

Glassford to Use Four Platoons Against Alums

By Jim Petersen
Staff Sports Writer

This Saturday Memorial stadium will be the scene of the second annual Varsity-Alumni football game, which is one of the features of the All-Sports Day.

The game will start at 1:30 p. m., and it should be a thriller from the opening kickoff to the final gun. Coach Glassford is going to employ a four-platoon system instead of the usual two-platoon system. The four platoons will consist of two offensive units and two defensive units. If the same spring squad is still around next fall, he plans to use this four platoon system against the University's opponents.

Climax
This game will climax spring training, which will end next Wednesday. Spring training was previously scheduled to last till a week from Saturday.

Coach Glassford explained the shortened drills, by stating: "The squad has been faithful at practice and worked hard."

When asked about the current freshmen players Glassford said, "The Freshmen have pleased us. They are willing and they are working hard at it."

Good Ball Game.
"It will be a good ball game. The Alumni has a lot of experience, which will be a good test for our boys."

"The big problem with the Varsity, is the lack of experience. They need a lot of work. We haven't got the polish yet, but we expected to show a great deal of improvement by next fall."

The boys have been working hard, and have been putting a lot of effort into it."

Starters
While Glassford will employ all four platoons, he stated that he would wait until Saturday to decide which unit would get the starting position.

He said, "They are all well matched and all will see plenty of action."

Tickets for All-Sports Day can be purchased from any "N" men, the ticket booth in the Union or at the Coliseum. Besides the football game, the ticket will also admit the purchaser to a track meet in the morning between Kansas and Nebraska and a baseball game in the afternoon between Buena Vista and Ne-

Information on Softball Asked By Sports Staff

The Daily Nebraskan Sports department is asking the help of the University's intramural participants again. This request is directed to those interested in their softball teams.

Due to the inability to obtain full information concerning the softball contests played each night merely by referring to the scorebooks, the sports staff is asking for such information from the teams themselves.

Because of the hundred and one different ways a softball scorebook is kept and because of the many times when a competent scorer will not be available for all the contests, a complete story cannot be obtained by taking information from the official scorebooks.

Complete Coverage
A complete coverage of the spring sport is the aim of the sports staff in making this request. The winning teams will undoubtedly want to see that their victory is written up in the paper each day and so their cooperation in this matter will greatly help.

This is what we want you to do. Each day, a small article should be submitted by the winning team on the game. This article should contain the score by innings, the pitchers for both teams, including the winning and losing pitchers. Also, the article should contain the vital factors in any rally and the leading hitters and all men who knock home runs. Any other information such as pitching performances, etc. that the writer thinks important would also be appreciated.

These articles should be brought to the sports desk any afternoon.

Simple Scoring Method
All the games will not be covered this way, however, and so a special plea is entered to all scorers in all the contests. All experienced scorers should continue to score the contests in his usual way, but this simple method is submitted to those who do nothing more than count the runs.

First of all, indicate the manner the batter reached first base. On the scorebooks mark in the center with an H, W, HP or E if the batter gets on base with a hit, walk, hit by ball or error. In addition, if the hit is more than a single, the H should be changed to an H2 for a double, an H3 for a triple and an HR for a homer. All strikeouts should be indicated in book by either a SO or K. The rest is up to the scorer.

With this little help on the part of the individual teams, a successful softball season will be supplemented by a successful softball coverage in The Daily Nebraskan.

JOHN BORDOGNA . . . will handle the quarterback position for the Husker varsity Saturday in the second annual Alumni-Varsity football contest.

braska. The proceeds will be used for scholarships for needy athletes.

The lineups for Saturday:
Red Offensive Platoon
Ends—Frank Simon and George Paynich
Tackles—George Prochaska and Ed Hussman
Guards—Kay Curtis and Joe Ponceigo
Center—Ken Schroeder
Quarterback—John Bordogna
Halfbacks—Don Vogt and Tom Carodine
Fullback—Ray Novak
Red Defensive Platoon
Ends—Jim Tangiall, Dennis Emanuel, Jerry Paulson and Don Dutcher
Tackles—Bob Mullen, Jerry Minnick, Max Kitzelman, Eldon park
Guards — James Jones, Jim Brown, Russel Morgan, Stan Sipple
Linebackers—Cliff Hopp, Bill Schabacker, Jay Benedict
Halfbacks—Jack Ladds, Jim Sommers
Safety—Bob Decker
White Offensive Platoon
Ends—Bill Giles, Harold Robertson
Tackles — Marvin Anderson, Wayne Hanstony
Guards—Tony Winey, Cliff Dale
Centers—Verl Scott, Jim Oliver
Quarterback—Don Norris
Halfbacks — Bill Wingender, George Gohde
Fullback—Nick Adduci

Bridge Teams Fail to Qualify For National
Nebraska bridge teams Jamie Curran and Jack Trumpy, Charles Hughes and Charles Deuser, John Anderson and Larry Ebner and Sydney Fuchs and Marion Brown entered a national competition bridge tournament.

The Husker teams failed to be included in the national competition which is to be held in Chicago, April 20 through 21.

Semi-finals were played by mail in February. Geoffrey Mott-Smith, noted bridge authority, prepared the hands, did the scoring and will personally conduct the finals.

Pitcher Signs Cardinal Pact

Howie Pollet, who has been a St. Louis Cardinal holdout since early season, signed a contract with Owner Fred Saigh after a 7½ minute conference.

Manager Marty Marion smoothed the way for the signing.

Saigh had previously announced that he did not want Pollet on his team and would put out every effort to trade him. Pollet answered that this was the "best news he had heard all spring."

But there was a different tone about the situation after the conference.

Saigh asserted that it "took us about 7½ minutes to get together."

Marion and Pollet had discussed the problem of the pitcher's contract before they went in Saigh's hotel room.

The hostile remarks between Saigh and Pollet in the newspapers last week followed publication of a story which quoted Pollet as saying his record last year was a result of the injury-riddled club.

He won 20 games in 1949 but only won 14 games while losing 13 last season.

The south-law said he would need a lot of conditioning but that he would not force himself and risk injuring his arm.

Betas, Sig Nu Reach Water Cage Finals

Beta Theta Pi and Sigma Nu squeezed into the finals of the IM Deep Water Basketball tournament Tuesday afternoon with wins over Student Union and Phi Gamma Delta respectively.

The two teams were to meet at 5 p. m. Wednesday to decide the All-University champion.

Stay Unbeaten
The Betas, keeping their undefeated season intact, entered the final round by nipping previously unbeaten Student Union, 15-14, in a double overtime contest.

At the closest regulation playing time the score was knotted at 10-10 and again at 12-12 after the first round of free throws to determine the winner. But successful tries by Jack Greer, Dave Mackie and Bill Momey enabled the Betas to gain the one-point edge.

Sigma Nu Rallies
Bill Greer paced the winners with six points while Eddie Craven and Doc Hill sparked Student Union.

In the other semifinal, the Phi Gams blew an early 6-0 half-time lead and bowed to Sigma Nu, 10-8.

Five points in the third quarter and three free throws and a field goal in the last period by Sigma Nu produced the win.

Taus On Top In Badminton By One Point

Alpha Tau Omega holds a one-point lead in the All-University badminton tournament today as the field of men was narrowed down to 16 survivors. The Taus are leading the pack by that slim margin have chalked up 36 points to date.

Phi Delta Theta is pressing the leaders. The Phi Deltas to date have amassed a total of 35 counters. Both of the top outfits have four men each remaining in the tourney.

Phi Kappa Psi is the number three team with 26 points. The Phi Psi's are still in the running with three of the remaining 16 men wearing the Phi Psi colors.

Still Have Chance
Kappa Sigma is the only other team with a positive chance of taking first place honors. The Kappa Sigs are sitting in fourth at the present with a 25-point total. They have four men remaining in the tourney.

Following the top four in the point-scoring department to date are Sigma Alpha Epsilon in fifth with 18 points, and Beta Theta Pi in sixth with 17 points.

Phi Gamma Delta and Sigma Phi Epsilon are tied with nine points followed by Beta Sigma Psi with eight.

The remainder of the teams scoring points in the tourney are Independents with five, Phi Epsilon papasK taedon lon Kappa and Newman Club with four, ASME, and Brown Palace with three, Pi Kappa Phi, Sigma Alpha Mu and Delta Tau Delta with two, and Ag Men's Club and Delta Chi with one.

AROUND THE LOOP . . .
One Hundred Children Visit All Sports Day
By Shirley Murphy
More than 100 youngsters from the Orthopedic hospital and all the orphanages in Lincoln will watch the All Sports Day events at the University on Saturday, April 14.

The children will be here due to the generosity of Cornhusker sports followers. The Lincoln Junior Chamber of Commerce will provide transportation and furnish necessary guidance during the contests.

Iowa State's women bowlers ranked third in the nation during the mid-March period of competition in the twelfth annual National Intercollegiate Telegraphic ten pin meet.

Iowa State placed third on points, second in the five-man series, sixth and seventh in individual two-game series; second high in individual play.

Louise Fellows was a Cyclone star as she placed second in the single game series with a score of 188. She was also sixth in the two-game series. The five-man team accumulated 1536 to place third.

The KU swimming team has a miraculous 1951 season. The boys opened and closed their eventful season all in one day.

The event was the team's posing for a Jayhawk picture. Delay in finishing the new swimming pool in Robinson gymnasium forced cancellation of all meets scheduled for this year's squad.

The new pool was completed the week of the conference swim meet, but the mermen have next year to look forward to.

NU-Buena Vista Baseball Contest on All-Sports Day

By John Rego
Staff Sports Writer

A full week of baseball is in store for the NU Nine beginning Friday afternoon at 3:30 p. m.

The Huskers will entertain Buena Vista in two non-conference games Friday and Saturday.

Monday and Tuesday the club travels to Wichita University for more grooming before heading toward Lawrence for a two-game series with the Kansas Jayhawks to open the Big Seven competition.

The weatherman continues to put a crimp in the efforts of Sharpe's squad to remove cob webs. While many of the conference squad are in the sunny regions, the winter-like weather here has forced Nebraska back

Midg Baseball Jobs Available For NU Boys

Head Baseball Coach Tony Sharpe announced today that he can place some University boys in Lincoln midge baseball this summer. Coach Sharpe wants any University boy interested in a summer job working with the Lincoln midge baseball program to contact him at the earliest possible time.

Though not stated, these jobs could be of various sorts including the coaching and managing of these youngsters in their summer baseball program.

Coach Sharpe can be reached in his office on the second floor of the Coliseum most mornings and early afternoon during the week days.

into the insufficient but better-than-nothing fieldhouse annex.

To date the teams has been restricted to a couple of intra-squad games and on the whole, the results were encouraging. The keystone combination of Jensen at short and Reynolds on second looks very strong.

Reynolds around the second base sack has made much improvement in his play. Difficulties with the important double play which he had in earlier sessions appear to be ironed out. His ability to get rid of the ball quickly for the twin kill will be an effective defensive weapon.

The pitching department has had little opportunity to show its stuff, so a question mark remains here.

Al Benjamin, a big righthander from Michigan, has looked very impressive during his brief hurling performances. The Michigan lad, after suffering from a rag arm, came up with a good fast ball and a back-breaking curve.

Top Chickers
With Benjamin, McCormick, and Kopf as the top chickers, and Mulling, Bunsen and Andersen as potential corners, the mound staff offers a great deal of possibility.

Bob Lohrenberg will likely gather in the back-stopping berth. Sharpe is inclined to go along with his hitting and re-

ceiving ability and hope for the best regarding the catcher's throwing.

Another encouraging sign that has emerged from the intra-squad games is the hitting power. Homers by Diers and Mladovich and the long drive off the bats of Dunn and Fitzgerald are definite indications of batting strength.

The game with Buena Vista on Friday will begin at 3:00 p. m. The Saturday contest will get under way at 3:30 p. m.
