## First Taste Of Cornhusker Life . . .

NO GRIEF OVER BEEF . . . Ag students could not find anything wrong with these prize beef—even after pooling their information about Nebraska cows. Here looking over the beefies are (from left) Art Raun, Ken Pinkerton, Joan Casey, Barbara Wahlstrom, Barbara Oliver and Gary Hild.

OTHERS WORRY, TOO . . . NU students are not the only ones who have worries over registration. Not by a long shot. Here a trio of Union college students lok as though they are on their last legs. Perhaps they are smiling now-like some 1500 freshmen

OUCH, THAT HURTS . . . No truer words were ever spoken. And freshman Lilian Tews is finding that out as she buys her books for the fall semester from Cashier Shirley Stehlik. Inflation has really hit the book business, and book worms—and NU students—are just beginning to find that out.

# Scarlet, Cream Rate High In Fall Color Selections

What are the most popular fall creased, so does his school spirit.

Every freshman is eager to don his school colors and become a member of Pepsters. Forgotten are the blue and gold, orange and black, or green and white of high school days.

The popularity of football, especially on the Nebraska campus, fills the freshman, as well as the popularity of football as the school days.

The scarlet and cream of his Pepster helps are symbolic of Cornhusker tradition.

# Shaw Classic **Scheduled For**

A new type of stage, originated by actor-director Laughton, will be used. Called "Theater in the Round," the stage will be a raised area in the center of the Coliseum Now Ready

"Don Juan in Hell" is one of Shaw's most humorous works. Originally written as a portion of "Man and Superman," it was later edited from the play.

Student seats will be located in the south balcony of the Coliseum allowing a complete view of the dramatic action. Tickets selling for ninety cents will go on sale Monday, Sept. 17. They can be purchased at a booth in the Union or from campus salesmen.

For Voting

To encourage participation in University elections by students in all colleges of the University the Student Council has sponsored construction of three polling places, two for the city campus and one on the Ag campus.

In order to reach students of law, engineering, and music college booths have been set up in Ferguson Hall. The Ag Union will furnish voting facilities for all Ag

## Summe Is Full Sea For RC Unit

Despite all the alluring activities of summer vacations, a few stu-dents kept on during the hot-weather months with a certain schooltime job.

The Red Cross college unit car-ried on some of its regular ac-tivities during the summer. Sev-eral student Red Cross members lent their time and talent during their vacation.

University volunteers helped the Lancaster county chapter of Red Cross combat the flood that struck the Lincoln area. They cared for homeless children whose parents were cleaning out their damaged

Each Thursday a group of University volunteers went to the Veterans' hospital to provide entertainment and companionship for the disabled patients.

Donna Folmer, Kay Sommers, Nancy Remington and Mary Whit-more planned entertainment for orphanages and children's homes. One party was given by Mary Whitmore and her volunteer workers at St. Thomas orphanage on the Fourth of July.

on the Fourth of July.

Several Red Cross college members assisted the Lincoln Red Cross chapter in the blood drive. Volunteers were stationed in business establishments where they distributed blood-drive pamphlets and registered prospective donors for appointments. Other volunteers placed billboards advertising the drive in store windows.

Red Cross college workers

Red Cross college workers were also on duty at the Munic-ipal swimming pool to assist in the "Learn to Swim" classes this

George Bernard Shaw's classic, "Don Juan in Hell," will be presented at the Coliscum on Tuesday, Sept. 25. Sponsored by the Union, the play will star Charles Boyer, Charles Laughton, Cedric Hardwicke and Agnes Moorehead.

The first drama quartet represents a new type of dramatic art. They will enact the play without the aid of costumes or scenery relying upon lighting and sound for effect.

A new type of stage, originated

Red Cross college workers were also on duty at the Municipal swimming pool to assist in the "Learn to Swim" classes this summer.

Joan Hanson, president of the work of the Red Cross College unit, said, "the work of the Red Cross College unit fulfilled its purpose and made the summer months interesting not only for the college volunteers but also for the people they served."

In order to reach students of law, engineering, and music college booths have been set up in Ferguson Hall. The Ag Union will furnish voting facilities for all Ag college voters.

The polls are constructed of canvas stretched over sturdy wood frames. The booths are portable and easily set up and removed although they provide a private place for students to many private place for si their ballots.

Future elections will be held in these three places. According to plans announced by George Wilcox, chairman of the Council's

Ag YM and YW will hold a getacquainted party Tuesday, Sept. 18 at 7:30 p.m. in the College Activites building.

Everyone is invited to attend, especially freshmen. According to When the building is completed, Steve Eberhart, president of Ag It is planned to house the Unithere, and the classrooms in the dent of Ag YW, the party will in-
