Sigma Alpha Epsilon is the number one team in intramural basketball in the first of the weekly ratings. The Sig Alphas are boasting a two win, no loss record to gain the top spot.

The SAE's toppled Sigma Nu and Phi Gamma Delta in their first two outings and by convincing scores. The Nu's fell before the SAE cagers, 21-30 while the Fijis were handled, 30-43.

Right behind the Sig Alphas and in the number two spot of the University is Phi Delta Theta. The Phi Deltas have a common record with the SAE's, 2-0.

Defending All-U champion, Alpha Tau Omega, was the first to feel the Phi Delts power and bowed, 39-31. Sigma Nu was the next team on the list and suffered 26-33. The only margin of comparison between the Phi Deltas and the top ranked Sig Alphas were their clashes with Sigma Nu.

### Newman Club Third

Defending Interdenominational champion and currently terrific, Newman Club, is holding down the number three position in the first rankings. The Catholics brushed the Baptist Student House by a 43-13 score for their initial win.

Another fraternity "A" outfit, Sigma Phi Epsilon, rests on the fourth rung. The Sig Eps are all victorious in two contests.

They took care of Delta Tau Delta, 33-15 in their first try and thrashed Sigma Chi in their second outing, 34-12.

InterVarsity, a strong Denom team, is running in fifth place in

this first week. The I-V men triumphed in their initial start with little or no trouble by crushing the Methodist House, 33-12.

The top Independent team, Ag Extension Annex is rated sixth this week. The Aggies are winners of two contests in the Ag College league. Their wins are over Ag Student Center, 33-19 and over Vocational Agriculture.

**Kappa Sigs Seventh**

Kappa Sigma grabs on to the number seven spot this week. The Kappa Sigs, also have two victories under their belts. Included in the victims are Delta Upsilon, 26-25 and Alpha Gamma Rho, 32-24.

The Bees of Beta Sigma Phi are ranked number eight in the first ratings. The Beta Sig Bees won handily over Phi Gamma Delta "B" in their opener, 23-13.

Another Independent outfit holds down ninth place, Phi Delta Phi, the law fraternity smashed the Dental College Freshmen in their first game to hold ninth. The score in that game was 44-24.

Rounding out the top ten teams in the University this week is the Lutheran Student Association with a 1-0 record. The Lutheran opened their Denominational play by trouncing the University YMCA, 41-30.

Ranking behind the Newman Club, InterVarsity, and the Lutherans in the Denom division come the University YMCA and Methodist House. Both have lost their opener, but to the number two and three teams.

### Fraternity "B"

In fraternity "B" ratings, fol-

lowing the top ranked Beta Sigs, comes the Bees of Phi Kappa Psi. The Phi Psi's won their first contest from Beta Theta Pi, 26-20. The Betas in losing, however, get aboard in eighth position.

Third place goes to Sigma Chi. The Sigs took care of Delta Upsilon in their opener, 26-10.

The Bees of Sigma Alpha Epsilon hold tight to the number four spot. The SAE's walked over Sigma Nu, 17-12 in their opener.

Farm House rounds out the first division in the "B" ratings in the number five slot. The Aggie Bees dropped Brown Palace, 31-9.

Sigma Phi Epsilon is in sixth place. The Sig Eps won their rating with their 22-21 victory over seventh place Delta Tau Delta.

Eighth, ninth, and tenth places went to Beta Theta Pi, Phi Gamma Delta, and Sigma Nu.

### City YMCA Third

In the Independent division, following the Ag Extension and Phi Delta Phi, comes the City YMCA. The City Y men thumped the Dusters, 27-18 to place third.

The Dorm A Stars take home the fourth position with their 32-26 victory over the Dorm A Comets.

Rounding out the first division is defending champion Sigma Gamma Epsilon. The Sig Gams dropped Alpha Sigma Phi, 39-26 in their first outing.

In the second division are the Gunners, Lilies, Nebraska Co-op, Rinkydinks, and A.S.M.E.

The Gunners won their opener 18-12 from the Pluggers while the Lilies hit the Pirates, 27-21. Nebraska Co-op triumphed over the Pill Rollers, 19-16 and the Rinkydinks edged Dorms B & C, 29-28. A.S.M.E. took a one-point decision, 21-20, from Phi Alpha Delta.

### Phi Psi's Next

Alpha Tau Omega, with a one-win, one-loss record, is the sixth-place fraternity "A" team. The Taus lost to the Phi Deltas in their opener and then hit Beta Sigma Psi, 32-22.

An international soccer match in France was suddenly called off when the Pavie team captain swallowed the coin the referee had tossed and had to be hospitalized for surgery.

The State Prison basketball team of Walla Walla, Wash., was playing another team at the Y.M.C.A. there when it suddenly found itself short one guard. Upon investigating, officials discovered that one of the prison players had made his exit while the teams were sweeping down the floor. It was the best "fast break" play of this year's game season.

Nebraska's basketball followers are keeping a close watch on a certain Teachers High case player these days. His name is Stan Matzke and his sensational scoring record and height stamp him as outstanding prospect for Harry Good's varsity squad in a couple of years.

Most major league managers worry over whether their pitchers can fool opposing batsmen, but Bucky Harris, skipper of the Washington Senators, isn't concerned with such trifles right now. His main concern is trying to find an interpreter for this four Cuban throwers. None of them can speak a word of English.

John Mize, slugging hero in the stretch drive of the New York Yankees last summer, signed a one-year contract with the Yanks for the 1951 season at an estimated salary of \$25,000.

## Val Warns Okies To Be On Guard

Nebraska Governor Val Peterson's first official announcement upon his arrival in Oklahoma City, Okla., last Friday was his prediction that Nebraska will beat Oklahoma in football next year.

"We're hoping we can liquidate you when you come to Lincoln next November, and I think we can do it. If we'd had Bob Reynolds instead of one, you wouldn't be national champions today."

Phi Psi's next

Phi Kappa Psi ranks as the fifth place team in the fraternity "A" ratings this first week. The Phi Psi's have won their first two encounters, beating Pi Kappa Phi, 44-22 and slipped past Brown Palace, 27-25.

Alpha Tau Omega, with a one-win, one-loss record, is the sixth-place fraternity "A" team. The Taus lost to the Phi Deltas in their opener and then hit Beta Sigma Psi, 32-22.

# ZBT "Slams" Delta Sigs in Rough Contest; Phi Deltas Win

Delta Sigma Phi missed their three tries for extra points Friday in their "football" game with Zeta Beta Tau and the ZBT's thereby won, 21-18. The Zates went out on the basketball court, found themselves a round ball, and then forgot what game they were supposed to play.

The ZBT win goes down in the cage record books, but many grid games will fall shy of that affair in the rough stuff.

ZBT Arnie Stern smashed through the center, for the final tally that topped his evening's total to ten, the best performance on the floor. Meanwhile, Delta Sig Bob Hallock was making good gains off tackle. He scored eight points for the losers.

The referees seemed reluctant to call any fouls although they did exert themselves to calling three "miscues." At least ten disqualification fouls were present, but not "seen." The only boy who didn't get into the "foul-affair" was the scorekeeper.

Meanwhile, other teams played basketball.

Sigma Nu, still smarting from a defeat at the hands of the Sig Alphas in its season's opener, was dealt another serious blow to its title aspirations when it suffered a 33-26 loss to Phi Delta Theta. The Phi Deltas, led by Chick Battey and his 20 points were in command throughout and the contest was never in doubt. The win stamps the Phi Deltas as one of the teams to beat as far as All-University play is concerned, they having defeated last year's champs, Alpha Tau Omega, 39-31.

**Sig Eps Roll**

Sigma Phi Epsilon, the surprise team so far of the 1950-51 season, continued on its merry way Thursday evening with a 34-12 rout of Sigma Chi. It's the second win for the Sig Eps, the other victory being over Delta Tau Delta. Art Hansen hit consistently on jump shot to keep the Sigma Chi defense scrambling all the time. The Sig Chi's, boasting plenty of height and talent, lacked teamwork and so were unable to cope with the smooth-working Sig Eps five. Hansen was the leading point-getter for the Sig Eps, collecting 11.

A high-powered Sigma Alpha Epsilon rode herd over a stubborn Phi Gamma Delta in a battle that ended 43-30, in favor of the Sig Alphas.

The scoring punch of the Sig

Alphas this year comes not from one or two players, but from the whole team, any one of them likely to be high point man.

The Sig Alpha defense completely bottled up Gerald Robertson, the Fiji ace scorer, and the rest of the team couldn't carry the load. John Leach was tops for the winners with a total of 11 points.

**Deltas Bounce Back**

Delta Tau Delta, still reeling from its defeat by the Sig Eps took its revenge out on Delta Upsilon, thoroughly lacing the DU's by a 52 to 21 score. George Paynich collaborated with Elmer Vandel to completely shatter the DU defenses. Both Paynich and Vandel ended with 15 points. Beecham was all the DU's had to offer as an offense, he collecting 8 counters for the evening.

**Alpha Tau Omega, bouncing back from its defeat at the hands of the Phi Deltas, crushed winless Beta Sigma Psi team, 32-22. The Taus, a far-cry from last year's championship club, had to play hard all the way to win.**

Kappa Sigma preserved its undefeated record with a hard-fought 32-24 win over Alpha Gamma Rho. The AGR's, trying hard for their first win after a humiliating defeat at the hands of Sigma Chi, kept pace with the Kappa Sig attack for three quarters only to falter in the final 10 minutes of play. Minikus was high for the winners with 12 while Gauger collected 11 for the losers.

**Aggies Win**

Farm House hit the win column for the first time this year with a 39-30 victory over Beta Theta Pi. It was the first defeat for the Beta's. Farm House rode to an early lead and spent the last part of the game protecting that lead. J. Weber led the Farm House attack with 12 points while Rocky Yapp hit seven for the losers.

**Cornhusker Co-op overcame a Sigma Alpha Mu lead and went on to post a 33 to 25 win. The Co-op boys were cold the first half, warmed-up to the occasion the second half to master the situation. Litteras contributed 10 points, mostly on long shots.**

The Veterans, realizing the "odds" were against them, nevertheless rolled to a 23-20 victory over the Bookmakers. The Veteran's strategy of wearing down their opponents and then applying the crushing blow paid

off as their two-platoon system kept the Bookmaker's defense working overtime. Torrens, both a defensive and offensive player, led the Veteran's attack with 9 points. Gillas collected 6 for the "Bookies."

**Extension Annex Goes**

Ag Extension Annex defeated its chief rival, Ag Student Center, by the decisive score of 33-19. The taller Annex boys controlled most of the rebounds and the outcome was never in doubt. Hermanson made 10 points for the winners and Hoas 6 for the losers.

Phi Kappa Psi kept its victory strings intact with a narrow 27-25 over a good Brown Palace team. The game was a thriller—all the way as both teams battled to the end. Three men, Jack Ladds, Don Frei, and John Anderson, all finished with 7 points. Mel Williams was tops for the Palaces with 9 points.

**Pi Kappa Phi won its first game of the season over an improved Theta Xi outfit. The final score read, 27-24. It was the second narrow loss in a row for the Theta Xi's, they having lost to Beta Theta Pi last week, 27-26.**

The Pi Kaps used a high-scoring second quarter to do most of their damage. The collected 15 points during that period. Loerch collected 8 points to pace his team to victory while the losers were led by Bole with 7.

## I-M Track Prelims Finished; Beerline Stars; Sigs Lead

The 1950-51 Intramural Track and Field Meet preliminaries have been completed and just listen to some of the astounding things that have happened.

Altogether, nineteen intramural records have been broken and six others tied. If this isn't evidence enough of the caliber of competition in this year's meet, look at these additional facts. Twelve men have marks better than existing records and another nine tied present records.

The greatest assault on the record books came in the Fraternity division where every mark in the running events was erased, with the exception of the 50 yard dash and the 60 yard low hurdles. The 50 record was tied by three runners in Friday's semifinals.

Some of the outstanding performances of the meet:

Glenn Beerline—credited with a tremendous leap of 22 feet 11 1/2 inches in the broad jump.

**Alexander Stars**

Lee Alexander—broke three existing records in the Fraternity 50 yard dash, one lap run, and two lap run; set a new mark in the 440 yard dash with a 52.4 effort; tied the 50 yard dash record of 5.6 seconds; 6.4 clocking in the 60 yard dash was outstanding.

Presby House—making a run-away of the Interdenominational division race for team honors.

Hobe Jones—qualifier in six events—the 60, one lap, two lap, 440, 880, and 60 yard low hurdles—recorded a fine 2:02.9 in the 880 yard run; broke his own mark in the two lap run with a sensational 62.7.

Other good marks were recorded in preliminaries of the broad jump which were held last Thursday evening. In second place behind Beerline in the Fraternity division is Irv Thode of Phi Delta Theta. He had a leap of 21 feet, 11 inches, which is very good. Neal Prince, Sigma Chi, and Don Bedker, Phi Gamma Delta, are in a third place tie with leaps of 20 feet 8 3/4 inches. Behind them are Jack Scoville, Sigma Alpha Epsilon; Marshall Kushner, Zeta Beta Tau; and Eldon Park of Delta Tau Delta.

Cliff Dale, Field House, tops the Independent division with a jump of 19 feet 3 inches. Harvey Goth, Field House, is in second place with 18 feet 11 1/2 inches.

**Stansbury Tops Denom Broad Jump**

Dick Stansbury, representing Lutheran Student Association, is tops in the Interdenominational division with a leap of 19 feet, 11 1/2 inches. Bill Giles and Harold Sampson, both representing Presby House, are second and third, respectively.

The best effort in each division of the broad jump will stand as a record—as this is a new event on the indoor program this year.

In the semifinals of the 50 yard dash held last Friday, Sigma Phi Epsilon and Sigma Chi came out on top, each qualifying two men for the finals. Three heats were held in this event, and the winner's time in each heat was 5.6 seconds, tying the intramural record set last year by Al Hruby of Phi Delta Theta.

Winners of the three heats were Lee Alexander of Sigma Phi Epsilon, Wayne Whitaker of Sigma Phi Epsilon, and Dan Tolman of Sigma Chi.

Finals begin after the Christmas holidays, commencing Jan. 8 and lasting through Thursday, Jan. 11. Finals in six events will be held the last day and will include an evening performance.

### Sig Chi's Increase Lead

Sigma Chi maintains a sub-

stantial lead over Alpha Tau Omega and Sigma Phi Epsilon in the Fraternity division race.

These points are figured on a 7-5-4-3-2-1 basis, and times in the preliminaries are considered as final marks. If every contestant in the meet would finish in the same order in the finals as he did in the prelims, the Sigma Chi's would have a total of 65 1/2 points.

Alpha Tau Omega would be in second place with 53 17/18 points, as compared to third-place Sigma Phi Epsilon's 53 17/18. The Sig Eps, showing power in Friday's semifinals of the 50, gained a little ground on the Taus.

Sigma Alpha Epsilon, scoring heavily in the broad jump, climbed into fourth place, ahead of Phi Gamma Delta, with a total of 31 5/18 points. The Fij total is 26 1/2 points.

Trailing the leaders are: Phi Delta Theta, 13 4/9; Cornhusker Co-op, 7 4/9; Sigma Nu, 4 2/3; Kappa Sigma, 2, and Zeta Beta Tau, 1.

Campus Interviews on Cigarette Tests

Number 9...THE MARSH HEN

"For a while they had me swamped!"

Seems like this confused fowl got mixed in a metaphor and was almost turned into a guinea pig. The story goes she got caught in a welter of quick-trick cigarette tests... one puff of this brand, then a puff of that... a sniff, a whiff—a fast inhale and exhale. And then she was supposed to know all about cigarette mildness! Is that the way to treat a lady?

And is that the way to judge a cigarette?

We think not. That's why we suggest:

The sensible test—The 50-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke—on a pack after pack, day after day basis. No snafu judgments needed. After you've enjoyed Camels—and only Camels—for 30 days in your "T-Zone" (T for Throat, T for Taste) we believe you'll know why...

**More People Smoke Camels than any other cigarette!**
