

# Lutherans, Presby Reach Denom Finals; Geology Out

Interdenominational and independent softball teams took one more step toward determining their respective champions Wednesday evening. Four Independent and two Denom teams remain in the running.

Presby House and the Lutheran Student Association moved into the finals of the Denom tournament by virtue of their Wednesday wins. The Presbys equaled an early season feat of dropping Inter-Varsity while the Lutheran win is classed as a mighty upset as they downed potent Newman Club.

The Lutherans tallied three times in the first frame, once in the second and three times more in the fifth and then withstood a late Catholic rally to win, 7-6. The Newmanites looked like they were going to come from behind and take it as they scored four runs in the sixth inning. The victors had enough left, however, and blanked the Catholics in the last frame to reach the finals.

**Saughstad Is Winner**

D. Saughstad and Bob McCurdy opposed each other on the hill for the winners and losers, respectively. Saughstad allowed the Newman six hits while striking out two, and walking four. McCurdy gave up eight safeties while walking six. He struck out none.

**Harold Dismeyer and Walt Welland led the Lutheran batting attack with a pair of hits apiece. One of Welland's blows went for three bases.**

Nell Campbell led the losers in the hitting department with three hits. Loecker also added a homer to the losing cause.

Presby had to come from behind to whip Inter-Varsity, 7-5. The winners scored three times in the fourth inning to take the lead for the first time and with it, victory.

**I-V Takes Lead**

Inter-Varsity counted three runs in the opening frame and then saw Presby tie it up with two in the first and one in the second. The I-V boys added another in the third to take the lead once again and held it until the Presby fourth.

The victors added an insurance run in the fifth frame on three straight hits.

Shafer, on the mound for the losers, allowed Presby ten hits and struck out none. Mundell hurled for the winners and was tabbed for nine safeties. He struck out five. Neither pitcher issued a walk.

Herb Lemon and Mundell each got two hits to lead the winning hitters. Dick Stansbury clouted a triple in the big Presby inning to help the cause.

**Johnson Clouts Two**

Byron Johnson, Paul Wagner and J. Shafer all got two hits for the losers. Johnson was the big boy at the plate as both of his blows went for the distance.

The two finalists will meet for the Denom title Friday afternoon on field one on the Coliseum grounds, the starting time set for 5:15 p. m. The Lutherans are defending champions.

**Practical Arts stamped themselves as serious threats to the Independent crown Wednesday as they stunned the Geologists, 10-3.**

The winners jumped on Geologist pitcher Arved Christensen for three big runs in the initial stanza and were never headed.

The losers pushed three runs across the plate in the third inning but a big four-run fourth by the PA men sewed up the contest.

**Brandenburg Stung**

Darrell Brandenburg hurled all the way for the winners and allowed but four hits. He walked three men and sent a total of nine Geology batters down swinging.

Christensen allowed only five hits, but walked five and with four glaring Geologist errors that was the game.

Stashy was the big gun at the plate for the winners as he collected all but one of their five hits. One of his blows went for three bases.

Jack Yelkin led the losers as he slammed a four-bagger with two mates aboard to drive in all the Geologists' runs.

The Ag Men's Club pulled a surprise in their second round game as they dropped the Warriors, 9-3. The Aggies were never behind as they tallied two runs in the first frame.

The Warriors tied the score briefly in their half of the first but fell behind for good in the second stanza.

**Wolman Winning Pitcher**

Tony Wolman hurled for the Ag Men and allowed eight hits. His mound opponent Jerry Straszheim also allowed eight safeties but equaled that mark in the bases-on-balls department. Straszheim rang the bell in strikeouts, however, as he personally sent ten Aggie batters down fanning the breeze.

**Van Vleck led the winning attack with three hits while teammate Yamate added two more.**

Scott Cast and Al Gilmore each collected two blows for the losers.

The Dental College Frosh saw a rout in their favor almost blow up in their faces in their second round contest with the Navy ROTC.

The Dents were leading by an 18-6 margin going into the last of the final frame and then were helpless as the Middies chalked up eight tallies before falling, 18-14.

A big ten-run fifth inning proved to be the winning frame for the Dents.

**Brief Lead**

The ROTC led briefly as they tallied four times in the first inning. The teeth-pullers bounced back in the fourth with five runs and it looked like that was the game. They didn't figure on 18 more runs that were due to come.

**Four Navy pitchers issued 15 hits to the Dent attack. Dent hurler, Stem, gave up one more as he allowed 16 safeties in the free-swinging contest. Stem walked nine to add to his woes.**

Pitcher Stem redeemed himself slightly at the plate, however. He collected three bingles to lead the winners. Kelly got two more for the Frosh.

Four Middies earned three hits apiece at the plate. They were Graf, Smith, Skinner and Reed.

**Lillies Roll**

The Lillies took good care of the Plamores' bid for Independent honors Wednesday as they

All men still remaining in the All-University tennis tournament and all teams still in the intramural softball playoffs are asked to keep a close watch of the bulletin board in the P. E. building for changes of scheduling due to the weather.

**Five Defending Champions Head League Outdoor Meet**

Five defending champions will be on hand when Big Seven track and field athletes converge on Rollins Field in Columbia for the twenty-third renewal of the conference outdoor carnival on May 18 and 19.

Moved to a conference locale other than Lincoln for the first time since 1939, the two-day cinder show gives Missouri its first major outdoor spectacle in 35 years. Back in 1916 the Tigers hosted the Missouri Valley conference meet—a 15-team invitational affair which Mizzou won with 49 points.

What is perennially the Big Seven's springtime showpiece comes to Missouri this year under a new system intended to rotate the outdoor meet among the member schools.

**Top Day**

Always red-circled on the calendar of any track enthusiast, the 1951 conference showdown brings together a host of top-notch spikemen whose performances at the major relays—Texas, Kansas, Drake and Colorado—already have whetted the fans' appetite.

Despite the fact that the entry-

list is crammed with "name" attractions—Cooper, Semper, Greenwood, Kelley, Hoskins, Baker, Meader and McGuire to cite a few—the special aura generally clings to any defending champions, and this year is no exception.

More prominent in a lustrous field of shiny competitors are such 1950 outdoor titlists as Kansas' two standouts—Herb Semper, two-miler, and Jack Greenwood, low hurdles king; Herb Hoskins, Kansas State broad-jumper; George Holley, Colorado's javelinist; and Bob Gorden, Mizzou high-jumper.

**Kansas Runners**

These are the five individual monarchs, while Kansas returns three-fourths of its winning mile-relay combination—Emil Schutzel, Jim Dinsmore and Bob DeVinney.

A sixth individual title probably will have to go by default. Charles Coleman, Oklahoma's splendid quarter-mile steed, pulled a muscle in the conference indoor meet, and Sooner authorities say he is through for the season.

Best bets to add a cluster to their 1950 ribbons are Semper, whose 9:11.3 indoor winner stands as the league's all-time low in the two-mile; Hoskins, the Wildcats' self-propelled phenom; and Greenwood, who will be striving for a double-helping of firsts in both hurdles.

If Hoskins can shake off the effects of a severe ankle sprain suffered three weeks ago, this trio should be hard to de-throne. . . . but the crown rests less securely on the heads of Holley and Gorden.

**Javelin Department**

Holley, the Buffs' spear-slinger, can expect plenty of argument from Kansas State's Don Fraizer, and the Mizzou twosome of Don Zimmerman and Bill Fesler. Holley topped Fraizer by some 11 feet in the Colorado Relays, but the Purple strong-armed archer a throw of 196- feet, 5 inches against Kansas last weekend for the loop's best effort this year. Holley's winner at the CU Relays measured 193 feet, 7 1/2 inches.

The high-jump field fairly drips with talent, so much so that Gorden, the '950 outdoor champ, now has the fourth-best jump on the 1951 outdoor books. Including indoor marks, no less than seven high-jumpers have cleared 6-foot-3. Kansas State's Virg Severns, now back in action after a siege of pneumonia, straddled the bar at 6 feet, 7 1/2 inches in the Texas Relays, while Dick Meissner, Nebraska, and Dick Jones, Oklahoma, own outdoor peaks of 6-foot-7. Dogged for three months by a tender heel bruise, Gorden climbed 6 feet, 4 3/4 inches last week.

Preliminaries in the 440-yard dash, shot put, javelin and broad jump will launch the Big Seven meet Friday afternoon at 3 o'clock. Saturday's finals will start at 1:30 p. m., with four field events—the pole vault, high jump, shot put and javelin.

**Three big innings spelled the doom of Plamor hurler, Jiskra. The Lillies scored three times in the third, five in the fourth, and three more in the fifth.**

Bob Clark led the Lily batting attack with four of their 11 hits. Two of his blows were for extra bases, a double and a homer. Claire Johnson contributed three base hits to the winning attack. Cast led the losers with two bingles, half of his team's efforts.

**Delta Sigma Pi and Theta Chi engaged in the only fraternity battle of the day. The Delta Pi's sent 15 men to the plate in the fourth inning as they scored ten times. The final score read 16-6 for the Delta Pi's.**

Until that big fourth, the Theta Chi's held a 3-1 lead. They added three more in the fourth, but it wasn't enough.

**Hinkley Sparkles**

Hinkley of the Delta Pi's turned in one of the day's best efforts as he allowed but one lone hit and struck out nine. He also collected three hits at the plate including two doubles.

Kugler also garnered three hits for the winners off losing pitcher John Fletcher. Kugler's socks were good for one triple and two doubles.

**Cornhusker Tennismen Drop 6-0 Tilt to Denver University**

The University of Nebraska tennis team absorbed another defeat Wednesday at the hands of the Denver university racketmen, 6-0.

Coach Ed Higginbotham described the Denverites as "one of the best teams we've faced all season."

The Huskers' number one tennis player, Bob Radin, slipped back into his losing ways as he lost to Clayton Benham, 6-0, 6-0.

Against the Kansas Staters Monday Radin played his top match in gaining Nebraska's lone singles win of the season.

But he failed to display that winning form against Denver. Benham overpowered him with curving services and cannon ball slams.

Walt Weaver was also shut out by Jack Terberg. Weaver, a sophomore, was the victim of too much experience and court savvy.

Jeff Delton played his best match of the season as he forced Grover Jacobs to go three sets

before finally losing. He lost the first set by a 6-2 count.

But he gave a better account of himself in the second set which he won, 6-3. His offensive game was sharp. He used lobs and slams in racking up the win.

Jacobs turned the tables on Delton in the third set and defeated him by an identical 6-3 count.

Frank Redman also played one of his better matches of the season, but it was not good enough to offset the power of Irvin Hoffman. The final score was 6-1 and 6-2.

Radin and Weaver continued their shutout streak by losing to Benham and Terberg, 6-0, 6-0. The Huskers were again the victims of too much talent and experience.

Jacobs and Hoffman defeated the Huskers, 6-3, 6-3.

**Singles**

Clayton Benham (D) defeated Bob Radin (N) 6-0, 6-0.

Jack Terberg (D) defeated Walt Weaver (N) 6-0, 6-0.

Grover Jacobs (D) defeated Jeff Delton (N) 6-2, 3-6, 6-3.

Irvin Hoffman (D) defeated Frank Redman (N) 6-1, 6-2.

**Doubles**

Benham and Terberg (D) defeated Radin and Weaver (N) 6-0, 6-0.

Jacobs and Hoffman (D) defeated Delton and Redman (N) 6-3, 6-3.

## Bearcats, Mitchell, Arapahoe Favored in State Track Meet

**HOPPY McCUE** . . . Arapahoe's versatile senior will be a strong threat to break the broad jump record. He will also enter the high jump, 180-yard low hurdles and the 220-yard dash.

The Cornhusker athletic scene will be invaded by prepsters this week for the Nebraska High School State Track Meet.

Three defending champions will be on hand to defend their class laurels.

Scottsbluff (w) will be a strong favorite to retain its Class A crown. The Bearcats will present a strong squad which, barring serious handicaps, should be well up among the leaders when the fray is over.

Their chief competition will come from Lincoln high's cinder team. The Links will be out to grab one of the major sport athletic titles since they failed in both football and basketball.

Other schools who will make strong bids are Lincoln North-east, Alliance and the Omaha schools.

Mitchell's power-packed team will be in a good position to retain Class B championship.

**Class B Opponents**

Chief opposition will come from Gothenburg, Chadron Prep, Gering and Crete.

Arapahoe again leads the race in Class C. The Indians have won the title for the past two years and the third time should be charm for them.

Their main challengers are Hay Springs, Taylor and Hildreth.

The Class D race is wide open since Hildreth and Taylor have moved up to Class C. Those two schools tied for the D crown last year.

Outstanding prep athletes will feature the meet. Tops among them in Arapahoe's Eugene "Hoppy" McCue. This versatile lad will enter the broad jump, high jump, 180-yard low hurdles and 220-

yard dash. He was the main cog in Arapahoe's victory last year.

**Discus Thrower**

Doyle Fyfe leads the David City aggregation in the discus. He has consistently bettered 140 feet during the 1951 campaign.

Stan Matzke will lead the Teachers College crew. He is entered in the pole vault, high jump and mile run.

Brien Hendricksen is the outstanding sprinter in the state. Lincoln high's victory hope will ride almost entirely on his speedy

legs. He won both the 100 and 220-yard dashes last year.

Lincoln Northeast's Paul Fredstrom's is the outstanding shot put in the state. He has bettered 49 feet this year.

Roy Seals of Omaha Tech will be the outstanding athlete from Nebraska's largest city. He has the best time in the state for the quarter mile and is also a capable sprinter.

**McCue Threat**

The only record under serious fire is the broad jump. McCue appears capable of breaking Al Mather's old mark of 22-8 1/2. He has been over 22 feet all season and leaped 22-10 1/2 in the pentathlon competition.

If Hendricksen has a good day, he might possibly be able to crack one of the sprint records.

## NU Golfers Drub Wildcats

The Cornhusker golfers got revenge for their one defeat of the season as they trounced the Kansas State club Monday, 17-1.

**Singles:**

Joe Gifford (N) defeated Graham Hunt (KS) 2-1.

Doug Dale (N) defeated Russell Hicks (KS) 3-0.

Erv Peterson (N) defeated Frank Hooper (KS) 3-0.

Dick Spangler (N) defeated Robert Robins (KS) 3-0.

**Doubles:**

Dale and Gifford (N) defeated Hunt and Hicks (KS) 3-0.

Peterson and Spangler (N) defeated Hooper and Robins (KS) 3-0.

### Iowa Mentor Predicts Golf Championship

By Shirley Murphy

Coach Hugo Otopalik of Iowa State has been prognosticating golf results of the Big Seven conference. He fears that his Cyclone boys are just a little inexperienced to go far this year.

According to the Iowa mentor, Oklahoma will win, but will have to fight to do so. Nebraska and Kansas State will be pushing the Sooners hard to win. Missouri and Iowa State will follow next with Colorado bringing up the rear.

Last year, conference results showed close play between the seven schools. Only six strokes separated the three leading teams. The last place team was only 30 strokes behind the winner, Kansas.

Kansas State coach, Bill Meek introduced a new trim for his spring footballers. The new practice garb is padded blocking aprons.

Ernie Barrett, K-State's all-American basketball star, has been invited to play with the College All-Star team against the Rochester Royals, professional champions. The game will be October 19 in Chicago stadium.

Barrett is scheduled to go into the Air Force this summer as a second lieutenant. He will probably play if Air Force authorities will give him permission.

Pete Arenrup has come back to the Colorado tennis team to bolster them for their match this weekend. Arenrup is Big Seven champion and also a former Davis Cup player.

The Buffs are undefeated so far this year, but tied with Southern Methodist, Southwest champions, to slightly blemish their record.

Coach Dick Gray calls this the finest team he has ever coached at Colorado. The record includes four shut-outs, one being over Nebraska; three one-sided matches; and one duel, against Oklahoma, that ended 4-3.
