

Cyclones to Give Huskers a Battle

The Nebraska Huskers will have to face a "fighting mad" band of Cyclones from Iowa State and the top passer and receiver of the conference this Saturday in the home ground finale. A victory is necessary for the Scarlet to keep in running for the Big Seven championship.

They can tie for the title by defeating Oklahoma in the last game of the season, Nov. 25.

FRAN NAGLE... directed the Husker offensive attack very well Saturday in addition to completing seven passes for 158 yards.

providing that both the Huskers and Sooners win over dangerous opponents this weekend.

While the Huskers will be opposing Iowa State, the Sooners will be host to the Missouri Tigers at Norman.

Everything to Gain
Both the Cyclones and the Tigers will throw everything they possess in their Saturday battles. They both have nothing to lose and everything to gain.

For the Iowa States, it will be passer Billy Weeks leading the way. Weeks has been shining for the past two years with his brilliant passing, but has yet a chance to demonstrate his wares on the Cornhuskers.

Last year, the Cyclone-Husker fray at Ames was played in a perpetual downpour of rain and in a sea of mud which kept passing down to a minimum. A 70-yard punt return by Husker Harry McGinnis saved the day for Nebraska that afternoon as the Scarlet and Cream won, 7-0.

For the past three years, the Cyclone faithful have claimed that Nebraska has "lucked-out" in their victories over the Iowans. They say that "passing Willy" will see to it that the Huskers have no such luck this year.

Weeks to Doran
And Weeks is just that. He could, and probably will, give the Nebraska a long afternoon this Saturday. The conference's leading pass catcher will also be on hand to oppose the Huskers and the Weeks to Jim Doran combination is what the Husker coaches are setting out to stop.

Missouri climbed into third place in the league standings with their 21-19 win over Colorado last Saturday. The Tigers, a prime favorite along with Oklahoma in pre-season, will be an underdog to the Sooner although the Missourians have been striking a harder bargain every week.

Every time Oklahoma team and Nebraska's Bobby Reynolds take the field from now on they are setting new records and each time they are breaking their own records.

Sooners Stretch Mark
The Sooners stretched their modern victory streak for major college to 28 games by beating Kansas at Lawrence by 33-13 score.

Reynolds scored 23 points against Kansas State and rolled up 141 yards rushing. The points brought Bobby's point total for the year to 126 for seven games. That eclipses the old league mark of 121 by Missouri's Bob Steuber in 12 games in 1942. The 141 yards brought his total land efforts to 1151 yards by rushing. That bettered Steuber's total of 1098, also set in 1942.

In other action this week, Kansas State will be host and

I-M Volleyball Playoffs Start Thursday; 20 Teams In

The intramural volleyball playoffs get under way this Thursday, Nov. 16, climaxing a very short season. Twenty of the 35 teams participating in the round robin play will go into the playoffs seeking greater laurels or trying to comeback from a poor early season showing.

All 20 teams will see action Thursday in first round play and then the playoff action will cease until after Thanksgiving vacation.

Twelve teams will battle for the All-Fraternity championship in which four teams will get first round byes. Four teams will tussle for the All-Denominational championship and four outfits will vie for the Independent title.

After the three crowns have been won, the Denom and Independent title-holders will tangle for the All-Unaffiliated crown and that champion in turn will face the Fraternity champion for the All-University championship.

The first rounds must be played this Thursday so Wednesday night will be used as "tie-breaking" night. All teams that have any chance of finishing among the first four in their league are asked to be ready to play Wednesday night if they should finish in a tie with any other outfit in their league. Leagues I, II, IV, and V could very easily result in ties among its members.

Only league III seems fairly safe from ending the season with ties. Team managers are urged to keep close account of their position in their respective league and keep their outfits available to play Wednesday.

The standings as of Saturday, Nov. 11, are:

League I

Bob Reynolds Leads Nation In Scoring

Nebraska's Bobby Reynolds appeared today to have a stranglehold on college football's 1950 point scoring leadership. The sophomore flash ran wild in the Huskers' 49-21 rout of Kansas State Saturday, scoring three times and getting five conversions to boost his pacemaking point total to 126. That figure and his 1,151 yards rushing constitute Big Six and Big Seven records for a season.

Bobby now has 18 touchdowns and 18 conversions in seven

games. And Nebraska still has two games to go this season— Iowa State's this Saturday and Oklahoma a week later.

Tied for second place behind Reynolds are Bob Courtney of Canterbury college (Indiana) and Bob Miller of Emory and Henry (Va.), each with 114 points. Courtney lost his temporary lead over Reynolds over the weekend when he scored only one TD—and that was Canterbury's season finale.

Johnny Bright, Drake's star, scored four times Saturday in beating Iowa State, 35-21, and raised his point scoring total to 108, good enough for fourth place. That was Drake's last scheduled game of the season but it enabled Bright to break the record for total yards gained. His 2,400 topped the old mark of 2-187 set by Frankie Sinkwich of Georgia eight years ago.

The scoring leaders:

CHANGED MY MIND... could be Bobby Reynolds' words to Wildcat John Schwerdt (45) as Bobby takes a punt and runs in an attempt to pick up a first down. Schwerdt missed Bobby, but another Aggie caught him before he picked up the needed yardage. Walt Gehlbach (52) and Dave Torbett (41) are both unsuccessful in their attempt to stop Reynolds. Fran Nagle (21) is circling back to help team-mate Bobby while Frank Simon (81) is charging downfield. The action took place in the first quarter of the Husker 49-21 victory over Kansas State Saturday.

Fijis, SAE's Reach Top in Bowling Leagues; Delts Hit

A newcomer is atop league I standings in intramural bowling this week, another newcomer has climbed into a tie for first place in league III, while the leaders in leagues II and IV increased their margin over the field.

Phi Gamma Delta and Sigma Alpha Epsilon were the title aspirants that made the biggest climbs over the week of competition. The Fijis took two of three lines from Delta Tau Delta over the week to hand the Delts their first defeats of the year and also to send them down to second place in league I.

The Sig Alphas collected five wins in six tries during the week. They allowed Beta Sigma Psi to win their first game of the year while tripping them 2-1 and then downed Theta Xi three straight. Sigma Nu, last

week all alone at the top of league III, won two of three lines from Phi Kappa Phi to keep at least a share of the lead.

League I
Other action in league I saw Alpha Tau Omega trip Sigma Phi Epsilon 2 to 1 and Delta Upsilon sweep three from Pioneer House. Forfeits in that league were three from Tau Kappa Epsilon to Delta Upsilon and three from the Tekes to Sigma Phi Epsilon.

League II saw unbeaten Delta Sigma Pi accept three forfeit wins from Beta Theta Pi to remain in first place with a 9-0 record.

Theta Chi won two of three each from Phi Kappa Psi and FarmHouse. The Phi Psi's in turn took two out of three from Sigma Chi and the Sigs won from Brown Palace 2-3.

League III Kappa Sigma beat Phi Delta Theta 2-1 and Beta Sigma Psi downed Phi Kappa Phi by the same margin.

League IV saw the Methodist House lose six games three on forfeit to Delta Theta Phi and the other three to Dental College Frosh. The unbeaten Lutherans continued in first place in that league with three straight wins over Delta Theta Phi.

Meetings Set For Interested Independents

A special call is being made by the intramural department this week to contact all independent men who would like to play basketball in intramural competition this winter, but who do not have a team with which they can play.

The I-M Department is holding two special meetings this week, one on the city campus and one at Ag College in an effort to find out how many men would like to participate in the cage sport and also to help formulate some independent basketball teams.

Thursday will be the meeting night. The meeting on the city campus is being held in the Physical Education Building in room 101 at 5 p.m. The meeting on the Ag campus will be at 7 p.m. in the gym in the Ag Activities building.

All men who are interested to any degree are urged to be at the meeting or both of the meetings to get further information. If a few men would like to participate together, the remainder of your team could be found at or by these meetings.

These will be the only meetings of this kind for basketball, so everyone interested is asked to attend.

Irish-Navy Split Hinted

The Washington Evening Star said today that Navy is ending its football series with Notre Dame after 24 years in which they've won four games.

The Star said the Fighting Irish, dropped by Army in 1947, will not appear on Navy's 1951 schedule for the first time since 1927. It said that "indications are that Navy will adopt a long-range policy of playing 'moderate' schedules.

The Middies continually have one of the roughest schedules each year of any college football team, very much so as compared to the schedule of their arch-rival, Army. Army can boast of defeating only one good team a year while the Middies face ten of the strongest in the nation.

In South Bend, Athletic Director Ed Krause said that the Irish will play Navy in Cleveland, Nov. 2, 1951. He attributed reports that the series might end as untruthful rumors.

Know Your Huskers

At Coach Bill Glassford's call at end this year, will be Rich Novak, who hails from Omaha, Nebraska.

Rich is 22 years old, weighs 192 and stands 6-0. He graduated from Omaha South High Schools in January of 1947, and

while there, he earned three letters in football, one in baseball, and one in basketball. In high school football he played full-back, at Nebraska he has taken on the job of a defensive end. Rich is a brother to Tom Novak who played last year, and to Ray who is a freshman.

Rich is a senior in Teachers College.
