

ROTC Symphonic Band to Give Annual Spring Concert Sunday

Recently returned from a four-day concert tour of western Nebraska, the 90-piece University ROTC Symphonic Band will present its spring concert Sunday, April 1, at 3 p. m., at the Coliseum. Admission to the annual affair is free.

During its western journey, the band played to audiences in Kearney, Curtis, North Platte and Sidney.

Traditional marches, familiar to followers of the Cornhusker marching band, will open and close the program. The major portion of the concert, however, consists of a variety of the best available symphonic music, ranging from the first movement of

Dvorak's Symphony "From the New World" to compositions by contemporary American composers.

Harp Solo

Highlights of the concert will be a harp solo by Bonnie Weddell and a trumpet octet.

In the symphony "From the New World," a strong folk-song flavor pervades in many of the melodies that Dvorak uses. Said the composer of this symphony, "I tried only to write in the spirit of national American melodies."

Nevertheless, the work is colored by a nostalgic longing for his native Bohemia.

"Les Preludes," by Liszt, is built

on one theme, which through rhythmic changes and other modifications, creates the main moods of the work: namely, love as the daybreak of life, the tempests of life, pastoral life, and the martial call to battle.

Composer Thomson

"A Solemn Music" by Virgil Thomson, significant American composer and critic for the New York Herald Tribune, was first performed in 1949 in New York by the Goldman Band, for whom it had been commissioned by the League of Composers. Composer Thomson has won many awards for his works, including the Pulitzer Prize for his musical score for the film "Louisiana Story."

Harp soloist, Miss Weddell, will play "La Rougette" by Bennett. "The Miracle" by Humperdinck will follow.

The trumpet octet will play "Tournament of Trumpets" also by Bennett. Participants are Denny Schneider, Lewis Forney, Herman Larsen, Tom Durm, Bob Blue, John McElhaney, Jim Boettcher and Bob Hinds.

"Italian Polka" by Rachmaninoff; "Tropical" by Morton Gould; and "Stars and Stripes Forever" by John Philip Sousa, will conclude the concert.

SPECIAL FEATURE—The University ROTC Symphonic band concert on Sunday, April 1 will feature the band's crack octet. Members are (back row, l. to r.) James Boettcher, Robert Hinds, John McElhaney, Herman Larsen, Thomas Durm and Lewis Forney.

(Front row, l. to r.) Robert Blue and Denny Schneider. The concert, which will be presented at 3 p. m. in the Coliseum, is free and open to the public. Also included in the varied program are marches, symphonic selections and a harp solo by Miss Bonnie Weddell. (U. of N. photo.)

Judges Selected For 'World Court'

Chief Judge C. Petrus Peterson will preside over the "World Court" case Thursday, April 5. The proceedings are in connection with the International law course at the University.

Judges assisting Peterson in court are F. B. (Bill) Baylor, J. Lee Rankin, Daniel Stubbs and Willard B. Cowles. The trial is a mock dispute of the International Court of Justice.

Two teams of three students each will represent the governments of the fictitious countries,

Katavia and Ionai. The representatives for the Katavian government are Jack Wendstrom, Dean L. Donohoe and Donald E. Morrow. Ionian representatives are Robert C. Bosley, Wm. Fuhr and Jack Solomon.

The Ionian representatives will request that Katavia agree to the settlement of the dispute by the International Court of Justice. Stipulation of additional facts for changes in factual detail may be submitted.

Dispute Between Kingdoms
The case centers around the Great Southern Mining and Smelting company which is centered in the ox-bow between the two kingdoms. Dodge City of Katavia and Cochran Park of Ionai are located across the river from one another. Cochran Park is twice as far away from the smelting works as Dodge City.

Ionian nationals own a controlling interest in the smelting company. Other stock is owned by persons in other nations. The smelting company discharges many sulphur fumes and other gases that would be detrimental to inhabitants at Dodge City. The Katavian government has been petitioning the Ionian government to do something to remedy this situation, but nothing has been done.

Bad Feeling

Bad feeling arises between the two nations over this dispute. A Katavian Nationalist joined a hunting party of Ionians and Katavians. The group drank heavily and the nationalist member admitted to the Ionians that he was a member of a sabotage party. The Ionians turned him over to their police and he was convicted and sentenced for this crime.

Homemaking Must Embody Democracy—Voc Ed Prof

Home is the basic unit of democracy, yet scant attention has been paid to making the "balance" wheel of the family conscious of our democratic heritage.

So believes Miss Florence Corbin, associate professor of vocational education. Says she:

"The balance wheel of the family is the housewife. Yet our educational system has not made much of an effort to link her household job with our heritage of freedom."

Miss Corbin believes there is a very vital link between the housewife and not only attitudes she develops toward our form of government, but also her children. To help future housewives develop a stronger relationship between homemaking and a way of life, the University vocational education department has developed a new course of instruction to achieve this goal.

The course is offered University women who will teach homemaking courses in Nebraska high schools.

To emphasize the point that a democratic nation develops only by practicing democracy in daily living, the course urges homemaking teachers to:

Scenery designers, and artists, construction crew workers, property crew workers, costume crew workers, are vitally needed in the Kosmet Klub musical, "Good News."

All students interested in the stage crews should report at 7 p. m., Friday evening, to room 205 Temple.

Also all Kosmet Klub workers and members who did not attend the Thursday evening meeting should attend this meeting. Technical Director William Ellis will assign duties for all backstage work for the show.

The Home Ec club is in charge of the election. Ag Exec board will help also.

Green Praises Engine Grads For 'Professional Competence'

Nebraska young men who become professional engineers were praised for "superior competence" Monday by Dean Roy M. Green of the University of Nebraska College of Engineering and Architecture.

Dean Green said a study of living graduates of the college shows "excellent educational work done by Nebraska students" and subsequent high standing among graduates of other colleges and universities in the nation.

Five Achievements

The study shows five principal achievements.

(1) Freshman engineering students in the University won 18 awards, a record matched by only one other college, in national engineering drawing contests staged from 1934 to 1941.

Candidates are senior women enrolled in Ag college who have been active in campus activities. A scholastic average of 6.0 or better is required of all contestants.

It was announced that the girl receiving the most votes will be the Goddess of Agriculture and the four next higher her attendants.

The Goddess and her four attendants are scheduled to be revealed during the Cotton and Denim dance. It is scheduled on Saturday, April 28, in the Coliseum. At this time, the Whisker King will be named also.

Coordination Group Seeks Coordinator

Members of the newly formed Ag Calendar committee, in a recent letter to Ag campus organizations and departments, outlined tentative plans for a new coordinator of 1951-52 group activities and meetings—an Ag College Calendar.

A lack of coordination of many Ag campus events has been evident for years, according to a member of the committee. The new group was originated in February.

Reasons Stated

"At times during the past, organizations when scheduling events, have not taken into consideration the social events of other groups," according to a statement by the committee.

A representative of each Ag organization is responsible for submitting to his group the plan at their next meeting and naming tentative dates for the group's activities of next year.

The form which is to be filled in triplicate (two for the committee and one for the organization filling the form) is to be used for each event planned.

Sample Questions

Some of the questions asked deal with the crowd expected to attend and their reasons for scheduling the event at this time of year.

Within a few weeks, if the forms are completed, time will be taken in the Ag Exec board for writing in the scheduled times to the calendar and arranging for conflicting dates. A representative from each organization in question will be asked to attend and will be their say.

The calendar committee was formed when the Ag Union board submitted the idea to the Ag Exec board. The committee named to attempt a solution are: Alice Anderson, representing Ag Exec board; Frank Sibert and Dick Walsh, both from the Ag Union board.

Positions on the Union board may be applied for beginning Monday, April 2, announced Betty Roessler, chairman of the planning committee. Applications for chairmen of committees and committee members will also be accepted after Monday.

Filings for the Board must be completed by noon on Saturday, April 7, but committee chairmanship filings will be open until Saturday, April 14.

Membership on Union committees, however, may be applied for anytime during the rest of this term and also next fall.

Worked For Year
Anyone eligible for a board position—that is, anyone who has worked in Union activities for a year or more—is urged to apply.

Interviews for those seeking board positions will be conducted by the present board Sunday, April 8, from 2 until 4 p. m. New

1951 Junior Senior Prom Scheduled for April 13

The annual Junior-Senior prom will be held Friday, April 13, in the Union ballroom, according to Aaron Schmidt, senior class president and chairman of the prom committee.

Music for the evening will be provided by Dave Haun and his orchestra. The prom is open to all students and is semi-formal.

Tickets for the prom go on sale Monday. They may be purchased from any Tassel, Corn Cob or Kosmet Klub worker for \$1.90.

Last week, all organized women's houses were asked to submit names and pictures of one junior and senior girl to be a candidate for prom queen.

Selection of Queen

Pictures of the candidates were sent to a Chicago modeling firm which will select ten finalists from the group. The finalists will be announced five days before the prom, Schmidt said.

The queen will be chosen the night of the prom by popular vote of those attending. All voting must be completed by 10:30 p. m. Presentation of the queen

and her court will be at 10:45 p. m.

The queen, for the first time, will receive a crown which is to be a traveling trophy. On the crown will be engraved the queen's name, affiliation and year.

The three runners-up will be princesses in the court. Each of the three students will receive a permanent plaque with her name, affiliation and year. The plaques will remain in the attendants' houses.

Name Band Impossible

"Junior and senior officers realize that University students would like to see the prom in a large place with a name band," Schmidt said, "but the circumstances involved make it impossible to do this."

The reasons, given by Schmidt, are: (1) to put on a dance of this type, naturally involves quite a large amount of money; (2) the University hasn't any funds to be used for the specific purpose of the Junior-Senior prom and its treasury;

"The only solution of the problem caused by this shortage of funds," according to Schmidt, "is underwriting by individuals who feel that the prom is a tradition and shouldn't die."

Chairmen of the prom committees are: Aaron Schmidt, general chairman; Charles Burmeister, assistant general chairman; Jack Cohen, tickets; Gene Johnson, treasurer; Arlen Beam, decorations; Bob Pierce, publicity; Bob Waters, stage; Gerald Matzke, program.

Members of these committees will be announced in the future.

Scholarship Applications End Saturday
The General Scholarship Awards committee announces that scholarship and grants-in-aid are available to undergraduates for 1951-52. Applications must be completed and returned to the chairman's office by noon, March 31, 1951.

There will be approximately 275 scholarships and the grants-in-aid which will total a value of about \$36,000.

An average grade of 7 or above is necessary to be available for the awards. In some circumstances, awards may be given to students with a lower average. Students must possess at least 24 credits to be eligible.

Application forms may be obtained at the office of the Dean of Women, in Ellen Smith hall, or the office of the chairman of the award committee, 104 Administration building.

Comprehensive examinations will be held Saturday morning, April 14. Awards will be announced before Aug. 1, 1951.

Filings Now Open for Positions On Union Activities Committees
Positions on the Union board members will be announced April 19.

Board members will be chosen from their applications, their interviews and the amount of work that they have done for the Union. The amount of work is judged on the basis of the Union evaluation system.

Chairmanships Open
Committee chairmanships which are open to workers are the following:
Planning, dance, special activities, general entertainment, recreation, convocations and hospitality, music, public relations and office.

New committee chairmen will be announced May 18 at the annual Union awards meeting. Herb Rees, special activities director, has announced that a picnic for all board members, committee chairmen and workers will be held May 9.

Jury Finds Three Guilty Of Espionage

Two men and a woman were found guilty of stealing America's A-bomb secret in behalf of communist Russia and faced the death penalty.

The verdict was announced after almost seven hours and 15 minutes of deliberation by a federal court jury of 11 men and one woman.

Foreman Vincent J. Lebonitte pronounced the verdicts one by one:

"We the jury find Julius Rosenberg guilty as charged."

"We the jury find Ethel Rosenberg guilty as charged."

"We the jury find Morton Sobell guilty as charged."

The trio were pronounced guilty of conspiracy to commit espionage in war-time which is punishable by death or lesser penalty.

Federal Judge Irving R. Kaufman will sentence them Thursday, April 5.

GOVERNMENT LIMITS GROCERS' PROFITS

The government put limits on grocers' profits in a move which will mean some food price roll-backs and some increases. The new OPA-type regulations put price controls on about 80 per cent of the nation's \$32 billion food budget.

The regulations cover ten thousand wholesale food suppliers and 560 thousand retail food stores. Price Stabilizer Michael Disalle predicted that price roll-backs would outweigh the increases.

The food order issued by the office of price stabilization affects grocers selling canned and frozen fruits and vegetables, butter, packaged cheese, baby foods, cocoa, breakfast cereals, coffee and tea, flour, jams and jellies, lard, mayonnaise and salad dressings, shortennings, canned meats and canned fish.

THREE AND ONE-HALF MILE GAIN IN KOREA

American tanks and infantrymen punched out a three and one-half mile gain on the west central Korean front. South Koreans on the east coast drove seven miles deep into North Korea.

Thursday's biggest gain was made by British, Australian and Canadian troops who swept across hills and torrents northwest of Kapyong, on the main Seoul-Chuncheon highway. They gained three and one-half miles.

Cornhusker Boys', Girls' State Alums To Meet Saturday at Joint Reunion

Cornhusker Boys' and Girls' States will meet Saturday at the Union ballroom at 8 p. m. for the second annual reunion of both groups.

The reunion is unique in that it is the only joint one of its kind held in any state.

Pon Chinn, University student, who was 1948 governor of Boys' States, is chairman of the committee sponsoring the get-together.

Cech to Emcee

A program, featuring Henry Cech as master of ceremonies, will precede dancing to Aaron Schmidt and his combo.

Cech will introduce Pat Patterson, who will give the welcoming address to the group.

Following this, two skits, "Sisters' State," by Girls' State members and "Our State," by the Boys' State group, will be presented. Both will depict events typical of the week spent in Lincoln in the summer.

A humorous reading will be given by Betty Lester, and Lois Seb will sing "A Good Man's Hard to Find."

Bud Bitner will introduce the past governors, and also the officials of the American Legion and American Legion Auxiliary. Governor Val Peterson has also been invited to attend.

Refreshments will be served during the dance.

Planning Committee

Members of the planning committee besides Chinn are: Boys' State—Bill Adams, Bud Sitzer, Gene Plouzek, Jim Justice, Dave Sjogren, Rod Harvey, Glen Nelson and Eldon Schuster; Girls' State—Pat Patterson, Joan Krusger, Doris Carlson, Ruth Gibson, Marilyn Mangold and Janet Steffen.

The Weather

Partly cloudy and warmer Friday. Mostly cloudy Saturday and turning colder with showers in the extreme southeast portion. High Friday 55 southwest to 45 northeast.

REUNION PLANNERS—Discussing last-minute arrangements for the Cornhusker Boys' and Girls' State reunion are (l. to r.) Pon Chinn, Bill Adams, Pat Patterson and Eldon Schuster. This second annual reunion, which is the only joint one held in any state, will begin Saturday evening. Chinn, governor of Boys' State in 1948, is serving as chairman of the committee composed entirely of University students.

University students who attended the respective conventions in 1948 originated the reunion last year and were responsible for the first one last April. The only other joint activity of both groups is the Boys'-Girls' State dance while both are in session in June.
