tions.

Campus Safety . . .

Snow can make a campus beautiful, covering every-thing with a clean white blanket. It loads the boughs of trees and housetops. The wind and snow shovels heap it up in small mounds near sidewalks and around corners.

But snow can also be dangerous, especially when cold draft status, Mac?"

weather refuses to let it melt away. Pedestrians tread slippery paths and driving conditions are hazardous. Here are a few suggestions to improve the campus

Drivers-remember at all times that driving on icy streets requires concentration, slow speeds and com-

2. Pedestrians—quell the urge to jaywalk or to

"beat" a light. It is hard for an automobile to stop quickly in these driving conditions. 3. Buildings and grounds, dorms, co-ops—make efforts to clean sidewalks before the slush freezes over.

4. Fraternities and sororities-do the same. If these precautions are taken, the chances for accidents on campus due to climatic conditions will be greatly

Starting this coming Tuesday advisors can also exercise a veto girls can hang up their skirts the university radio station KNU when they are in class. Maybe will have a new full half hour rogram. The show, "Co-ed Review With Ev and Jane," will have a novel way of answering the questions that the men of the campus have about women's styles of dress, hair styling, and The program will also do its

best to defend the actions of campus lovlies, when the men have gripes as to the way the Coeds dress to please the males. Each Tuesday afternoon from 4:15-4:45 p.m., the writers, producers, directors, and stars of the Ev Anderson and Jane Hammett, will interview a picked panel of three men students. Places of interrogations will vary. Locations of the interviews may be men's dorm or fraternity house or the Diamond Grill. Although the panel will be composed of a select group of men, it will be changed every week.

Armed to the teeth with de-

fense of women's styles, the girls will roam to and fro with their announcer John C. Maloney. So be on the lookout, fellows, for the gals who are ready to give you a verbal battle, if you don't like the attire of the females. However, rest assured that the stars of "Coed Review With Ev

and Jane" will be happy to explain just why certain trends in women's apparel are in or out of style. Don't forget the time -4:15-4:45 p.m. over your radio station KNU. "Authors of the Ages" will

present a show this week that contains the largest cast in the history of this show. The play, survey to find out how many of "Never Come Monday," has a cast of thirty performers. Heading the group will be the very talented Gay Marr and Lois

Nelson. This is the first time that these two stars of the radio section have ever been brought

Monday and decided not to tell the people that it is Monday. The survey went on to say that Instead he declares that it is The manner in which everyone from the workers to the king, is confused is brought out in this farce-fantasy "Authors of the Ages," tonight at 9:05 over That's all, Paul.

By Amy Palmer the new girls gym to replace

This sort of thing has been going on until now, the last house to be moved is blocking another street, According to J. K. Selleck, Comptroller, all this house moving is a part of the University's ten-year building program. The immediate project in progress now is the clearing of land for various fields of the athletic de-

Last summer a local policeman Grant Memorial which is lovinghad to give a ticket to a truck ly called Grant's Tomb by the phys ed students with a good sense of smell.

built west of the Sigma Chi CLOSE in. one room now available for university boys. Student Hotel, 327 So. Christmas service. being made for the coming event. There is a rumor around that these boys put up 50% of the money for the new gym with the understanding that it would be built at this location.

They are also planning such modern details as glasswalls and an uncovered sun porch on the

Various members of this fraternity were found standing in line to apply for the job of janitor when the building is completed. Don Schneider was dunning some of the boys for their fund to buy more powerful field-

The fact was brought out that the gym probably would not be finished in time for the present members to take advantage of it. Russ Kugler hurried to explain that many of the boys have already signed up to work on the project during the summer and the rest will no doubt be very faithful alums.

While being interviewed the boys were all very anxious to explain their interest in the pro-"It's because we're interested in indoor sports," ex-plained Dick Rice, "As a matter of fact you might say we're all around good sports."

Down at the intended location for the tennis courts, George Ireland and 'Lightning' Jod Kindler were making plans. They were considering talking to Mr. Selleck about leaving the trees on the plot, as they would be good shade for the tired, hot girls after a rousing game of ten-nis, "Trees have a lot of good with Sigma Chi and the Uni-

the University theater and the band were taken over by women students. Tassels, AWS, and YWCA put activities into high gear. This was a woman's world. Traditional affairs were post-poned for the duration. Cokes were rationed in the Crib. Formal affairs were taboo. Following the exodus of men into the services, came a return of some of those in uniform sent back for

further training.
Sometimes coeds were drafted to provide dates for men from the air base. Glorified hour dances were given "for the boys. The girls would be shown a list of strange names—the airmen who would be coming to the dance. Beside the names would be listed the men's height, weight and interests. Each girl could pick the date

whose height and viewpoints most nearly matched her own. Coed's Worked Hard Throughout the war, it was noted that women students en-

tered home front activities with vigor, and often called upon the men left on campus to participate to a greater extent. The War Council, busy at filling wants and needs of service men from Europe to the South Pacific, was constantly calling for more male

By 1944, the war was going more smoothly, and even a few discharged veterans were finding their way back to campus. Two years previous, the word had been "defense" triotism," as '44 slid to 1945 the word was more and more often "victory." Instead of "overseas heroes" the world became "the heroes" the world became "the veteran and how to rehabilitate

In the early war years, students were polled on "why are we fighting?" The answer they gave most often was "to end
