and also can pitch passes on the dead run.

With those two add men like Nick Carras, Mike Ghnoully, Harold Carter to the backfield and you have a group that will try and perhaps succeed in most anything Saturday.

Good Ends

At the end positions the Tigers have sticky fingered Bob Ebinger and Gene Ackerman. Ebinger will go into the Husker fray as co-captain for the Tigers. Ackerman caught 42 passes to set a new Mizzou record last year and is going just as strong this season.

looms just as potent and powerful. To match the passing of Klein, the Huskers will call upon quarterback Fran Nagle who has directed the Scarlet attack so masterfully all year. Fran gave an example of what he could do with a football if need be during last week's Kansas game. He completed four of five and for two touchdowns.

For each fast and dangerous runner in the Mizzou backfield, Nebraska will throw into the game one that is faster and much more dangerous.

"Rampaging R"

Leading the Huskers will be rampaging Robert Reynolds, Nebraska's star halfback. Bobby is far in front of the Big-Seven in point scoring and in yards gained by rushing. In fact, Bobby is currently in third place nationally in total yards gained by rushing.

like a pile-driver from his right half position, Ron Clark who runs and leaps like a frightened deer, Nick Adduci who crashes the line like a truck.

Ahead of this array of backs, capable of sweeping away or plowing under any Tiger are men like Charley Toogood, Don Strassheim, Walt Spellman, and Art Bauer. On the ends will be pass snarlers, Frank Simon and Dick Regier.

Ready to stop the Missouri advances will be Verl Scott, Carl Brasee, Ed Husmann, Don Boll, Moon Mullen, and Dick Goeglein to mention a few.

Co-Captains

Names as co-captains by Coach Glasford for the contest are guard Don Strassheim and tackle Walt Spellman. They will start side by side on the offensive eleven.

So, no matter who is favored for the contest, this 1950 Homecoming fray should be a thrilling battle all the way from start to finish.

Lutherans, Delta Sigma Pi, Delts Keep Bowling Leads

Delta Tau Delta, Delta Sigma Pi, and the Lutheran Student Association widened their holds on first place in their respective leagues in intramural bowling over the week with sweeping victories of three games each.

II and also in the whole bowling competition with a 544 for three lines and a 225 for one line. Both are high. Cal Coulter also helped the Theta Chi cause with a good 201.

In the same league Farm House moved into fourth place behind Sigma Chi by taking two games to one for Beta Theta Pi. The Lutherans also sport a 6-0 record after taking three games from the Methodist Student House, Alpha Kappa Psi and Delta Theta Phi moved into a tie for second place, both beaten the Newman Club, two to one. Zimmerman of the Delta Theta Phi's turned in a new high score for three games with a 539.

Sigma Nu kept its lead in league III by sweeping three games from Beta Sigma Psi and winning two of three from Pi Kappa Phi. Kappa Sigma moved into a second place tie with Phi Delta Theta by beating the Phi Delts two games to one. In the second game of this match, the Kappa Sigs won on a score of 834. Minikus of the Kappa Sigs turned in a 517 for the day while Phi Delt Moorehead had a 522.

Other league III scores were SAE, two to one over Theta Xi.

Phi Delts Smash Taus Title Hopes

An underdog Phi Delta Theta football team again rose to the occasion to knock favored Alpha Tau Omega out of the intramural playoffs by a convincing 14-6 score.

City YM Drops Ag Men, 19-9

City YMCA moved into the finals of the Intramural Independent Playoffs with a convincing 19 to 9 victory over the Ag Men's Club.

The game was never in doubt as the "Y" boys scored in each of the first two quarters and added another tally late in the fourth quarter. These same two teams met during the regular season with the Yers also winning that one, 13-7.

City YMCA started out fast with a thirty yard touchdown pass from Mankamyer to Osterman. The Y for extra point failed and the "Y" assumed a 6-0 lead.

The passing of Larson and Coffman kept the City Y on the alert the entire game, but the Ag Men couldn't connect when the chips were down.

A pass interception in the second quarter by McKibben set up the second "Y" score. With the ball on the 20 yard line, Mankamyer set out around his own left end and went all the way for a T.D. Greene passed to Cressman for the extra point, making the score 13-0.

The Ag Men came back for nine points of their own in the third quarter, a safety by McArdle and a touchdown, Coffman to McArdle. The extra point, Coffman to Hutchinson, was also good, and the score read 13 to 9 in favor of City YMCA.

The fourth quarter score by the "Y" boys came as a result of several nice passes from Mankamyer to Schmidt and Smith then took the ball down to the Ag Men's 4 yard line. A short pass, Mankamyer to Schmidt, was good for the touchdown. The extra point attempt was no good and the game ended, 19-9. Newcombe and Mankamyer were outstanding for City YMCA while the play of Coffman and McArdle stood out for the losers.

Two Grid Champs Crowned Tonight; 8 Teams Remain

Two championships and the finalists for two more will be decided in four intramural football playoff contests Friday evening on the Ag College fields.

The Interdenominational and Independent will crown their respective champions while the action in the fraternity "A" tournament will narrow the field down to two teams. The two newly crowned champions will also be the finalists for the All-Unaffiliated championship.

Unbeaten Presby House and strong Ag College YMCA will battle for the Denom title. Both outfits had trouble getting by their semi-final opponents, but showed enough power to finally come out on top. Presby dropped Newman Club, 14-6 while the Ag Y men were nudging Baptist House, 8-6.

This game should be a thriller all the way and end up much closer than their previous meeting which the Presbys won 14-6. But staying with the unbeaten until they have tasted defeat, the nod goes to the Presby attackers by one touchdown. This game will be on field 3.

Another rematch will produce the Independent champion. Sigma Gamma Epsilon, unbeaten in six games will face City YMCA for the second time this season. The YM men have lost only once this fall and that was a 6-1 yardage loss to the Sig Gams.

You can't say that their second meeting will be any closer but it's a sure bet that it will equal the first game. On the strength of the first game only, the Sig Gams rate a very slight favorite over the YMCA. But watch out here.

Field 2 will sport perhaps the best game of the afternoon. Un-

beaten Sigma Phi Epsilon will take on the rampaging Phi Delts Theta football team. This will be the first meeting of the year for these two potent machines and should really cause some fireworks.

Phi Gams Edge Pioneer, 7-0

A thrilling last-minute run by John Sinclair enabled a fighting Phi Gamma Delta team to pull out a 7-0 victory over a stubborn team from Pioneer House Wednesday night.

Until Sinclair's run, which came on a 20 yard around end with but ten seconds left to play, the game was as even as they come, with each team threatening the rejuvenated Fijis of Phi Gamma Delta. The Delts are currently the top scoring outfit in the University and the Fiji defense appears quite leaky at times so the Delts should not lack any touchdowns. On the other hand the Delts do not stress defense either and the Fijis can muster a scoring drive on occasions so look for a high scoring Delta Tau Delts clashing with

ing once, but both failing to push for the score.

The game was strictly a defensive battle, with neither team able to keep a drive going into the other's territory.

Pioneer House, with Bob Dewhus doing the throwing, penetrated down to the Fiji 10 yard line in the second quarter only to be stopped by the tight Phi Gams defense.
