

Santa Clara Falls To Cornhuskers

The Nebraska Cornhuskers cage outfit broke their three-game West Coast losing streak Tuesday night as they soundly thrashed Santa Clara, 53-38 in the San Francisco Cow Palace.

—Courtesy Lincoln Journal.

HARRY GOOD—Former Indiana mentor's cagers ended their western swing with a victory.

The win over the western outfit enabled the Huskers to give the Big Seven a helping hand in the beatings they are dishing out to non-conference foes. While Nebraska was winning, Kansas and Kansas State were also coping their contests to give the conference a clean sweep for Tuesday.

Paul Kipper, starting at one of the forward slots for Coach Good's Huskers, dunked a field goal—the first of three for him—after two minutes had elapsed in the game to put Nebraska ahead for good.

The Cornhusker floor men used the fast break to perfection as they ran the Broncos ragged. Jim Buchanan, on the receiving end of most Bob Pierce's throws down-court, led the Huskers in scoring. Buchanan tallied a total of 19 during the evening.

Pierce continually cleared the backboards and threw down-court to Buchanan who scored on setups.

The Broncos fought throughout to overcome a marked disadvantage in height, but Pierce had control all during the game. The Huskers gave a much improved showing that they displayed in their losses to Washington and California and the win gives them a record of 2-4 to date.

Center Pierce was second in the Husker scoring with nine points and Kipper was third with eight.

Only 27 fouls were called in the contest, 12 on the Huskers, which is a far-cry from some of the whistle-tooters antics in the games these days.

In New York City the Kansas Jayhawks were having a much rougher time of it. Giant Clyde Lovellette tipped in a goal with 15 seconds left to give the Jays a wild 52-51 victory over St. John's of Brooklyn.

The winning goal came after St. John's had gone ahead for the first time in the second half at 51-50 with 39 seconds remaining. Frank Giancontieri, one of the many replacements in the St. John's two-planet system, scored the goal.

After Giancontieri scored, Kansas waived a free throw and calmly went about after the two as held an apparently comfortable lead but the St. John's all-court press drove the Jays into costly mistakes.

St. John's used a zone defense to stop Lovellette who has been averaging 25-points plus per game. In all, the 6-9 ace scored 13 points.

Waiving Free Throws Kansas Coach Phog Allen continued his innovation of waiving free throws to keep possession of the ball. This strategy seemed to pay off as the Jays controlled the play most of the time. They

took some free throws when Kansas held a 40-33 lead in the second half.

Kansas State, meanwhile, won their fourth straight cage game as they shellacked the Wichita university Shockers, 73-42. The Wildcats had control of the game all the way and were never threatened except at the beginning of a slow first period.

Wichita got the early lead in a ruggedly played game with about four minutes gone as John Friesen slipped in a long fielder. Ed Head tied it up for Kansas State on a pair of fielders and then Earnie Barrett hit from side court to put the Wildcats in front to stay.

Denom Play Opens as LSA, Newman Club, I-V Post Wins

Denominational and fraternity "B" basketball games highlighted the return to cage action Tuesday night as nine more teams emerged victorious in their initial contest and a like number tumbled to defeat.

Defending interdenominational champion, Newman Club, got off to a flying start in the defense of its title as the Catholics crushed the Baptist Student House by a 43-13 score. It was strictly "no contest" all the way as the Newman men rolled to a 12-0 first quarter lead and at halftime still holding the Baptists scoreless, the score being 14-0.

The Baptists broke into the scoring in the second half, but by now the Newman Club was really rolling and there was no hope left for the losers.

For the victors, it was the presence of height. Bob Kroenke led the scoring for Newman Club with 14 points. Bill Griffin and Jack Wierline each added nine to the winning total. Ray Johnson was tops for the Baptist House, getting eight points.

The Lutheran Student Association, pre-season challengers to the Catholic hold on the crown, found a rough opponent in the University YMCA and had to fight all the way to win, 41-30.

The Lutherans led practically all the way, but the margin was never insurmountable at any point in the game.

Lee Stauffer was the top scorer in the contest with a night's effort of 15 markers. Team-mate Glen Johnson was right behind Stauffer, getting 13 counters. For the Y it was Simpson and Lubeck, both notching nine.

In the other Denom clash, a strong InterVarsity outfit crushed the Methodist Student House by a 33-12 tally.

The I-V men were in complete command all the way and practically put the game on ice in the first half when they were leading 19-5.

The Methodists found the going just as rough in the second half as InterVarsity coasted to the win.

Lucht poured 18 points through the hoops for InterVarsity lead the scoring. Lucht's total is currently the individual high in any game in this infant season. The previous high was 17 by Vern McKenzie of Delta Chi, Dec. 7, when Delta Chi blasted Acadia, 50-18.

Rundle topped the Methodist scoring with five points. In the only Independent clash of the day, Phi Delta Phi flat-tended the Dental College Freshmen, 44-24. This game, too, was close only at the beginning as the PDP's were hot right at the beginning whistle.

The Phi Delta Phi's poured 29 points through the nets in the first half, more than the losers got the whole game.

Ten points was taken down by the game's top score who was McArthur of the winners. Kelley led the Dental Fresh with six.

In fraternity "B" competition, Sigma Phi Epsilon and Delta Tau Delta put on a thriller-diller all the way through. The Sig Eps Bees came from behind to win this one, 22-21.

The Delt took control of the game at the start and in a slow moving affair, held a 14-10 half-time margin. The Sig Eps fought back in the second half in the form of a strong defense which allowed the Delt's but seven points.

With this defense, 12 points are what the Sig Eps needed to win and 12 points are exactly what they got.

Ray Mladovich was the game's top scorer with 12 points for the losing Delt. Russel led the Sig Eps with seven counters.

In another game that stayed close throughout the play, Beta Theta Pi "B" defeated Phi Kappa Psi "B" by a 26-20 score. It was team play all the way for these two outfits as fourteen men broke into the scoring column.

High point men for both teams netted six. Dave Noble for the Phi Psi's and Reynolds for the Betas grabbed this honor.

In the most one-sided affair of the day, the Bees of Farm House and Brown Palace battled with the Farm House cagers coming out on top to the tune of 31-9.

It was the Aggies all the way as the Palacers never got into the game. Another Reynolds was at the helm of the winner with 14 points. Bob Swanson topped the Palace scoring, getting a night's total of six.

Phi Gamma Delta "B" scored as much in the first half as Beta Sigma Psi "B" did the whole game as the Fiji Bees won 23-13. The 13 points in the initial half assured the Phi Gams of no worse than a tie and the half-time score stood at 13-7.

The Fijis continued to keep the upper hand during the remainder of the fray, outscoring the Beta Sigs 10-6 in the final half.

Paul Grimm was the top scorer of the game with six points, all coming on free throws. Bert Holthus garnered five for the Beta Sigs.

In the final game of the day Sigma Chi "B" dropped Delta Upsilon "B", 26 to 10. Leonard was top man as far as scoring went in the game with eight points for the Sigs. Alexander contributed four to the DU total.

Week, Doran Face 3 Games

Jim Doran and Bill Weeks, the brilliant passing duo from Iowa State, thought they were through with football Nov. 25. Today they face three more football games before they can call it quits for the year.

Both have been announced as members of the West team in the annual East-West Shrine game Dec. 30. Today it was learned that both had been invited to take part in the fifth annual Hula Bowl games in Honolulu, Hawaii, Jan. 7 and 13.

The Honolulu games are sponsored as benefits for the Honolulu Boys club. Ernie Case, former UCLA quarterback, is the coach of the all-star aggregation which will represent the American mainland.

In addition to the three games in which they will participate, Weeks and Doran will also be guests of the Shrine at the annual Rose Bowl game in Pasadena, Jan. 1. They will fly to Honolulu the following day.

'Happy' Ousted But Not Out as Tension Mounts

Baseball commissioner Happy Chandler was ousted but not out. Chandler, himself, made clear today. Chandler refused to resign his position before his contract expires, that happens in May of 1952. Chandler announced that he would serve to the "last second."

The 16 major league club owners voted unanimously to "select and elect" a new baseball czar to replace Chandler as soon as practicable.

There is considerable doubt whether he will finish his term. Both leagues announced no attempt was made to buy up the contract, however.

The owners who took this drastic action late Tuesday said committees will be named soon to consider candidates for the job. No names were mentioned officially but leading possibilities were Ford Frick, National league president; George Trautman, head of the minors and Warren Giles, president of the Cincinnati Reds.

The action followed by 20 hours the failure of the club owners to vote Chandler a new contract. Three ballots were taken and Chandler failed to win the necessary 12 votes on any of them.

When Chandler heard what the club owners had done, he resigned, then changed his mind. Big league baseball sources said Chandler's ouster came because of his demand on a new contract. However, there has been a campaign brewing against him for some time.

Chandler vowed in a statement that he would not step down. He insisted he would serve out his term until the "last second."

It is feared that if Chandler holds fast to his threat, he may cause trouble for all. The commissioner has sole authority to remove anyone from the game of baseball and if Chandler saw no other way, he could remove those who are evidently against him and win in another ballot.

This could ruin the entire national past-time, but it is legal under present baseball rules. Chandler, former governor and U. S. senator from Kentucky, emerged from the closed session sometime before the owners' announcement. His only statement then was: "I have nothing to say."

He appeared before the owners himself to make a plea for his job. Chandler succeeded the late Judge Kenesaw Mountain Landis in 1945.

High Jump, 880 Prelims Run Off

Sigma Chi, Field House, and Presby House continued to pad their lead in the number of qualifiers in the intramural indoor track and field meet Tuesday as the preliminaries of the high jump and the 800-yard run were run off.

The Sigs qualified four men in the two events. Presby qualified two and the Field House, two. Sigma Alpha Epsilon and Alpha Tau Omega each qualified two in the fraternity division.

Only two divisions qualified in the high jump, no one from the Denominational class entering. Only Tom Carodine, jumping for the Field House, qualified in the Independent class. Carodine leaped 5-9 during the afternoon which was the top mark posted all day.

Irving Thode of Phi Delta Theta and Glenn Beerline of Sigma Alpha Epsilon led the way in the fraternity division, also leaping to a height of 5-9.

Five men cleared 5-7 to qualify. They were Don Bedker of Phi Gamma Delta, Neal Prince and Downey of Sigma Chi, Moreland of Kappa Sigma and Paul Holm of Alpha Tau Omega.

In the 800 run it was ATO Hobe Jones leading the pack. Jones posted the top time of the day as he led the frat qualifiers Hobe ran the distance in the time of 2:02.9.

Bob Barchus of Sigma Chi is the number two qualifier in the half mile with a time of 2:08.1 and Jack Scoville of SAE is third with 2:08.5.

Behind the first three came TV Threatens Day Ball Games. The Ohio Wesleyan Transcript reports that "more and more small colleges in this area may be forced to the night sport, for even the most loyal backers of small college football, the students, prefer the video 'game of the day' to cheering for their alma maters."

Supporting their contention, the paper pointed out that thousands crowded around TV sets to watch Ohio State play Michigan in 1949, while only 74 rooters turned out to see Ohio Wesleyan and Otterbein play on the same day.

Hockey May Start Soon

Intramural Hockey may be well on its way becoming an I-M activity if Wednesday night's meeting is any indication.

The meeting, established to see how many men and organizations are interested in the sport, was termed a success by all those attending.

In all, 11 organizations and several independent men voiced their desire to participate in intramural hockey.

Discussed during the meeting was the possibility of limiting the equipment for each player on the ice with the exception of the goalie who could wear as much equipment as he saw fit. It was thought that this way the cost of equipping the players would be vastly reduced and that if all the players were equipped the same, there would be less rough play on the part of individuals.

Russell Sporting Goods company has stated that they will allow up to a 30 per cent discount on all equipment purchased there if the purchaser intends to participate in intramural hockey.

It was also stated that the city of Lincoln has stated that any city ice would be made available at any time for the hockey games.

During the meeting it was moved and seconded that a hockey board be set up to further explore the possibilities. Each organization, whether fraternity or non-fraternity, that intends to participate in competition will have two members representing them on the board.

Chairman of the board was elected by those in attendance at the Wednesday night meeting. Tom Beal of Omaha and representing Delta Tau Delta fraternity was elected the chairman. Beal has had contact with organized and amateur hockey in Omaha and was decided to be the logical choice.

The board will report to C. E. Miller, director of Intramural Sports, immediately upon arriving on all conclusions. With a definite list of teams and men that will participate.

There will be a meeting for all interested in playing intramural ice-hockey this Sunday at 7 p.m. in the Union. Each organization is asked to send two representatives and all men who wish to compete independently are urged to attend.

I-M Wrestling Starts Action; Phi Gams, Betas, Sigs Lead

Leading thus far in the first round of intramural wrestling, and looming as the team to beat, are last year's wrestling champs, Phi Gamma Delta.

The Fijis have thus far placed four men: Grapplers Bob Duis and Ed Gross in the 157 lb. wt. class, Emerson "Milehigh" Scott in the 177 lb. wt. class, and big "Punjab" Paul Grimm in the heavies.

Close behind the Fijimen, are the high flying Betas, with three first round qualifiers. Husker gridsters, Tom Harper and Larry Carney both made fine showings as they won handily in the 177 lb. class, while Beta Tom Weeks won a very close match from Jack Paap.

Here are the rest of the results as of last night. In the only 136 pound match of the evening, it was Delt Glen Nelson out-pointing Beta Dave Avery in a very close match 7-6. Time 6:00.

One hundred forty seven pounders Wayne Hunt, Sigma Nu and Sig Eps Gene Heddon fought it out, with Heddon winning with a quick pin early in the third period, Time 4:40.

Sig Chi Eldon Schafer and S.A.E. Bill Huber locked horns in the first of many 157 pound tussels, with the outcome a victory for Schafer late in the second period, Time 3:30.

Also seeing action in the middle weights were ATO Darrell Hun and the Phi Gam Bob Duis. Duis won handily with a quick pin in one minute forty-three seconds of the first period.

Harold Dietrich beat Beta Pete Hinzelman in a hard fought match, but Dietrich had the know how and pinned him in 1:56 of the second period.

Delt Barney Sprague took a close decision from Harlan Weiderspan, Time 4:30.

Fys Ed Gross took over Beta Bob Foute in a hard fought contest, and pinned him in 5:35 of the last period.

Delt Tom Hopkins into camp in 5:47 of the last period. While Ind. Jack Field pinned Delt Neil Hoppens quickly, 1:21, in the first period.

The last of the 177 pounders saw Darwin Dahl out pointing Beta Keith Munly 3-0 while Tom "I'll Kill Ya" Harper outlasted a stubborn Delt, Waldo Berg to win a decision, 4-2. Time 6:00.

The only heavy weight battle of the evening saw two 240 lb. huskies, Fiji Paul Grimm and Delt Keith Fiene pitted against each other in a terrific struggle to the end. After titanic and heroic efforts on each man's part, "Punjab" Grimm finally arose the victor in a very close, 10-8 duel.

Campus personalities who were watching the "pinnings" from the side lines, included such notables, as Rocky Mueller, Herb Reese, Naughty boy Hemington, Jerry Mapes and Don Bloom.

Grand Island Honors Bob

Bobby Reynolds, Grand Island's favorite son, was paid homage by that city Tuesday night when 200 members of the Riverside Country club honored the Husker's All-American.

Bob Davis, University of Nebraska backfield coach, gave the principal talk, lauding Reynolds not only as an outstanding athlete but as a clean living lad who has taken everything in stride.

Reynolds was presented a gold football and certificate, emblematic of the Football Writers Association and Look Magazine All-American selection. Bobby, named an offensive halfback, was presented the awards by Walt Dobbins, sports editor of the Lincoln Journal Newsapers.

It was also announced that Bobby has received the award of "Athlete of the Year" presented by the Los Angeles Times. He will accept the honor in Los Angeles in late December. He will also take in the East-West and Rose Bowl football games.

Bobby has just returned from New York City where he was on the radio and television on the "We the People" program for being named to the Look All-American team.

At Grand Island, Bobby accepted a portable radio as a gift to go along with the television set he received for being the nation's top scorer.

Cyclones Have 14 Track Meets

One of the most ambitious track schedules in many years has been arranged for the 1951 Iowa State team, it was announced today by Louis Menze, director of athletics.

The Cyclones will take part in six indoor meets and eight outdoor contests including the Big Seven meet which will be held at Columbia.

The 1951 track schedule for Iowa State: Indoor Jan. 27—Nebraska at Lincoln. Feb. 16—Missouri at Columbia. Feb. 26—Drake at Des Moines. Feb. 23—Kansas State at Manhattan. Mar. 2-3—Big Seven meet at Kansas City. Mar. 31—Perdue Relays at LaFayette.

April 14—Texas Relays at Dallas. April 21—Kansas Relays at Lawrence. April 24—Iowa Teachers at Cedar Falls. April 27-28—Drake Relays at Des Moines. May 5—Colorado at Ames. May 8—Drake at Ames. May 12—Chicago at Ames. May 15-16—Big Seven Meet at Columbia.
