerline of Alliance. Taking the baton

from Beerline will be Dick Stansbury of Lincoln and rounding out the race as anchor man will be Irving Thode of Loup City.

The "Reds" will counter with Wendy Cole of Weeping Water first off, and then follow him up with Don Bedker of North Platte, Sheldon Jacobs of Deadwood, S.D.—and Jack Scoville of Hartington.

The second race of the afternoon will be a three-mile medley relay with six men running the three miles for each team.

The "Skins" will feature Jim Perry of Red Oak, Ia., first off running a quarter-mile. Perry

Cindermen Stage Two More Relays Today; 20 Men Run

will in turn hand the baton to Bob Barchus of Scottsbluff and Chuck Hunley of Falls City. Both will also run a 440.

Following Hunley, will come Dale Schnacke of Omaha, running a half-mile and Hobe Jones of Lincoln running three-quarters of a mile. Rounding out the "Skins" squad and with a mile-run ahead of him will be Lee Moore of Grand Island.

Cathro for "Reds"

For the "Reds" leading off will be Blake Cathro of Omaha. Following Cathro will come Chester Scott of Omaha and Leonard Kehl of Scottsbluff. All three will run a quarter-mile.

Legging the half-mile distance for the "Reds" will be Bob Kruger of Schuyler and on the three-quarter mile run, it will be Gene Yelkin. Running the final mile for the "Reds" will be Ken Jacobs of Minden.

Another feature race is expected from Chester Scott and Bob Barchus. Both turned in good times running against each other in the first race. Lenny Kehl and Chuck Hunley are expected to produce another thriller in their second meeting. Both turned in exceptionally fine times for the quarter at last outing.

The races, open to the interested, will be staged as soon after 4 p.m. Wednesday (today) as is possible so as to clear Memorial ground for the football scrimmage.

Delta Sigs Romp, 20-7

Delta Sigma Phi rolled to two touchdowns in the first quarter Monday night and then matched Zeta Beta Taus tally to win convincingly, 20-7. It was the first win of the season for the Delta Sigs and assured them of not resting in the cellar of league II at the close of the season.

Delta Sig back Don Becker scored the first tally of the game early in the contest when he reached high to intercept a ZBT pass and galloped 45 yards untouched to the goal. Darrell Adamson tossed the extra point pass to Hal Voter and the Delta Sigs were in front, 7-0.

Becker was the downfall of the Zetas again in the first stanza as he pilfered another pass and returned it to their 20 yard line. From here, passer Adamson sighted Jim Pettijohn in the end zone and hit him with a touchdown strike. The point after touchdown went astray, but the Delta Sigs sported a 13-0 lead at the end of the quarter.

Zetes Score

Zeta Beta Tau broke into the scoring column in the second quarter after a series of short passes had carried them to the Delta Sig 2-yard line. Justin Horwich flipped to Al Tully for the six points. Horwich also flipped the extra point pass, this one to Marv Sulvasky.

The Delta Sigs started another drive just before the half but were stopped when Jack Cohen recovered a fumble within the shadow of the goal.

Late in the third period the victors started another drive that carried over into the final stanza. With only a few seconds gone in the fourth quarter, Darrell Adamson faded to pass and failing to find a receiver in the open, rounded right end for 15 yards and a touchdown. Adamson completed the scoring for the day by tossing the point after touchdown pass to Voter.

North Carolina State eagles will play 15 home games in the new William Neil Reynolds Coliseum next season. There will be seats for 12,000.

Know Your Huskers

This year, as last, Bill Glassford will have the services of a very capable end in Frank Simon, who hails from Burchard, Nebraska.

Simon is 20 years old, weighs 190, and stands 6-3. He graduated from New Cumberland
