

## Kosmet Broadway Show Premiere Opens Tonight

One of Broadway's top plays out of "Roaring Twenties" will be presented by Kosmet Klub tonight at the Nebraska theater. Curtain time is 8 p.m. for the premiere of the musical comedy, "Good News" which will run Thursday and Friday nights also.

For the first time since 1941, the Klub is presenting a spring musical with real, "14-careet" coeds. The play, directed by Dallas Williams, features a cast of 19 coeds and 18 men. The usual custom has been to spotlight a fullback in a wig as the female lead and to feature a pony chorus with muscle-knotted calves.

**GOOD NEWS?**—Maybe what Jack Chedester, playing the part of Bobby, is asking of Jan Crill, who is portraying Marcia, will be considered good news. At any rate the two students giving a preview of tonight's presentation of the Kosmet Klub production of Bobby, is asking of Jan Crill, who is portraying Marcia will be the first of three to be put on at the Nebraska Theater as part of College Days.

**Lead Role**

The 1951 Kosmet show leads, Hal Sienknecht and Suzanne Koehler fit into their roles a combination of acting, singing and dancing.

Few reserved seats still remain, according to Rob Raun, however more are available for the Wednesday presentation than for Thursday or Friday evenings.

Reserved seats are priced at \$1.50 and may be secured from Walt music store, or ordered through any Kosmet Klub worker. Workers are also selling the general admission tickets, priced at \$1.20 and 90 cents.

**Beauty Queen Presentation**

A special attraction, the formal presentation of the six new 1951 Cornhusker Beauty Queens will take place tonight during the intermission.

Winners of this year's honors are: Beth Alden, Janice Carter, Nancy Dixon, Julie Johnson, Jacquelyn Sorenson and Ramona Van Wyngarden.

"Varsity Drag," "The Best Things in Life are Free," "Lucky in Love," "Good News" and "Today's the Day" are a few of the hit tunes that will be featured in duets and chorus numbers throughout the show.

Director Williams has been assisted with Aaron Schmidt who has directed the coed and men's chorus rehearsals for the last four weeks.

According to Schmidt, the

## Mac to Speak Before Senate Group May 3

The senate committee investigating the dismissal of Gen. Douglas MacArthur will hear the five-star general Thursday, May 3.

Chairman Richard B. Russell, (d. Ga.) of the armed services group, announced MacArthur's agreement to appear as the star witness in an inquiry expected to reach into all aspects of his dispute with President Truman over far eastern policy.

Russel has expressed the belief that the hearing should be in closed session, but the committee will comply if MacArthur wishes it to be public.

Russel emphasized that national security problems will be involved in the investigation, especially when senators seek to get to the bottom of military messages to and from the ousted supreme commander in the far east.

"There will remain many questions which must be answered in executive session," he told reporters.

Members of the senate foreign relations committee probably will sit in on the hearings.

**Chinese Reds Surge South of Parallel**

40,000 Chinese communist forces have swarmed south in Korea to points nearly ten miles below the 38th parallel.

A ten-mile gap has been ripped in the allied lines. The red breakthrough threatened to cut the vital Seoul-Chunchon supply highway west of Chunchon, isolating allied forces on the east-central front.

Despite "terrible" communist losses, frontline commanders said the situation was serious.

Intelligence officers said the reds were throwing "everything they have" into the breakthrough on the central front, including cavalry.

They said the gap developed when South Korean forces broke and fell back, allowing the enemy to swarm through and attack neighboring allied forces on the flanks.

**Peterson Appoints New Livor Board Members**

Two Nebraskans have been appointed by Gov. Val Peterson to succeed two others on the state liquor control commission.

Gus Prestegard of Lincoln will replace Marcus L. Poteet, effective at the ending of Poteet's present term of office on May 25.

G. H. Rydman of Omaha has been named to succeed Blaine Young, the discharged liquor commission who refuses to leave office. This appointment will not be effective until June 1, Peterson says. The vacancy has existed since Young was fired last Saturday.

Governor Peterson said he was announcing his appointments "with a great deal of personal satisfaction—I might say pride." He said he "had been able to draft" the two exceptionally successful men "although they had not been attracted by the "disgracefully low" \$4,000-a-year salaries.

## The Weather

Light rain and scattered thunder showers will be on the weather schedule for today. The high temperature will be in the forties and tonight's low is expected to be 35.

## Ivy Ceremonies to Mark Event's 50th Anniversary

Ivy Day, the University's oldest tradition, will observe its 50th anniversary, Saturday, May 5.

Mrs. Louise Barr Anderson of Lincoln, the first May Queen who reigned in 1912, will be present at the mid-century ceremony. Mrs. Anderson will be presented to the Queen's court following the procession.

W. L. Hall of Lincoln, alumni president of the class of 1901 and Fred M. Dewesse of Lincoln, alumni president of the class of 1902, will be presented with the 1951-52 junior and senior class presidents when they plant the ivy.

**Class Presidents**

The junior and senior class presidents of 1901-02, John S. Swenson of Seattle, Wash., and Fredrick K. Nielson, Washington, D. C., are unable to attend Ivy Day.

The procession will start at 10:15 a.m. this year from the Pharmacy building rather than Grant Memorial.

Two acrobatic jesters, Jerry Tubbs and Ira Epstein will lead the procession. Following them is the queen's court which consists of two freshmen pages, two freshmen attendants, four sophomores, four junior and two senior attendants, senior maid of honor and the May Queen for 1951.

The court attendants and pages were selected by the Mortar Boards on the basis of their scholastic and activity records. The May Queen was elected by junior and senior women at the all-coed elections March 20. The

## Cotton, Denim Dance Will Have Deity, Royalty, Dancing

Bewhiskered gents and lovely ladies in high-heeled boots and ten-gallon toppers invade all organized houses Monday night.

Objective: To see that no one forgets the Cotton and Denim dance, the big wind-up of College Days week-end.

The dance, to be held Saturday night in the Coliseum, features deity, royalty and dancing.

One of the five contenders for the crown of Ceres will be presented as the Goddess of Agriculture. The five coeds seeking the title are Mary Chace, Eileen Derieg, Ruth Fischer, Dorothy Bowman and Whisker King.

**Whisker King**

Saturday night is the end of the line for the men with hairy faces. A faculty judging board will stroke, measure and admire the crop of beards. The man who has best covered his face will be proclaimed Whisker King.

Gals who have shivered through a cool week in their summer cottons and fellows who have forsaken corduroy for denim will dance to the Music of Lee Barron and his orchestra. Barron lends something different to his music by letting students lead his band and try to identify theme songs and singing commercials.

**Royalty Salute**

A satirical review of Cornhusker royalty for 1950-51 will be included in the entertainment. The queens will be portrayed "as only their sisters see them," says skit chairman Shirley Coy.

Preliminaries judging was done by Susan Reed of the Sigma Phi and Ladd Duryea of Sigma Delta Chi. Nathan Blumberg and William Hice, instructors in the School of Journalism, were the final judges of the stories.

Every effort is being made to contract a prominent journalist to speak at the luncheon.

Registration for both summer and fall sessions of 1951 will be held May 14, 15 and 16, Dr. Hoover has announced. If necessary, registration will be extended to May 17.

## Corn Shucks Blasts Campus With Ivy Day Prevue Issue

becoming a novelty on the campus, the machine providing the coed with her choice of all, dark, cute men with curly hair or crew cuts should make a fortune.

Editor Frank Jacobs wrote the best editorial comment of his career—"NO TIME FOR WORDS but time for 'Good News' and College Days."

**For Fat Coeds**

Girls, you can eat all you desire and still lose weight! In the upper left corner of page 22, complete information may be found.

Male students were neglected almost completely by Corn Shucks. The morale-lifting cover girl was omitted. If rumors are correct, the April pin-up girl was posted on the bulletin board of the Corn Shucks' editorial staff.

With this last comment, objects of every description began flying from the Shucks' office, so I will take my trusty typewriter and go into hiding until the next issue of the humor (?) magazine.

## Applications Open For Noyes Award

Students interested in the LaVerne Noyes scholarships which supply about \$65 per semester toward tuition for blood descendants of World War I veterans should apply now to the Dean of Student Affairs in the Administration building.

Each year about 25 Noyes scholarships are granted, about 18 of which go to students above the freshman level. Lee W. Chatfield, assistant to the dean, said that students who now hold Noyes scholarships and who wish the scholarships continued must submit a new application before the end of May.

The scholarships are granted on the basis of need, character, scholarship and establishment of relationship to a World War I veteran who served prior to Sept. 1, 1918.

every hour stating the number of hours necessary to register during that period. Students with 125 or more hours will register first, those with 123-124 will be next and so on.

The reason or the change, Hoover says, is that students had figured every possible angle to beat the system of tickets. He believes that the new system may last two years before the students figure an angle to beat it.

**Few Changes Planned**

Except for this change the registration procedure will remain much the same. The four steps in registration are outlined by Hoover as follows:

First, sign the appointment sheet on the door of your adviser's office. These appointment sheets have been mailed to the advisers and should be available now. Meet your adviser at the appointed time to arrange a program of studies. If you have received a notice that you are out of the junior division, go to the dean of your college. He will assign you another adviser.

Second, unless you are in the College of Arts and Sciences, you must have the dean of your college sign your work sheet. This step is not required for students in arts and sciences.

Third, meet with the assignment committee in the Military and Naval Science building. The hours are 8 a.m. to 12 noon and 1 to 4:30 p.m.

**Class Schedules**

Copies of the class schedule may be secured in the Military and Naval Science building beginning May 7. Bizad students may secure copies of the schedule from Dean Fullbrook of the Bizad college, Room 210 Andrews.

Ag students may get copies of the class schedule from Dr. Hixon, Room 206 Plant Industry hall.

## College Days Will Include Water Skiing

Thrills? Spills? Yes. All that and more.

It's the water ski show to be held Thursday at Oake lake between 4 and 6 p.m. as a part of College Days.

Exhibition skiing and clown acts will feature the program, according to Bob Howey, ski show chairman. There will be jumping, backward skiing and other forms of water skiing seldom seen in Lincoln.

Howey emphasized that all students in the exhibition are amateurs and that they have had little time for practice. However, he believes that it will be a show that everyone will enjoy watching.

Students appearing in the exhibition will be: Adele Coryell, Nancy Button, Stan Johnson, Bill Pomeroy, Foster Woodruff, Jerry Minnick, Mendell Archerd, Sandy Crawford and Bob Howey. Dick Lase will be driver of the motor-boat.

Oake lake is only a five-minute drive from the University campus. The lake may be seen as you drive north of the campus on Tenth street.

## Fifty-Four Floats to Represent Four Divisions in NU Parade

Fifty-four floats, representing various campus organizations and groups, will compete in the Husker Holiday parade, a feature of College Days.

Floats will be divided into four divisions to be judged and plaques will be awarded to the winners.

Judging will be done by prominent Lincoln architects on these qualifications: beauty and general eye appeal, 40 per cent; educational value, 35 per cent; originality, 20 per cent and use of music or noise, 5 per cent. Organizations are urged by Dick Kuska, chairman of the parade, to begin working on their floats immediately.
