

# Cornhuskers, Reynolds Receive Recognition

## Bob Is National Scoring Champ

Nebraska's Bobby Reynolds, by all rights, has won college football's 1950 individual scoring title. Only a few contests remain in this season of play and Bobby has no close contender that might overtake him.

The rambling sophomore wound up the season with a sensational 157 points for nine games, not only the top for this year, but the most points scored in one year by any college gridder, in the history of the major colleges.

Bobby added the scoring title to his already large gathering of honors and praise after only one year in the college ranks. He regained the scoring leadership he had lost temporarily by galloping and kicking his way to 23 points against the best team in the country last Saturday.

**Taseff Second**

Second place in this year's scoring goes to Carl Taseff from John Carroll university. Taseff led Bobby a week ago but finished his season a week earlier and so remained with his total of 138.

Wilford "Whizzer" White of Arizona State (Tempe) closed his college career with a flurry of points and climbed into the number three spot in the nation. White scored five times as Arizona State hit Idaho, 48-21 and finished the year with a total of 136 points, two behind Taseff.

The only two players with any chance at all of replacing these top three are Bob Smith of Texas A & M and Al Pollard of Army. Both men would need a dozen touchdowns to catch Reynolds Saturday and that is impossible.

**More Recognition**

Reynolds received more praise and recognition when Skipper Patrick of Kansas City wrote when giving the final tabulations for the Big Seven—"Reynolds, a fantastic back of 175 pounds and 19 years of age, completed the greatest sophomore season in Big Seven history as he and his Nebraska Cornhuskers wound up on the short end of a 49-35 scoring battle with Oklahoma."

"Reynolds finished his sophomore season—nine games—with

## Huskers Rated 17th Nationally

The Nebraska Cornhuskers were named as the 17th team in the nation in the final Associated Press ratings Tuesday. Elsewhere they were placed 18th in the United Press ratings and 25th in Williamson's system.

The A. P. poll is generally considered the most authentic of them all because of the greater number of voters. A total of 319 sports writers cast their ballots in the final poll.

The Huskers wound up with 96 points and had the 17th position well in possession. Alabama in 16th place was 125 points ahead of the Huskers and Washington & Lee in 18th place was 42 points behind the Scarlet.

**Only Two**

Only two teams with poorer records than Nebraska's placed higher in the final standings. Michigan, upset winner over Ohio State in the snow last week and the Big Ten's representative to the Rose Bowl, finished in the number nine spot. Their record read 5-3-1. Michigan's final victim Ohio State wound up the year in 14th place. The Buckeyes had been at the top nationally just a few weeks ago. Their record was 6-3.

One odd result of the final poll was the dropping of the Huskers from 16th last week after the Scarlet turned in their fine showing against the nation's number one team, Oklahoma. Also, standing out in the poll was the fact that even after their defeat, the Huskers received two first place votes from the sports writers.

**Oklahoma Crowned**

Oklahoma was crowned as the mythical national champion with a 583 point bulge over second place Army. The Sooners wound up with a total of 2,963 points and 213 first place votes.

No other Big Seven team or Nebraska opponent received any points in either the A.P. or U.P. polls. Indiana was placed 31st by Williamson. Notre Dame, the team that was supposed to win everything, received no points in the Press polls and wound up in a tie for 35th place with Iowa in the Williamson system.

out of three to the Newman Club to leave the Lutherans alone at the top. The loss dropped the Dental Frosh into third place with a 4-2 record.

Alpha Kappa Psi climbed into second place although they, too, were idle. Their record to date is 2-1.

The standings after four weeks of action are:

## Know Your Huskers

On this year's team the Cornhusker football fans have had a chance to see good football played by such players as Jerry Ferguson, whose home town is Scottsbluff, Neb.

Jerry is 22-years-old, weighs 175, and stands 5-11½. He graduated from Scottsbluff High School in 1947, where he earned

JERRY FERGUSON

four letters in football, three letters in basketball, and four letters in track. In football at Scottsbluff he was voted All State halfback in 1946 and 1947. Last year he played halfback for Nebraska, and this year he played offensive end.

He is a senior in Teachers College and is affiliated with Sigma Chi Fraternity.

## Red Sox May Trade Stephens

With Lou Budreau safely in the Sox fold, the Boston Red Sox began eyeing American league pitchers with shortstop Vern "Junior" Stephens as "trade-bait." The Red Sox signed the former Cleveland manager to a reported \$45,000 salary last week on a straight playing deal. Budreau was at one time, and perhaps still is, the top shortstop in the junior circuit.

Both general manager Joe Cronin and manager Steve O'Neil have expressed keen interest in such seasoned pitchers as the Philadelphia Athletics' Lou Lissie and the St. Louis Browns' Ned Garver.

"Now that we have Budreau, we can afford to give up a regular infielder to get pitchers," O'Neil said. He added, however, that he had no deals on the fire

## Delta Pi's, LSA, Fijis, Nu's Hold Bowling Leads; Delts Up

Delta Sigma Pi, Lutheran Student Association, Phi Gamma Delta, and Sigma Nu remained atop their respective bowling leagues after another week's play. Sigma Alpha Epsilon lost a share of League III in the shuffle while Delta Tau Delta regained a portion of first in League I.

The Delts climbed back up with the Fijis by winning five of six games. They took three straight from Tau Kappa Epsilon and two out of three from Pioneer. The Fijis, on the other hand, were winning only two out of three. Both have a record of 12-3 to date.

Delta Upsilon is holding down third spot, being idle over the week. They sport an 8-4 record.

**Three More**

Delta Sigma Pi copped three more straight contests from their League II opponents to run their streak to 12 straight and keep them perched atop the league. Theta Chi also won three games to keep on the Delta Pi's heels. They have a record of 12-3.

Phi Kappa Psi won two out of three games to climb ahead of Sigma Chi in third place. The Sigs lost three games. Other League II action saw Brown Palace winning three, Farm House dropping five out of six, and Beta Theta Pi losing three straight.

Sigma Nu won three contests to keep the top perch in League III. Sigma Alpha Epsilon, who owned a share of the top last week, dropped one game in three attempts and with it dropped into second place with Phi Delta Theta. The Phi Delts won four out of six to boost their record to 10-5. Kappa Sigma dropped three games and fell to fourth.

Other League III games were Pi Kappa Phi's two victories in three attempts, Theta Xi winning one of three, and Beta Sigma Psi losing three.

**Dental Frosh Fall**

The Lutherans, although idle, took over undisputed possession of first place in League IV. The Dental College Freshmen, who were also perfect, dropped two

Three Indiana Hoosiers are spotlighted among the top eleven men the Nebraska Cornhuskers faced on the football fields this year as chosen by the men who know, the players themselves. Guard Bill Smith, end Clifton Anderson and back Bobby Robertson make up this trio the Huskers called tops this year.

Big Seven champion, Oklahoma, along with Kansas and Missouri, placed two men on the foe outfit. Lone berths were grabbed off by Colorado and Minnesota. The three State teams from Kansas, Iowa and Pennsylvania failed to place a man on the team.

# I-M Cage Leagues Formed As 85 Teams Enter Play

By Jim Kostal

The Intramural Department today released the official classification for the 1950-51 Intramural Basketball Season which will get under way Wednesday, Dec. 6.

A staggering total of 85 teams are entered this year, comprising 14 leagues. This means that 459 regularly scheduled games will be played before the play-offs begin.

The best three teams in each league will qualify for the All-University Championship Tournament, except for the "B" team leagues, who will play for the "B" championship.

All games will be played during the week if it is possible to do so. However, each team will be scheduled for one or two Saturday games during the month of February. This will be necessary in order to permit a Double Round Robin Schedule.

**Two Officials**

Two officials will be assigned to each game this year. The competing teams will provide the timers and scorekeepers.

Postponed games will not be rescheduled unless the games are postponed by the Intramural office, and then only for unavoidable conflicts.

The starting times of the games will be 5, 7, 8, and 9 p.m. All men named by the basketball coaching staff to the Varsity, B Team, and Freshman Basketball rosters as of Dec. 5 will be ineligible for Intramural Basketball during the school year 1950-51.

Play this year will consist of four quarters of 10 minutes each, with one-minute rest between quarters. There will be a five-minute rest between halves. Each team will be allowed one timeout each half.

The complete list of leagues:  
LEAGUE I  
Sigma Alpha Epsilon

## Cage Officials Wanted

There will be a meeting Wednesday night for all men who are interested in being paid officials for intramural basketball this winter. All men are asked to attend the meeting or leave your name with the secretary at the Intramural Office.

Meeting time is 7:15 p.m. in room 101 in the Physical Education Building.
