NU Mat Team Opens Against Oklahoma A. & M. Saturday

The University of Nebraska's wrestling team will open its 1951 season against a powerful Okla-homa A. & M. squad Saturday evening, Jan. 13.

This year the Husker mat squad is under the capable di-rection of Al Partin, who as-sumed the Varsity wrestling cooch early last fall. Coach Partin is in his first year as head coach, but his experience in college wrestling is of the best.

Partin won both the National A.A.U. and the Collegiate Championships while wrestling for Cornell, a school known for some great wrestling teams. Tryout Are Completed

Tryouts have been held among the members of the squad the past two weeks to determine the line up for the Cowboy match. Partin admits that Oklahoma A. & M. is not quite the powerhouse of old, but still ranks them as one of the top five college teams in the country.

Six lettermen and two promising sophomores will lead the Huskers. Two lettermen, Louie Caniglia and Al Johnson, were defeated in pre-meet tryouts and will not compete against Okla-homa A. & M.

Competition within the differ-ent weight classes is the most spirited ever, and Coach Partin feels that if a key performer can-not make the required weight, there will be another man almost as good to replace him. 123 Lb. Class Loaded

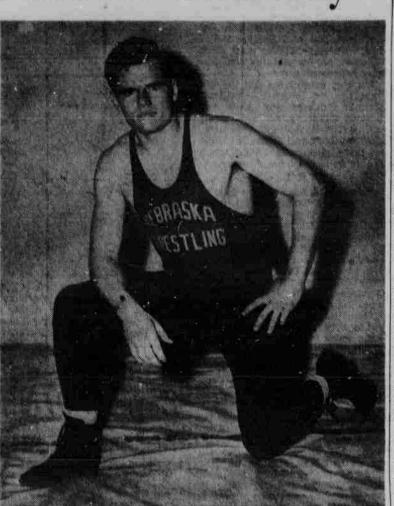

The 123 lb. class is loaded this year with four hopefuls fighting it out for a team berth. They are Lou Caniglia, Jim Ferris, Don Bean, and Ken Brown. Brown opener. defeated Ferris yesterday for the right to represent this weight division against the Cowboys.

Vandy Alumni Seek Franklin

Marvin "Preacher" Franklin, jr., assistant football coach at the University of Nebraska, has been in Nashville, Tennessee, the past two days conferring with a group of Vanderbilt alumni. The Nashville Tennessean said

the former Vanderbilt football star went there for talks on whether he will succeed Hill Turner as secretary of the Van-derbilt Alumni association.

Turner has said he plans to retire. Franklin, a native of Birmingham, Ala., was captain of the school's football in 1938. He was a member of the Yale coaching staff for several years.

Alpha Tau Omega, Sigma Alpha Epsilon, and Phi Gamma Delta trail in that order with 7, 6, and 3 points respec-

tively. The going promises to be rough for the leaders as Sigma Chi is grouping its forces for an all out counter-attack.

The Sigs appear certain to pick up valuable points in the hurdles, high jump and pole vault while the leaders have but one entry in these events.

Alexander Stars Again.

In the 50-yard dash finals, Alexander, running in stockinged feet led the rest of the field to the tape in the good time of 5.6 seconds. This was only an indication of what was to come, how-ever, as he finished Monday night's action by copping the one-lap run in 28 seconds flat.

Tolman and Barchus, both of Sigma Chi, finished in a dead heat for second place in the 50, and Tolman shared second place honors in the one-lap run with Wayne Whitacre of the Sig Eps. Jack James, running for the Phi Gams, finished fourth in the short sprint. Whitacre was fifth and Jack Scoville, Sig Alph, sixth

In the one-lap run, Barchus, Scoville and Hobe Jones, ATO, finished fourth, fifth, and sixth,

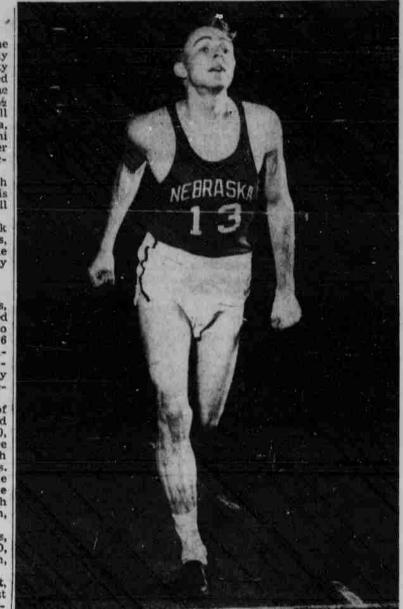

respectively. The best race of the meet, however, was saved until last night and the running of the twolap run. This race was run in two heats to eliminate the unnecessary crowding that would have occurred if six runners had clashed in the same heat.

Brilliant Stretch Drive

Alexander took the lead at the gun and fought off a brillant stretch drive by Jones to win in 62.3 seconds, a new record, the old one a 62.7 effort by Jones in the preliminaries. Actually, both runners set the record, as the time was the same for each. Credit for the record, however, goes to Alexander who won by not more than 10 inches. . Field House appears to have

Hockey Play Begins; Taus, Theta Chi Win Tuesday marked the opening

of a new event on the Intramural program this year, ice hockey, and the enthusiasm shown in the first day's competition indicates that the students want this to become a permanent part of the I-M program.

Sixteen teams have been formed into four leagues of 4 teams each. Each team will play but three games in their respective leagues because of the short season, but immediately after the Commandoes Play league play a single elimination tournament will decide the All-University champion.

Helping to inaugurate opening were four teams. Alpha Tau Omega faced Delta Sigma Phi and Theta Chi played Beta Sigma Psi.

Theta Chi managed a narrow 2-1 victory over the Beta Sigs in a hard-fought defensive game.

Futcher was the scoring ace and play-maker for the winners, scoring one goal unassisted in the 2nd period and getting an assist on Clausen's tally which also came in the second period.

The Beta Sigs held a 1-0 lead at the end of the first period on a goal, Huebner from Ostwald.

Although play was rough, only two penalties were called. Lytle was sent to the penalty box two minutes for playing with a brok-en stick. Flicker, of the Beta Sigs, was penalized two minutes for handling the puck. The refe-rees did a fine job directing the game, heolding argumnts and rough play to a minimum.

The Alpha Tau Omega-Delta Sigma Phi clash ended as a deci-sive victory for the Taus, 11-1. The only Delta Sig score came in the second period on a shot by

The ATO's, showing plenty of speed and teamwork, worked their way to a 4-0 lead in the first period and coasted from there on in.

Haman provided the spark for the Tau attack, collecting four goals during the contest. Dunn and Cady added two apiece for the winners. Perry and Saggau also banged in goals for the vic-torious Taus.

Stan Musial, St. Louis Cardinal slugger, said Sunday he is ready to join other mauor league stars in an overseas jaunt to entertain American occupation troops in Germany.
