Swimmers, Gymnasts, Matmen Leave on Colorado Jaunt

BY BILL MUNDELL

Three Cornhusker teams that are taking the Nebraska colors westward on a five-day tour of Colorado leave Lincoln at noon today.

All three Scarlet teams will face Denver and Colorado universities, the mermen and gymnasts tangle with Colorado State.

Coach Hollie Lepley is taking 12 men along to vie for swimming honors. Captaining the splashers in their first meet with Denver will be Bill Greer and Bob Phelps.

Balderson, Healey Coach Lepley will send Buel Balderson and Pat Healey into the meet in the backstroke event. In the sprints he will have Ted Kanamine and Tom Harley while competing in the distance events will be John Desmond and George "Doc" Hill.

From Denver the swimmers will go to Boulder to meet the tough Colorado Buffalos. The Buffs are expected to furnish the toughest competition of the trip for Coach Lepley's tankmen.

From Boulder they journey to Greeley where they will engage Colorado State and Colorado A. & M. in a double duel and triangular meet or three meets in all at Greeley.

Coach Jake Geier and his gymnasts precede the swimming meet at Denver with a duel scheduled at 2:30 p.m. Thursday.

Eight Men Coach Geier will have eight men at his call in the three meets. Scheduled to compete in the side-horse event are Bob Yarwood, Art Hillman, and Captain Al Dunavan.

On the High-bar he will send Hillman, Paul Hughes, and Dunavan in action with the possibility that Bob Norton may get into the act. Norton also has a

chance to slip in on the flying-rings which is slated for Hughes, Jerry Tubbs, and Dunavan.

In the tumbling event Coach Geier is sending Ira Epstein, Tubbs, Dunavan, and possibly Hughes into the fray while he has Dunavan, Tubbs, and Eddie Craren in the trampoline tussle.

Eddie Craren will be the busiest boy of the week on the tour. He will be competing in the diving, in all four swimming meets and will carry the Husker colors onto the trampoline in the three gym battles. And to top it all, he is expected to take first place or come mighty near it all seven times.

Four Lettermen Dunavan and Hillman will lead the way for the gymnasts as two-year lettermen, while Hughes and Yarwood have earned a letter one year each.

Craren will be competing as a senior while Tubbs, Epstein, and Norton are all sophomores. The Huskers will not be at full

strength as Paul Hughes will still be handicapped with a broken thumb. Hughes was expected to miss both the Minnesota meet last Saturday and most of the action on the Colorado trip, but with his thumb tightly taped he picked up a couple of points in the Gopher tilt and has the determination to do even better in the western jaunt.

The Gymnasts will travel with the swimmers to Boulder for their second meet and from there to Greeley for their third match. The Buffs of Colorado are expected to be the big obstacle for the Scarlet strongmen. The Buffaloes are the defending All-College champs and appear to be just as strong as ever this year.

Wrestlers in Action. The Husker wrestlers, under the direction of Coach Al Partin, will also meet Denver Thursday. Their meet is scheduled for 7 p. m. Coach Partin is taking 11 men westward to wrestle in the eight

weight classes. Louis Caniglia will be the Nebraska hope in the 123 pound class while Harold Gilliland will be the Husker in the 130 pound class. Perry Leitel will shoulder the NU burden in the 137 pound class.

Two men in the 147 pound class are making the trip and both Bob Russel and Bill Jones are expected to see action.

Ed Lane will carry the Husker colors into the 157 pound match while two men, Donald Rauh and Dave Mackie will be on hand for the Cornhuskers in the 167 pound class.

Harley Richardson is the Cornhusker in the 177 pound match while Heavyweight Herb Reese will give the Huskers a lift in that class.

Lane, Reese, Caniglia.

Partin is depending on Lane, Caniglia and Reese to provide the stiffest competition for the Coloradoans. Reese was the only Husker to produce a win in the Huskers' opener with Oklahoma A & M and has a good chance of bringing home a couple of more first places. His toughest competition is expected from the Colorado university heavyweight.

Lane and Caniglia are dependable veterans and Coach Partin thinks that Lane, in particular, is one of the most improved matmen on the Husker squad this year.

After the Denver and Colorado matches, the grapplers will head north to Laramie to meet the Wyoming Cowboys.

Call is Out for Sports Writers

All persons interested in writing sports for the Daily Nebraskan are asked to contact Bill Mundell in the next couple days.

There is room for several reporters who are interested in sports. The only requirement at present is that you have some free hours in the afternoon during the week.

All those interested in working or finding out more about the work are asked to come to the Rag office in the basement of the Union. Mundell will be at the sports desk every afternoon from 1-2 p. m. and 3-6 p. m.

Workers are needed on the editorial side of the Cornhusker. Anyone interested please report to the Cornhusker office between 2 and 5 p. m. any afternoon.

I-M Basketball Powers Roll On; Upsets Spice Monday's Action

The number one, three and five teams in university intramural basketball continued on their merry ways Monday night as the I-M cage sport resumed its activity. Phi Delta Theta, Sigma Phi Epsilon, and Phi Kappa Psi all roared through their respective matches with comparative ease in winning their fourth straight games.

The top-ranked Phi Dels were held to the closest margin of the three tussles as they dropped Beta Sigma Psi by a 36-22 score. With Chick Battey and Tom Ledingham leading the way, the Phi Dels ran up quarter leads of 6-2, 15-7, and 22-15 before slapping the pesky Beta Sigs down for good in the final stanza.

Battey was top man in the scoring column with 14 points while Ledingham ran a close second with 12. Demohl topped the losing effort with ten tallies.

No Competition

The Sig Eps found no competition in Alpha Gamma Rho and ran to a 65-19 rout. The Sig Eps thus established the highest point total in this year's competition. The all-time high is 82, set by Alpha Tau Omega last year.

It was 17-7 at the first quarter and 25-9 at halftime for the rampaging Sig Eps. The AGR's were just as helpless in the third period and going into the final stanza the score stood at 40-11.

Al Hansen chalked up 22 points during the evening to run away with the scoring honors. Team-mate Kay Curtis ran second with a night's effort of 14. For the losing AGR's, it was Frost with six points.

The Phi Psi's found things almost as easy as they lambasted Beta Theta Pi to the tune of 52-28. The Betas kept things close for one quarter and fell to the slaughter. Going into the second period the score stood at 10-10, but that was the end of the comparison.

Anderson and Reynolds

Jerry Anderson and Bobby Reynolds combined to give the unbeaten Phi Psi's a push and they outscored the Betas 15-7, 16-9, and 11-2 in the remaining three chucks. Anderson topped the scoring with 13 markers while Reynolds tallied 12. Yapp was high man for the Betas with ten.

While these three powerful outfits continued their sweep, the number eight team in the university, Sigma Alpha Epsilon,

found things not so rosy. The SAE's fell before a resurging band of ATO's by the score of 33-36.

The Sig Alphas had things their way during the first half and led at intermission by a 24-18 score. Jones and Sloan went to work for the Taus in the second half, however, and the SAE lead disappeared quickly.

Jones topped the victors' scoring with 12 points as did Leach for the losing Sig Alphas. Sloan got eight for the Taus along with Shainholtz for the SAE's.

More Upsets

Another upset was in the making while the Taus were disposing of the Sig Alphas. Sigma Nu, far down in the standings, came through with a surprising easy victory over Phi Gamma Delta.

The Nu's outscored their rivals in all four quarters to take the win, halftime score standing at 18-12. Andy Bunten led the victors in the scoring with 15 points while Smith added eight. Gerry Robertson of the Fijis tallied 13 for the losers.

Kappa Sigma, ninth in the fraternity "A" ratings, were also victims of Monday night upset wins. The Kappa Sigs ran into a Delta Tau Delta buzzsaw and were stifled, 21-38.

Elmer Vandell was the big thorn in the Kappa Sig side as he tallied 13 points for the Deltas. Percy Curtis helped the losers with eight.

Pioneer House Rolls

Pioneer House, the university's ninth ranked team, ran true to form, however. The Pioneer men annexed their fourth

straight victory by downing Delta Sigma Phi, 34-19.

Held to a 10-6 first quarter score, the Pioneers broke loose in the second stanza to pile up a 22-8 halftime lead and coasted in from there.

Wes Beery, Dick Dwehus, and Don Dutcher were the big guns of the Pioneer attack and meshed 10, 10, and nine points respectively. Bob Hallock provided the best scoring effort for the Delta Sigs with a total of six.

Powerful Brown Palace, loser only to Phi Kappa Psi, rolled to an easy 47-17 victory over Pi Kappa Phi. The Palacers opened the initial quarter with a 12-point spurt while holding the Pi Kaps to five and outscored the losers from there on.

Stretlecki Paces Palacers.

Stretlecki was high for the Palacers with ten markers while Hansen added seven more points to the third Brownie win. Loerch's six points was high for the Pi Kaps.

Sigma Alpha Mu ran up an early 10-0 lead and then had to fight off a band of determined Tekes to win a 2-19 contest. Jerry Ewing led Tau Kappa Epsilon with nine points, while Weinberg scored seven for the winning Sammies.

Farm House did the expected to Theta Xi as they downed the TX boys, 32-25. The Aggies rolled to a 20-14 halftime lead and then matched points with the losers from there on in.

In the final cage game of the day, it was all Sigma Chi. The Sigs crushed Delta Upsilon by a 53-20 count.

Campus Interviews on Cigarette Tests

Number 11... THE OPOSSUM

The class clown went out on a limb and tried to prove cigarette mildness by the quick-trick method! He tried the fast inhale, fast exhale test—a whiff, a sniff—and they still left him up in the air! But then he got his feet on the ground. He learned that there is a reliable way to discover how mild a cigarette can be!

And that test is... The sensible test... the 30-Day Camel Mildness Test which simply asks you to try Camels as a steady smoke—on a pack after pack, day after day basis. No snap judgments needed. After you've enjoyed Camels—and only Camels—for 30 days in your "T-Zone" (T for Throat, T for Taste), we believe you'll know why...

More People Smoke Camels than any other cigarette!
