

Baseballers Defeat Kansas Staters 5-0 in First Game

By Bob Banks
 Sophomore Dick McCormick shut out the Kansas State Wildcats on four hits Monday as Nebraska won the opening game 5-0. McCormick was effective in racking up his second win of the season. He gave up only two free passes and struck out the same number.

The Huskers scored their five runs on a total of ten hits. They broke the scoring column in the first inning when Bob Diers doubled and crossed the plate on another two bagger by Jerry Dunn.

But he died on base when first baseman Ray Mladovich grounded out.

Nebraska had its big inning in the fifth when three runs were scored.

Catcher Bob Lohrborg grounded out but McCormick started things off with a single. Bobby Reynolds laid down a perfect bunt which Wilcat third baseman Gerald Woody momentarily bobbed and then overthrew at first base.

McCormick scored on the error and Reynolds got to third. Moments later he engineered a successful steal and brought the scoreboard up to 3-0.

The combination of Diers and Dunn scored the fourth Nebraska run.

Diers drew a base on balls, stole second and rounded home on Dunn's second two base hit.

The last run came in the seventh when Johnny Rego opened with a single. He advanced to second on another bunt by Reynolds. Mladovich drove him in with a double.

The Kansas Staters had their biggest chance when Ed Robinson singled and was safe at second on an error by Reynolds. Woods drew a walk, and the two runners advanced to within striking distance of home when McCormick threw a wild pitch. But Terry Schmitter snuffed out the threat when he grounded out.

Wildcat pitcher Perk Reitenmeier also turned in a good game

in spite of the ten hits which Nebraska collected. He walked three men and had eight strikeouts to his credit.

Two Errors
 Bobby Reynolds scored two errors and afield and shortstop Bill Jensen got one on an over-throw.

The only Kansas State error came on a bad throw by the Kansas State third baseman.

Dunn led the Nebraska attack with his two doubles. Ray Mladovich and Bill Fitzgerald also contributed two base hits.

Second baseman Bob Bremner collected two of the Wildcat singles. The other two were hit by Dick Johnson and Ed Robinson.

Coach Tony Sharpe's crew now sport a seasonal record of five wins against two losses. It split with Buena Vista, won two games from Wichita, split with the Kansas Jayhawks, and won Monday.

The game today will get underway at 3 p.m. Letterman Del Kopf will probably start for Nebraska, while Kansas State will

Laz, Cooper Buddy, Buddy Meet Saturday

Don Laz of Illinois says his desire to outdo a friend 1,500 miles away inspired him to a record outdoor pole vault of 15 feet 1 3/4 inches.

The 20-year-old Illini senior also suggested rather modestly that the record may be due for further revising when he and Nebraska's Don Cooper meet at Des Moines, Ia., this coming weekend in the Drake Relays.

For Cooper, while performing Saturday in the Kansas Relays, bettered the intercollegiate outdoor standard with a vault of 15 feet 1/2 inch.

However, the record remained less than two hours after it was announced in Los Angeles Memorial Coliseum where Southern California beat Illinois and Michigan in a three-way meet.

Cooper Overshadows
 "I think that loudspeaker announcement had something to do with it," Laz declared later. Then he told how he often had felt overshadowed by Cooper since their frosh days.

Laz said he and Cooper were good friends but "I've always wanted to beat Cooper more than anybody else."

"I still remember one meet we were both in. One little kid kept following me around all day and asking for my autograph. He thought I was Don Cooper. And I couldn't convince him otherwise."

Yez, who has a mild voice and hair the color of sawdust, would not calculate his chance of bettering Cornelius Warmerdam's world pole vault record of 15 feet 7 3/4 inches. "But you can say I'll improve as the season gets older," he predicted.

Prospects of Winning
 What are his prospects of besting Cooper this week-end? "Well, he's faster and stronger than I am, but I have the advantage in height. It ought to be close."

Laz and Don McEwen, Michigan distance runner, grabbed most of the individual honors. As was expected, University of Southern California posted its 441st consecutive track and field victory.

Southern Cay performers finished no worse than second in every event. They won seven firsts and piled up 75 points to 41 for Illinois and 35 for Michigan.

counter with Jim Iverson of basketball fame.

'Moose' Does It; Fourth Man In History to To Vault 15 Feet

Nebraska's Don Cooper became the fourth man in the history of sports to clear 15 feet in the pole vault.

He did it Saturday at the Kansas Relays with 1/4 inch to spare and briefly held a new intercollegiate record.

But Don Laz of Illinois vaulted 15 feet 1 3/4 inches at Los Angeles to break Cooper's record.

Cooper made his record in 45 degree weather against a strong wind while Laz was performing in the California sunshine.

The Nebraska senior's record can be considered as the greatest in Midwest history.

Select Group
 And he joins Laz, Bob Richards, and Cornelius Warmerdam in the select group of 15 feet performers.

Of these four, only Warmerdam had managed to clear the height outdoors until Cooper and Laz did it Saturday.

Cooper can also be considered as the first collegian to clear the mark outdoors.

Warmerdam did not vault 15 feet in college, and Laz competed two hours later than Cooper.

Southern California's Earle Meadows and Bill Sefton held the old intercollegiate record of 14-11.

Warmerdam holds the world outdoor record of 15 feet 7 3/4 inches.

Cooper first broke the Kansas Relays record of 14 feet 6 inches. **Clears 15 Feet**

Then he made his tremendous leap of 15 feet 1/4 inch, but he missed three times at 15 feet 3 inches.

Cooper and Laz will have a chance for a personal duel Saturday when they meet at the Drake Relays.

This marks the ninth time Cooper has topped the 14 foot height.

He set a new indoor mark from a dirt runway of 14 feet 9 3/4 inches in a recent meet against Colorado.

In high school he won two gold medals at the state track meets. He vaulted 11 feet 7 3/4 inches in 1943 and repeated the following year with a 12 feet 8 3/4 inch effort.

Cooper won the Big Seven indoor and outdoor vault titles in 1947 and was in a three-way tie for the indoor championship in 1948.

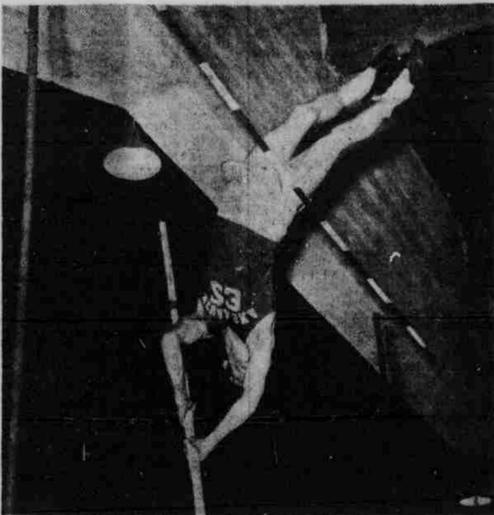

Team Man
 He sacrificed a good chance for the 1951 indoor title in order to win valuable points in the 60-yard dash and help his team mates win the team title.

He finished second to Len Kehl with a 13 feet 3 inch vault. Kehl won the title at 13 feet 8 1/2 inches.

Hendrickson Best in Two Track Events

Lincoln high's Brien Hendrickson is the only Nebraska high school track man boasting best performance in more than one event as the state qualifying meets gets under way.

He has been clocked at :52.8 in the quarter and :22.5 in the 220. He won gold medals in the 100 and 220-yard dashes last year.

UP AND OVER . . . Husker pole-vaulter Don Cooper held the world's collegiate record for two-short hours Saturday. He is one of four men ever to clear the magic 15 feet.

Son of Tiger Coach Good Future Hurdler

George Simpson, son of Missouri's backfield coach, reached the first big milestone in his hurdling career last weekend by winning his high-hurdle race in an invitational meet at Central College.

A junior at Hickman high school, Simpson sped to victory in the time of :07.8 seconds—one-tenth of a second faster than the existing Class A record. His time, however, is not a new mark since it wasn't recorded in a state meet.

With that effort, "Seabiscuit"—as his mother kiddingly dubbed year George last year when he first started hurling—began to earn his sobriquet.

The press acclaimed him the outstanding performer of the Kansas Relays meet. His was the only new record.

Overshadowed, other Cornhusker winning places were Don Bedker, third in the high hurdles; Irving Thode, third in the broad jump. Jeonard Kehl, tie for third in the pole vault; and Dick Meissner, tie for fourth in the high jump.

Husker Book Now on Sale

"Spotlighting the Husker Greats of Yesterday and Today," is on sale now. This 88-page book with pictures of players and a review of football at the University since 1890 is now being offered by all Husker footballers at the price of \$1.

Records of games won and lost through the years with the coaches who were at the Cornhusker helm during the years of the wroth of the pigskin sport is also included in the book.

The varsity football players selling the books receive a 25-cent commission on each book. All profit from the book goes into the grant-in-aid fund to help needy athletes.

Dodgers Nip Braves In 16-Frame Marathon

The Brooklyn Dodgers and Boston Braves hooked up in a real old-fashioned pitcher's duel Monday afternoon and waged warfare for 16 innings before the Dodgers rallied to win 2-1. Carl Furillo, whose homer in the tenth inning had beaten the Giants Sunday, again clouted the winning blow. Furillo blasted a Warren Spahn pitch off the left field wall to score Billy Cox from third.

Cox had reached third after singling and advancing on an error on Brave third sacker, Gene Mauch.

Until then, it was anybody's contest. Spahn and Dodger Joe Hatten had hurled magnificent ball for 11 innings. Hatten was relieved by Erv Palica after lefty Joe had walked the first two men he faced in the 12th frame. Palica hurried for one and two-thirds innings and then departed for a pinch-hitter. Clyde King then came on and flipped the final four frames and was awarded the win.

All The Way
 Spahn went the distance for the Braves. He lost his bid for a no-hitter in the fifth when Dodger first baseman walloped the ball into the lower stands to tie the game at 1-1. The scoring stopped right there until the 16th.

Spahn had terrific control throughout the game and walked only two men over the 16 inning stretch, one intentionally. He picked two Dodgers off first base, including Jackie Robinson. Only two Dodgers were left on the bases which is remarkable.

The win was the fifth in six games for the Bums and left them in first place in the senior loop. The Brave record now stands at 4-4.

Wertz Homers
 Detroit's Vic Wertz lashed out a three-run homer in the last of the ninth to give the Tigers a 7-4 decision over the hapless St. Louis Browns.

The Browns jumped on Tiger starter Trout for three tallies in the first period but couldn't hold back the tide.

Ginsberg and Mullen each clouted a four-bagger to join Wertz in the Tiger fold.

The win gives the Detroiters a 2-4 record to date, boosting them out of the American league cellar. The Browns are now last with the Philadelphia A's.

The Chicago Cubs continued in second place in the National league by edging the Pittsburgh Pirates, 2-1. A double by Andy

Pafko in the last of the ninth drove in Hank Sauer with the winning run.

Fateful Ninth
 Going into the final stanza, Pirate hurler Mel Queen had pitched three-hit ball, but surrendered the two fateful blows in the ninth after retiring the first two men in order.

Wayne Terwilliger gave the Cubs their first tally with a home run.

The New York Yankees pounded the Philadelphia Athletics for 13 hits but could manage only a 5-4 win. The A's frightened the world-champs with a two-run uprising in the top of the ninth, but rookie Mickey Mantle came through again to provide the Yanks with the winning tally in their half of the ninth.

The Yank victory, their fifth in seven starts, gives them a firm grasp on fourth place in the junior loop.

- All seats reserved—every seat is a good seat

LAUGH YOUR WAY THROUGH "GOOD NEWS" PRESENTED BY KOSMET KLUB Tickets \$1.50, \$1.20, 90c Get them from Kosmet Klub activities and workers CURTAIN TIME 8 P.M.

Campus Interviews on Cigarette Tests

Number 18...THE RACCOON

Shades of the roarin' 'Twenties! All duded up in his ancient benny — but he has modern ideas on testing cigarette mildness! He's tried every "quickie" cigarette test in the book — and they're not fooling him one bit! He knows for dang-sure that cigarette mildness can't be determined by a cursory sniff or a single, quickly-dispatched puff. He doesn't have to go back to school to know that there is one real test — a test that dispels doubt, fixes fact.

It's the sensible test . . . the 30-Day Camel Mildness Test, which asks you to try Camels as your steady smoke—on a pack-after-pack, day-after-day basis. No snap judgments needed. After you've enjoyed Camels—and only Camels—for 30 days in your "T-Zone" (T for Throat, T for Taste), we believe you'll know why . . .

More People Smoke Camels than any other cigarette!
