'Roaring 20's' Dance To Climax Weekend

By HAL HASSELBACK

Staff Reporter To climax the weekend of Homecoming activities, students and returned alumni will dance to the music of Hal McIntyre and his orchestra at the annual Homecoming dance at the Coliseum Saturday night.

At the dance the Homecoming queen and four attendants will be honored. Winners of the house and float decorations contests will also be announced.

In the spring of 1938 Miller called McIntyre and hired him. He was the first man signed for Miller's new band.

McIntyre played with Milier four years. Late in 1941 Miller suggested that McIntyre quit and form his own orchestra.

Currently singing with McIntyre are both male and female vocalists, Ernie Bernhart, Sunny Gale and the McIntots.

Although college dates account for a great part of the McIntyre engagements he has recently played at the Pal-ladium, Hollywood, Hotel Commodore, New York; Hotel Sherman, Chicago; Paramount and Strand Theatre in New York.
