Elsie Ford Piper, one of the first two co-sponsors of Coed Counselors, will be among the guests at the annual Friendship dinner held in the Union ballroom at 6 p.m. Wednesday.

Miss Piper has attended every Friendship dinner that has been

ELSIE FORD PIPER

held during the last 21 years. She began her work with the organization, then called "Big and Little Sisters," in 1930 by helping them rewrite their constitution.

In 1932, she became sponsor of a hobby group and was asked to be sponsor of the organization in 1935. Since that time she has served as sponsor and permanent adviser.

As indicative of the changes which have taken place in the organization since the first dinner, Miss Piper pointed to the change in the price of tickets—from the original 35 cents to \$1.15 for Wednesday's dinner. The number of coed Counselors has not materially changed, however, since it was raised from 65 to 150 in 1935. According to Miss Piper, more than 400 big and little sisters usually attend the dinner. About 350 are expected this year.

Other guests at the banquet include Elevera R. Christensen, Mary E. Mielenz, Dean Marjorie W. Johnson, Mary Augustine, Helen Snyder, and the Rev. and Mrs. Rex Knowles.

A style show, presenting 21 coeds in clothes styled for various campus occasions, will follow the dinner. Models representing sororities and organized houses are: Marlyce Mader, Mitzi Marquese, Barbara Hof, Barbara Kreutz, Sally Jo Speicher, Connie Lindley, Carmen Litteras, Cora Sody, Barbara Lucas, Jody Seifert, JoAnn Knapp, Connie Schmetz, Patty Graham, Charlene Katz, Mary Jean Christensen, Jerrine Langelett, Norma Westcott, Rachel Seacrest, Nancy Col, and Cory Anderson.

The Colorado migration train will leave Lincoln at 11:30 p.m. Student Council committee members working with Cobel on the welcoming plans are: Nancy DeBord, Mary Lou Flaherty, Don Noble, Georgia Hulze and Don Larson.

Cobel has requested that all students "show the Coloradans the hospitality that is inherent in all Cornhuskers." Proclamations of the "Welcome Colorado Day" have been sent to the presidents of all campus organizations.

## Red Cross ...

## India Director Speaks At NU

K. Shanker Nigam, director of the Junior Red Cross in India, was guest at a Red Cross Board luncheon Monday.

Nigam has been touring Lincoln as part of a two-month tour through the United States. After leaving Lincoln, he will go to St. Louis, Mo., Washington, D.C., and then to Geneva, Switzerland, to attend an international Red Cross advisory council meeting.

In an interview Nigam said that co-operation between the Red Cross in the United States and in India has been steadily growing. India's closer co-operation with the United States is not, however, a result of her independence from Britain. Political relations, he explained, do not affect Red Cross relationships.

India's Red Cross organization is now an effective, well-organized group, growing steadily since it was formed 20 years ago. Emergency relief and health programs have been stressed. Maternity and child welfare, hospital welfare and ambulance work have been other activities.

Nigam stated that he was amazed at the wonderful work being done here on the University campus and that it was the same everywhere he went in the United States.

In his talk before the Red Cross Board he stressed the sanitation problem which is being undertaken by the

### Twenty Killed in Train Wreck

EVANSTON, Wyo.—At least twenty persons lost their lives and scores were injured in the wreck of two Union Pacific streamliners about 11:30 p.m., Monday night. The east-bound City of Los Angeles, was slowed by snow and finally stopped by a closed block signal near Evanston, Wyo. Within ten minutes the City of L. A. was rammed by her sister train, the City of San Francisco, also east-bound from the coast. In the resulting crash the City of

San Francisco telescoped into the last five cars of the City of Los Angeles, strewn wreckage over a wide area, and smashing passenger cars as if they were toys. Union Pacific officials said it would take a full investigation to determine how fast the City of San Francisco was going when it plowed into the other train, and the sole surviving member of the Frisco's crew, the fireman, was too critically injured to throw any light on the matter.

### Anti-British Demonstration Staged

CAIRO—At least half a million Egyptians staged an anti-British demonstration in Alexandria, and Premier Nahas Pasha promised "any sacrifice" to drive the British out of the Suez canal zone. The United Press estimated that while

300,000 persons watched quietly, 250,000 more Egyptians marched in stony silence through the streets. An Associated Press story gave the crowd at 100,000, and said that many were school-boys.

### Four Red Proposals Defeated

sibility of holding all-German elections to unify the country, and finally the reds had to swallow a 39-vote defeat when Yugoslavia won the right to bring charges of aggression against Russia and her satellites. Russian Foreign Minister Andrei Vishinsky's denunciations of the "Koumintang gang" and "American Imperialists" were concurred in by Jacob Malik and other red delegates, but their protests had no effect.

## Gov. Peterson Speaks To YM On Government

"The line between what is proper in government and what is not is extremely thin."

Gov. Val Peterson expressed this opinion Wednesday at the pre-legislative session of the Hi-Y youth and government program held at the University.

Policies now in existence, Peterson said, are considered proper without further analysis. Government support of public schools is not contested, he pointed out. Public housing, however, he added, has met with varying degrees of opposition.

Mechanisms of legislation, Peterson warned, are not important in themselves. The danger, he said, is allowing mechanics to overshadow the purpose.

"The hardest job of a legislator, he said, is to recognize the many bills put before the legislature for private interest and profit."

The majority of the 530 bills presented during the last legislative session, Peterson commented, were of this nature. The pre-legislative session was
