

Huskers Will Be Beaten If They, Students Let Up

Glassford Warns Students Against Overconfidence

BY BILL MUNDELL
Husker Coach Bill Glassford warned the student body not to be overconfident concerning the Saturday Nebraska-Kansas State football game to be played in Memorial Stadium. Coach Glassford stated Tuesday that if he were able to get the Husker gridders into a proper state of mind concerning the Wildcats, he would need the help of the NU fans in general.

"A lot of hard work can be thrown away this weekend," he stated. "The Huskers have come a long way, but can be set back if they take this game of football too lightly," he added.
Glassford went on to say that on a given afternoon, any 11 men can defeat any other 11 men in the grid game. "Past records mean nothing between 2 and 4:30 p.m. Saturday afternoons. Then, it is just man against man."

Great Spirit
Bill said that he thought student support of the football team

since he had been at Nebraska had been wonderful. He added that the spirit of the Nebraska faithful was to be commended and that he knew it would continue as such. He only hopes a keyed-up Kansas State team will not have the mental jump on Nebraska and ruin the hopes of the NU fans.

Bill gave his gridders little time for overconfidence Tuesday afternoon as he sent the varsity through some stiff drills. The defensive units took the brunt of the rough stuff during the afternoon. Against a spirited band of offensive freshmen, they set themselves to the task of working up a defense that will work. And it looks as though there will be a long hard week ahead of the varsity because the fresh looked impressive, tearing through the defense for substantial gains.

Offense At Work
It was only ground defense the varsity concentrated on Tuesday, the passing will come later. Meanwhile, the offensive units were opposing the freshmen, too. Perfection of their plays was the order of the day for that group.

Neal Mehring, assistant coach who scouted the Wildcats last Saturday, said that the Aggies are as tough a defensive club as he had seen all year. "Except for a few breaks," he said, "K. State might have beaten Iowa State, 20-0."
"They are big, aggressive and tough. And they will be heading into Lincoln anxious to win," Mehring warned.

Quite a Difference
The difference one year can make in a football team is reflected in a comparison of their rushing statistics of the University of Nebraska Cornhuskers in 1949 and 1950.

In 1949, the Huskers made 1,378 yards rushing in nine games. In six games of the current season, the Huskers have made a total of 2,039. Bob Reynolds has 1,010 yards in his own account.

In the 1949 games, the Huskers made less than 25 yards rushing in three games. Against Minnesota, they made 14, against Penn State five, and against Oklahoma only four.
But now the Huskers are among the nation's leaders in this department.

The complete statistics for the six games played thus far:

RUSHING
Times carried gained Lost Net
Bobby Reynolds 128 1,034 24 1,010

BOBBY REYNOLDS . . . was named as a 'star of the week' for the fifth time in six weeks by the United Press this week. About Bobby they said, "Reynolds, Nebraska's amazing sophomore runner, had another three-touchdown week with Missouri as his latest victim. One of Reynolds' runs went into his yardage record as a 33-yard rushing gain, but he roamed over nearly three-quarters of the playing field after being trapped behind the line before he found his opening to advance."

Know Your Huskers

Holding down the number one right end position on this year's varsity football squad is Dick Regier, who hails from San Luis Obispo, Calif.

Dick is 20 years old, weighs 200, and stands 6-1. He gradu-

ated from high school in 1948. While in high school, he received three letters in football, basketball, track and baseball.

This year he is after his second letter in football. Agricultural College, and is affiliated with Phi Kappa Psi Fraternity.

Ping Pong Games Must Be Played

The deadline for the first round play of the All-University table tennis tourney has been set at noon Saturday.

All entrants are asked to note the tournament cards on the wall of the Union ping-pong room to see who their opponent is.

There will be no further postponements for first round play. All games must be played by Saturday or the entrant must forfeit.

City YMCA Gets Unaffiliated Title

By Jim Kostal
City YMCA reigns as the 1950 All-Unaffiliated intramural football champion Tuesday night by virtue of its 13-0 triumph over Ag YMCA.

The outcome was never in doubt as the powerful running attack of City "Y" swept to a quick touchdown in the opening minute, withstood a short-lived Ag "Y" rally, and then added a clincher late in the third period.

The City "Y" team displayed what is probably the finest running attack in intramural ball this year. It was led by Ross Newcomb and Jack Mankamy, who together literally ran the Ag "Y" boys ragged throughout the game.

City "Y" had its first touchdown before a minute of play had elapsed, partly because the Ag "Y" team was short two players at the start, but mostly because of the running of Mankamy and Newcomb. These two carried to the Ag "Y" 30 where Duane Parker hit Don McKibben for the score. Newcomb threw a basketball pass to Gary Creamsman for the extra point and City "Y" assumed a 7-0 lead. The City "Y" boys kept threatening throughout the first quarter, but somehow couldn't score.

Dominated
Second quarter play was also dominated by City "Y," as the double-barreled running attack of Newcomb and Mankamy again ate up countless yardage, but the Ag "Y" defense stiffened and held when a touchdown was imminent. Thus the half ended, 7-0.

The jump-passes of Calvin German began to click for Ag "Y" in the third period, but the drive was abruptly halted, thanks to a timely pass interception by McKibben who ran to the Ag "Y" 15 before being nabbed.

Mankamy raced to the eight, Newcomb added four, and Bob Greene hit Creamsman with a shovel pass for the T.D. The try for extra point failed, and City "Y" led, 13 to 0.

The remainder of the game was spent with Ag "Y" desperately trying to connect on long passes. Here the pass defense of City "Y" really blossomed out to hold the Ag "Y" men at bay.

Mankamy pilfered the last pass attempt of Ag "Y" and raced to a touchdown as time ran out. The score was nullified, however, because of an offside penalty against City "Y," and the game ended, 13 to 0.

All-U Contest Tonite

The All-University Champion will be crowned Wednesday night at the Ag College fields when the new All-Unaffiliated champ takes on the fraternity champ, Delta Tau Delta.

Game time is 4:30 p.m. and the game could be a thriller if the City YMCA attack begins to roll. Both teams sport two stars backed up by a good all-around outfit. For the Deltas it will be Keith Skalla and Ray Mladovich leading the way while for the City YMCA, it will be Jack Mankamy and Ross Newcomb.

Records of the two teams to date are:

I-M Cage Entry Deadline Soon

Entries for the 1950-51 intramural basketball season are due not later than noon Saturday, Nov. 18.

This was announced today by C. E. Miller, Intramural Activities director. An entry fee of \$10 must be paid by all teams this year. Team rosters do not have to be turned in the P. E. Dept., until the team's first game.

Four divisions will be organized this year including Fraternity "A" and "B" teams, Interdenominational, and Independent. Play will consist of a double round robin schedule plus inter-league playoffs for the All-University championship.

Trophies will be awarded to the Fraternity "A" and Denominational champions and medals to the 10 members of the Independent championship team.

Downs to Address Dairy Conference

Prof. P. A. Downs, professor of dairy husbandry at the University, left Tuesday for East Lansing, Mich., where he will present two papers at the annual Michigan Dairy conference being held at Michigan State college, Nov. 9 and 10.

Campus Interviews on Cigarette Tests
Number 5...THE GNU
"I gnu the answers...but I wasn't talking!"
The debating team couldn't make much use of this non-talkative baby . . . but one look at his "literary leanings" tells you that tests don't buffalo him. 'Specially those tricky cigarette tests! As a smoker, you probably know, too, that one puff or one sniff— or a mere one-inhale comparison can't prove very much about a cigarette!
Why not make the sensible test—the 30-Day Camel Mildness Test. You judge Camel mildness and flavor in your own "T-Zone" (T for Throat, T for Taste) . . . for 30 days. Yes, test Camels as a steady smoke and you'll see why . . .
