Entries are to be mailed to the Modern Landon to the male college or university. Entries are to be mailed to the Modern Landon to the male college or university. I hope you agree with the old adage that says that isn't really news because it's old (figure that out in your spare time).

This old news concerns Harvard Lampoon's new back-handed film trophies called "Roscoes."

Elizabeth Taylor was awarded a "Roscoe" "for so gallantly persisting in her career despite a total inability to act." Miss Taylor was also singled out for two other "honors;" she was named the "most objectionable ingenue" and "one of the two most objectionable movie children."

Others named in the list of the 10 worst pictures were: "Our Very Own," "Samson and Delilah," "Three Came Home," "The Next Voice You Hear," "American Guerrilla in the Philippines," "Cheaper by the Dozen," "Stromboli," "The Flame and the Arrow," and "The Duchess of Idaho."

How many of their choices do you agree with?

Stolen is the following letter from the Iowa State Daily: Dear Ruth,

I just read in the paper that college non-smokers get much higher grades than those who smoke. This is something to think about. Love.

RUTH.

Dear Ruth,

I have thought about it. I would rather smoke and get a B and have the pleasure of smoking. In fact. I would rather smoke and drink and get a C. To be perfectly frank, I would rather smoke, drink and neck and get a D.

I will break your neck if you flunk a course! Love,

FATHER.
