Three new convoys of Chinese communist reinforcements were sighted Thursday by U.N. airmen. The troops were going south into Korea from Manchuria in an effort to combat the 15-day old drive by U.N. forces. Despite the fresh counter-offensive, attacking American and Puerto Rican infantrymen drove on toward their objective, Seoul. Their advance was on the ground that was abandoned by the Chinese Wednesday and represents a three mile gain.

The communist high command brought in two new units to defend Seoul from the allied advance through west of the city. The North Korean divisions were identified as the 47th and 48th.

The navy, marine and army air forces collaborated to repeatedly bombard the front-line red troops.

Engineer Joseph H. Fitzsimmons admitted to authorities that he was traveling 50 mph. in a 25 mph. zone.

The University Foundation received \$245,088.19 in new contributions or additions to existing funds in 1950, Perry W. Branch, director-secretary, told the Foundation's Board of Trustees Thursday noon.

In a report to the annual meeting of the trustees, Mr. Branch said the contributions in 1950 compared with \$206,153.01 in 1949.

Assets of the Foundation amounted to \$832,222.10 as of Dec. 31, 1950, an all-time high, Mr. Branch said. This is an increase of \$108,547.58 over a year ago.

Fund Allotments

Funds turned over by the Foundation to the University of Nebraska during 1950 were divided as follows: Research, \$58,858.91, which includes a \$9,700 gift for purchase of cattle for Fort Robinson; scholarships, \$27,767.71; fellowships and assistantships, \$10,042.50; lectureships, \$1,093.45; books, magazines and supplies \$695.76; keys trophies and prizes \$102; furnishings for Love Memorial Library \$589.08; and miscellaneous items \$1,256.47.

In the past three years the Foundation has turned over to the University more than a third of a million dollars for these general purposes," Mr. Branch said.

"Most Americans are pleased to note that our national policymakers do not intend to put our colleges and universities in mothballs for the duration of the present national emergency," R. E. Campbell of Lincoln, Foundation president, said.

Hope Alums Remember

It is the hope of the officer of the Foundation that friends and alumni of the University of Nebraska will not forget that the University and its students need the extra funds the Foundation can provide in time of war or in peace," Campbell added.

The Foundation officers besides Mr. Campbell, all elected for two year terms at the 1950 meeting, are: Joe W. Seacrest, Lincoln, vice-president, John K. Selleck, University Business Manager, Treasurer and Mr. Branch, Director-Secretary.

Briton to Open Lecture Series On Religion

Dr. Leith Samuel, British religious leader, will open a week-long series of lectures at an Inter-Varsity Christian Fellowship meeting Monday, Feb. 12, at 7:30 p.m. in the Union ballroom. He will be introduced by Dr. Sam Fuenning. His topic will be "Is Faith in God a Delusion?"

After Samuel was graduated from Liverpool university in 1936 receiving a master's degree with a vector honorum in athletics, he entered Queens college where he studied for the Anglican ministry graduating with an L.Th. He passed his ordination exams but was not ordained.

Well-Known Lecturer

Since 1938 Samuel has conducted lecture series in universities in Great Britain and has been recognized by British educators for his work in furthering the spiritual welfare of students. He has lectured recently in western Canada, at McGill, Toronto and Northwestern universities.

The topics for Samuel's three lecture talks are: Tuesday, "Insecurity—The Vicious Circle"; Wednesday, "Truth on the Scaffold"; and Friday, "The Fifth Freedom." Meeting will be held Monday and Tuesday at 7:30 p.m. in the Union ballroom and Wednesday and Friday at 7:30 p.m. in the Campus chapel, 15th and U streets.

Each meeting will be followed by a question period at which Samuel will welcome the most controversial questions and theological problems that interest students, including atheism. Coffee and cakes will be served following the sessions.

IVCF Staff Members

Also present on the campus to work with Samuel will be United States and Canadian IVCF staff members; Paul Little from the Illinois area, Cathie Nicoll from Canada, Gene Thomas from Kansas, John Hermann from Minnesota and Ann Mary Williams from South Dakota.

These staff members will head discussion groups and be dinner guests of sororities and fraternities throughout the week. Staff members as well as Samuel will be available for personal conferences during the day.

Group Founded in England

Inter-Varsity Christian Fellowship is world-wide in scope, having its beginning in England in 1870 and spreading from there to the United States, Canada, and the Orient.

There are approximately 500 organized chapters in the United States and Canada and active groups in 21 foreign countries. The IVCF is an interdenominational organization and welcomes all students to its meeting and activities.

Bryan Johnson is president of the University chapter. He is the head of the planning committee for the current lecture series.

Duane Nelson Becomes KRVN Farm Director

Duane I. Nelson, assistant extension editor of the University for the past year and a half, has resigned to become farm service director of Radio Station KRVN at Lexington.

Mr. Nelson is stationed in Lincoln. A branch studio of the station is located in the NEI building at 13th and L. Two broadcasts daily emanate from the Lincoln studio, 12:15 p. m. and 5:30 p. m.

Crib Loses 'Souvenirs'

"Please Give Me Something to Remember You By" seems to be the theme song of many of the students who eat at the Union Crib and then take mementos of the occasion to keep among their souvenirs.

It is getting so bad, that a waiter doesn't dare turn his face away from the table for fear that even it won't be there when he turns back again.

The most popular item of these "memento maniacs" is the little green spoons, usually served with coffee. It seems that these poor little spoons have a "helpless look" (as one coed stated it). Anyway, the students always rationalize, "Who'll miss 'em!"

Menus and Corn Cob glasses have also been placed in the "missing in action" category. In fact, so many of the Corn Cob glasses were "lost" that they have been retired from active duty. Who knows, maybe menus will be the next item to be given an honorable discharge. That is, if students haven't taken them all.

Barbeque Highlight

According to Raun and Radin, there will be a barbeque to highlight the pre-show activities. This takes the place of the dance. There will be no dance this year.

Two privately owned horse acts are being contracted to add more special attraction and a wider interest in the show than was the case with last year's show which became so long that audience members became restless.
