

# Phi Psi's Blast Taus; Fiji "B" Halt Sig Bees

By BILL MUNDELL, Intramural Sports Columnist

The unbeaten list continued to dwindle Tuesday night in intramural basketball competition as Alpha Tau Omega and Sigma Chi "B" severed membership with the select group. Phi Kappa Psi gave the boot to the Taus, last week's number one team, while Phi Gamma Delta was the evitor in the Sig Chi affair.

The rambling Phi Psi's, loser to the Taus earlier this season, made shambles of the game Tuesday night. When the smoke had cleared, the Taus were on the losing end of a 31-44 score.

The Phi Psi's were in command all the way, although in slow first quarter gave them only an 8-4 margin. A handsome second period was the indicator, however, as the victors romped to a 23-9 halftime margin.

The ATO's came to life in the third stanza and with the help of ten points by Al Blessing, narrowed the gap to 22-30, but they never got the chance to get closer. Bobby Reynolds took scoring command in the final frame and the Taus were through.

Bob Bachman spread his scoring evenly throughout the contest to take top honors for the victors with 14 points followed by Reynolds with 11. Jerry Andersen contributed nine and Don Frei added another eight to the winning total. Tau Blessing led all scorers with 15.

Phi Gamma Delta "B" took care of the top fraternity "B" team by a close 36-34 tally after leading most of the way.

The contest was as close as the final score most of the way with the Weefi Fijis the aggressors and Sigma Chi finding itself behind for the first time since the season.

Muri Maupin led the way for the Fijis in the initial quarter that saw them on top at rest time, 7-6. Clark Caley assumed the leader's role in period number two and the Phi Gams led at halftime, 17-12.

The third stanza saw the Sigs realizing their predicament and striking back with Charles Marshall, Ben Leonard and Larry Dunning leading the attack to push the victors 26-27 going into the final ten minutes of play.

But the Phi Gams had another sparkplug to offer and it came in the person of Jack Shull, whose play dominated the final period and the Fijis had their win.

Shull, Caley and Maupin topped the winning scorers with ten, nine and eight counters, respectively. Dunning, Leonard and Al Barnard each netted eight points as tops for the Sig Bees.

Upsets were not confined to fraternity play as upstart Nebraska Co-op blasted the top team in league X, the Dorm A Comets, by a 45-32 count. Outsourcing the Comets in every period, the Nebraska rolled up quarter scores of 12-6, 20-14, and 40-28.

Don Holmes, Nebraska forward, led the scoring attack throughout the game and finished as leading scorer with 18 markers. Teammate John Bergins added seven and Alan Aden and Dick Nealy contributed another six apiece. All told, seven men broke into the scoring column for the winners.

Bob Boesiger, Comet star, led the attack for the losers with 13 points followed by Ralph Hall with seven.

The win moved the Co-op into a fourth place tie in that league with Navy ROTC with a 7-5 record.

The two teams will meet to determine the fourth place team and the playoff representative in a Thursday night contest.

Ag College action left the nets tattered and torn Tuesday night. The first contest of the evening found the Red Guidons blasting the AGR Scrubs, 62-10, with the whole story being told in two words, Ken LeGrand.

Uncanny Ken moderately posted 11 tallies in the first half but that was only the beginning. A total of 23 counters ripped the meshes in LeGrand's favor in the second half to give him the high game total of 34 points.

The Scrubs were never in the contest, scoring but three points in the first quarter and two in the second to fall far behind.

The University Aggies kept a tight grip on second place in the Ag League VIII by dropping Vocational Ag, 36-23. The game was close for the first half, but the Voc Ag men began to lose their steam in the second and dropping out of the running.

Gene Wilkens led the victors with 16 points followed by Carl Leising with ten. Rodger Bell and P. Schekopf garnered six apiece for the losers.

Cliff Rogers gave the Ag YMCA a scoring punch in their Tuesday game and the Yers rolled to a 44-19 victory over the Ag Men's Club No. 2. Rogers dumped in a total of 27 points to lead the victory-hungry YM men. Willis Vogel topped the Ag Men with eight counters.

Tau Kappa Epsilon dampened Acacia's playoff hopes with a stunning 28-23 upset win. In winning, the Tekes also help to improve their chances of overtaking the Masons for the fourth-place spot in league III.

Behind the 13-point effort of Jerry Ewing, the Tekes rallied to take a commanding lead in the waning moments and stalled out the remaining time. Bernie Goodman helped the Tekes cause with another nine counters.

Chuck Miner again led the Masons with a nine-point output followed by Melvyn Brydl with five.

Farm House "A" duplicated Farm House "B's" Monday night stunt of finishing their regular season undefeated by thrashing Phi Kappa Psi, 50-27. The Aggies thus own two of the six remaining unbeaten teams in intramural play, the Bees with an 8-0 record and the Ayes with a 12-0 mark.

Jim Tweber was the thorn in the side of the Phi Kaps all night as the Aggie forward dumped in a total of 25 points to pave the way to victory. Don Johnson helped the winners' cause with another eight points.

Dick Hussman and Frank Hoffman topped the Phi Kap slate with eight tallies apiece.

Newman Club finished the regular season as one of the six undefeated teams by dumping the Baptist Student House, 38-19 for its twelfth win of the year.

Duane Deitering topped the scoring for the Catholics with 13 counters while Bill Griffin potted 12. Bob Almen led the Baptist's scoring with nine points.

The Lutheran Student Association fought from behind to upend Presby House, 28-26 behind the 16-point flurry of Ned Luther. The score was identical to the Presby win in the first meeting between the two outfits this season.

Bill Luther ran runnerup in scoring for the Lutherans with seven counters.

Bob Green topped the Presby scorers with nine points followed by Norm Sothan with eight. Larry Schmidt contributed five and Scott Stockton another four.

Other Tuesday contests saw Beta Sigma Psi "B" drop Pioneer House, 37-24 with Bunsen scoring 12 for the winners and Harlan Glanzer getting seven for Pioneer. The M-Street Boys rallied to beat Delta Sigma Pi "A," 39-28 with Jim Evans notching ten for the M-Streeters and Cecil Voils potting nine for the losers.

Alpha Tau Omega "B" cracked down on Delta Upsilon "B," 31-20. Dick Watson led the Tau Bees with ten points and Gene Grey topped the DU's with eight. Sigma Alpha Epsilon "B" romped past Delta Tau Delta "B" by a 57-16 score with Ted Forke getting 15 and Tom Cushing notching 12 points for the winners and Paul Cook and George Regan each getting four for the Deltas.

Phi Delta Theta "B" reached the playoffs by edging by Sigma Phi Epsilon "B," 22-20, holding the Sig Eps to two points in the second half. Paul Gustafson and Walt Weaver each got five for the winners while Joe Jerman garnered eight for the Sig Eps.

Sigma Nu "B" beat Kappa Sigma "B" for the playoff berth in league VI by a 36-23 score. Bud John scored ten for the Nu's along with Larry Shafer while Dueser grabbed off seven for the Kappa Sigs.

Beta Sigma Psi dunked Delta Sigma Phi, 43-27 to knock the Delta Sigs playoff hopes completely out the window. Owen Otto topped the Beta Sigs with 14 points followed by Lavern Dannehl with 13. L. G. Lawrence led the Delta Sigs with 12 while Bill Pfeiler garnered a ten-point total.

Theta Chi roared past Norris House, 33-12. Mary Schuman grabbed 12 points for the TC's while Richard Rachin earned seven for Norris.

# Injury-Riddled Husker Tracksters Face OU

By MARSHALL KUSHNER, Sports Writer

It will be an injury-riddled Nebraska team that will meet up with the Oklahoma Sooners this Saturday.

Pulled muscles seem to be the fad this week as Don Tolman, Sheldon Jacobs, Bob Fairchild and Hoppy McCue will all come up with the catchy injury. This isn't going to help the Husker cause against a team which Ed Weir thinks "will be a strong contender for Kansas" in the Big Seven indoor meet.

Fairchild and Jacobs' loss in the 60 yard dash is going to hurt. It will leave Don Sterbs to race the stampeding hooves of Oklahoma's Quannah Cox and Don Sobocinski.

Last year's winner in the 60 yard high hurdles, Don Tolman, will be lost for the meet and Coach Ed Weir is crossing his fingers that his high stick artist will be in shape to compete in the conference carnival next month.

McCue has been picking up valuable second and third places in the Huskers dual meets this season and has been eyeing that 23 foot mark in the broad jump. Irv Thode, who has also been lame, will be set for the meet and it is expected that Ladd Hanscom will get his first crack at varsity broad jumping with McCue out.

Coach Weir had words of praise for his record-breaking sophomore distance ace, Clayton Scott. "He has a great deal of natural running ability," said Coach Weir.

"Remarkable doubling back ability" and "better running at the longer distances" are Scott's outstanding running attributes according to Weir.

From all appearances, the Huskers won't be bringing home the conference pole vaulting title this year. The Huskers have established themselves as the training school for fine vaulters.

Harold Hunt took the conference blue ribbon in 1940-41. Dick Miller took over and took the crown until 1945 and then came the era of Don Cooper and Leonard Kehl.

Don Coupens would have been a good bet to maintain the present Husker bamboo streak, but Emil Sam decided he looked better in khaki than the Huskers' scarlet track uniforms.

quartermilers plus Neville Price, sprinter and broad jumper from South Africa.

Six meet records are definitely in jeopardy. The broad jump mark with Price, and Nebraska's Glenn Beerline and Irving Thode, shooting at it, is almost certain to fall. All three have bettered Merwin McConnell's mark of 22-9 1/2.

The mile run record of Oklahoma's Bill Jacobs (4:26.2) also may go by the boards with Jim Wilkinson, Oklahoma; Clayton Scott and Lee Moore of Nebraska, firing at it.

Clayton Scott also could lower the 2-mile mark, now held by Bobby Ginn at 9:53.8. Scott stepped the distance in 9:39.8, fastest time any Nebraska athlete has ever run the distance, in the Kansas State dual meet.

Don Bedker, North Platte senior, has bettered the times in both the high and low hurdles and Oklahoma's wealth of quartermilers should lower the boom on the relay mark of 3:27.7, set a year ago by the Sooner quartet of Quannah Cox, Richard Jones, Charles Coleman and Jerry Meador.

All of the runners are back, plus Harry Lee and J. W. Mastburn, who are likely starters in the relay.

Meet entries:

Mile run: Oklahoma, Jim Wilkinson, Ken Cooper, Ronald Reed, Nebraska; Clayton Scott, Lee Moore, Harold Sampson.

60-yard dash: Oklahoma, Neville Price, Quannah Cox, Harry Lee, Don Sobocinski, Nebraska; Brian Hendrickson, Don Sterbs, Emil Radik.

40-yard dash: Oklahoma, J. W. Mastburn, Harry Lee, Jerry Meador, Charles Coleman, Nebraska; Bob Bercham, Helen Hendrickson, James Huxley.

60-yard high hurdles: Oklahoma, Ronnie Tolson, Sol Jones, Nebraska; Don Bedker, Gaylord Smith, Dan Lindquist.

2 mile run: Oklahoma, Bruce Dugmond, Warren Rouse, Jim Wilkinson, Nebraska; Bob Kruger, Harold Sampson, Don Wilcox, Clayton Scott.

800-yard run: Oklahoma, Don Crabtree, George McCormick, Donald Smith, Ronald Reed, Charles Coleman, Ken Cooper, Nebraska; Lee Moore, Dale Schmackel, Gene Yeikin.

60-yard low hurdles: Oklahoma, Ronnie Tolson, Richard Jones, Neville Price, Nebraska; Don Bedker, Gaylord Smith, Blake Caffro.

Broad jump: Oklahoma, Neville Price, Quannah Cox, Nebraska; Glenn Beerline, Irving Thode.

Shot put: Oklahoma, Nate Graham, Steve Champlin, Louis Miller, Ted Connor, Paul Grimm, Tom Stone.

**Swimmers Prepare For Grinnell Meet**

Coach Hollie Lopley's Husker tankers will meet Grinnell college Friday in their final dual engagement of the season. The meet is scheduled to begin at 3:30 p.m. in the Coliseum pool.

Nebraska will go into the dual with an unimpressive record of three wins and seven losses. But five of the Husker losses have been by deficits of one to four points.

Grinnell, sporting a good season record, will rely heavily upon the distance events for the bulk of their points, while Nebraska should continue to hold their own in the backstroke.

The final meet on the Cornhusker agenda is the Big Seven conference championships in Kansas City on March 7 and 8.

Grid Work-outs in Lincoln?

The University spring drills will be held in Lincoln this year. Announcement was made in a letter from football coach, Bill Glassford, to athletic director, Patsy Clark. The letter reads:

Dear Mr. Clark:

In view of the difficulty which has arisen concerning the football team training at Curtis, I find it necessary, after a great deal of deliberation, to recommend to the Board of Intercollegiate Athletics that we return our football team to Lincoln for the pre-season work, at least for this year.

This decision has been necessitated by the action that has been taken by the administration of the agricultural school which has expressed the opinion that the football team has interfered in the normal progress of education for their students.

Respectfully submitted, J. William Glassford, Head Football Coach.

## IM Rifle Shooting Nears Play-Offs

Intramural rifle-shooting reached the home stretch in regular season matches this week as the teams began to line themselves up for the playoffs. The post-season single elimination tournament for the top two teams in each league is scheduled to get under way Monday March 3.

Only three teams are undefeated going into the playoffs. They are Delta Upsilon from league A, Delta Sigma Phi from league C and Kappa Sigma No. 1 from league D. Both the Delta Sigs and Kappa Sigs have one remaining match but have already clinched playoff berths.

There will be more than ten teams from the five leagues in the playoffs, however. All teams that have tied for first or second in any of the leagues are also being accepted in the post-season tourney and thus some leagues will send three representatives.

The Hot Shots of league E currently have posted the high team total in a single match. The Hot-Shots high mark is a 1136 out of a possible 1200. Kappa Sigma No. 1 has the second best mark to date with a 1106.
