

Independent Outfits Begin IM Grid Action

By BILL MUDELL
Intramural Sports Columnist
Independent grid teams inaugurated their 1952 play Wednesday as 12 teams met to do battle.

Mustangs Romp

The Mustangs, composed mostly of the 1951 Independent titleholder City YMCA, took a giant stride for this season's crown. The Mustangs trampled the Ag Men's Club by a 28-0 count.

Jack Mankemeyer was the big cog as he and his mates ran like a herd of wild horses over the Aggie crew. The intramural specialty, the forward pass, was used only occasionally by the visitors, as the victors ground out long and consistent gains on the ground.

Mankemeyer tallied twice for the Mustangs, pilfering an Aggie fumble and dashing 30 yards for the first score and taking a four-yard pass for his second tally. Lowell Hoyt climaxed a big 19-point fourth quarter for the winners by snagging a pass in the end zone on the last play of the game.

Swabs Rebound

The Navy ROTC spotted the favored Rockets a first quarter safety and then fought back with a six-point in the second period to win, 6-2. Dick Grant fired a perfect strike to Verone Gibb for 30 yards and the tally.

Russ Snyder fired four touchdowns passes to lead the City YMCA to a 25-0 rout of the Ag College YMCA. Snyder's tosses spelled doom for the Aggies from the outset. His passes accounted for lone scores in the first and third stanzas and two in the fourth.

Darrell Avers was on the receiving end of three of his strikes while J. Jones gathered in the fourth and also the one extra-point pass from the same Snyder.

Newman Club Wins

Newman Club scored seven points in each of the two middle periods to down the Methodist House, 14-0, Inter-Varsity and Sigma Pi took first contests via the forfeit from the Baptist House and the Rambling Rams.

Smith Sparks DU's

One fraternity "B" struggle Wednesday resulted in a 12-2 victory for Delta Upsilon "B" over Beta Theta Pi. With Ken Smith passing to touchdowns in each of the second and third periods, the DU Bees were too much for the Betas.

John Randeker was Smith's favorite target during the afternoon and gathered in both scoring tosses, the first for ten yards and the second for a big 60 yards. Keith Mumby provided the only two points for the losers as he blocked a Smith punt that rolled out of the end-zone in the second canto.

Sig Eps Drop Delts

Friday action was again taken over by the big boys. Defending champion Sigma Phi Epsilon won its second straight contest of the young season by downing their chief contender to the crown, Delta Tau Delta, by a 19-6 tally.

The Sig Eps were unstoppable in a blazing first half that saw them cheered to 19 points by nearly 250 rabid spectators. Thundering Ted Kratt's engine-driven drive to open the game that saw the same Kratt crashing over center the last two yards to score.

The Delts saw one play that quarter that resulted in a Keith Skalla pass intercepted by the rampaging victors. Leading off the second period, Kratt pushed the champs another notch ahead by flipping a 25-yard scoring pass to

Bill Anderson and still before the halftime recess Kratt had the third Sig Ep tally in the form of an end run for 15 yards.

After a scoreless third stanza, Delt Skalla sharpened his firing eye and began to lead his men in a fruitless task of overtaking the winners. One Skalla-led drive was topped eight yards short of paydirt but before the Sig Eps had time to collect the maelstrom, the Delts were knocking again. This time they cashed in as Skalla fired a perfect strike to Bert Sample in a scoring play that covered 25 yards.

As the final whistle sounded, the Delts were back again. Two plays resulted in no score, however, as the Sig Eps held and took home a coveted victory.

SAE's Beat Phi Delts

Sigma Alpha Epsilon in general and Bill Shainholtz in particular stopped the Phi Delta Theta winning streak at one as the SAE's romped to a 20-0 win. Smarting from their 6-21 setback at the hands of the Sig Eps on Monday, the Sig Alphas struck with lightning in the form of speedy Shainholtz who scored all three of the game's touchdowns.

Early in the first period he took a short pitechout and streaked down the sidelines for 62 yards, outrunning the entire Phi Delt team. Twice in the fourth stanza he was on the receiving end of scoring passes, running the final six yards to the double stripe for the first and snaring the second in the end-zone on a pass that traveled 40 yards in the air.

The same Shainholtz led the way in intercepted passes as well as he pilfered two of the six Phi Delt tosses that went astray. John Leach also intercepted two while Pat Lange and Dennie Smith copped the others.

ATO's Crush Sigs

Alpha Tau Omega, behind the brilliant passing of Mac Bailey, crushed Sigma Chi, 39-6. The passing arm of Bailey was responsible for all 39 of the Tau tallies as he fired touchdown strikes to Gene Cotter, Bill Weber, three to Al Blessing and one to Weber who in turn flipped to Dave Jones. Bailey's extra point tosses went to Cotter, Weber and Claude Berreckman.

Bailey touchdown passes covered distances of two, 13, 30, 35, 45 and 55 yards.

Carr Trumbull kept the Sigs from a complete whitewashing by hitting Jim Thomas with a six-pointer in the second quarter.

Patty Berg Holds Clinic At Hillcrest

Miss Patty Berg, one of the top women golfers in the nation appeared in an exhibition and clinic at Hillcrest Country Club Friday. Miss Berg's clinic lasted about 45 minutes, after which she gave a nine-round exhibition.

During the round Miss Berg explained how she was playing each shot, what club she was using, and techniques of the game. She played with Mrs. Carl Fisher, Lincoln City champion, Mrs. H. A. Scott, and Mrs. D. E. Murray.

A large number of University students attended the clinic, including the golf classes.

Defensive Standout

HARD HITTING END . . . Bill Schabacker, 180-pound defensive starter for Coach Bill Glassford's Cornhuskers, harassed the Cyclone offense continually during the Iowa State-Nebraska clash Saturday. Schabacker played a great part in the Huskers' aerial defensive set-up by rushing Dick Mann, the Cyclone touted passer.

The Other Six

So often it's the "good, little man" in sport, who rates highest in the fans' book . . . and Mizouz's newest football hero, just so, is cut from junior-size cloth.

He's Edwin "Skimp" Merrifield, the 5-ft. 8 1/2-inch safetyman who sparked Missouri's bristling defense stand in the Maryland opener . . . and then dived that performance at Berkeley last Saturday to draw the game's biggest ovation.

That was quite an accolade coming as it did from a partisan California crowd and even more significantly, it went to a defensive player. But Tiger adherents will tell you it couldn't have happened to a spunkier, more deserving lad . . .

"Skimp" has carried that nickname ever since he started walking at the early age of seven months. His then puny legs caused his father to refer to him as "Skimp", and the shorter version stuck.

There's nothing puny about the thick-set junior now . . . either physically, or in the effort he puts out each Saturday afternoon. Already, Mizouz followers are comparing his defense zip to that of Loyd Brinkman, the tough, little cookie of five years back, who now coaches football at Mexico high.

Huskers Beat Cyclones, 16-0

BY TOM BECKER
Sports Staff Writer

The Nebraska Cornhuskers opened their conference competition with a sluggish 16-0 victory over Iowa State Saturday afternoon at Memorial Stadium.

The most surprising play of the game came midway in the final quarter when, on fourth down, Bobby Reynolds booted an 11-yard field goal to ice the game.

A 21-yard pass in the first quarter from John Bordogna to his favorite receiver, Sophomore George Mink set-up the first touchdown. It was fourth down and eight to go on the Cyclone 39 when Bordogna hit Mink on the State 16.

On two plays, Fullback George Cifra carried to the two where Bordogna snuck over for the score. Reynolds kicked the extra point.

On the first play after the kick-off, William Schabacker pounced on Dick Cox's fumble on the Iowa State 32.

The Huskers moved the ball to the eight where the Cyclone defense stiffened and Nebraska lost the ball on downs.

At the end of the first half, State marched from their own 16 to the Husker 32 where time ran out.

Nebraska led 7-0 at half time. The opening kick-off of the second half saw Tackle Jim Oliver ejected from the game on a personal foul.

The aroused Huskers moved the ball from their own 34 to the Cyclone 27 only to lose the ball on downs.

Iowa State could go nowhere and Barney Alleman booted to Reynolds who signaled for a fair catch on the Nebraska 40.

Reynolds and Cifra moved the ball to the State 42. Cifra took the ball through left guard and with nice blocking sped into the secondary where he ran through one tackler and out-ran two more for the second tally. Reynolds' try for the PAT went wide.

At the last of the third and beginning of the fourth period Nebraska marched from their own 42 to the Cyclone 12 where Smith fumbled and State recovered.

Iowa State picked up a first down but on the second play, Bill Thayer plucked off a Dick Mann aerial on the Nebraska 49 and returned it to the I.S. 29.

Bordogna and Ray Novak hustled the ball to the 11 where Reynolds kicked the field goal.

Nebraska's offense looked like they had stayed awake all Friday

night while the defense looked sharp except for relapses on some of Mann's passes.

Thayer, Jim Ylesley and Dan Brown hounded the receivers all afternoon and Schabacker played an exceptional defensive tackle. He was aided by Jerry Minnick, Dennie Emanuel and Max Kitzelman.

Offensive standouts were Reynolds, Cifra, Mink and Bob Smith.

Iowa State was powered by Mann, Max Burkett, Cox and Dick Cherpinsky.

Nebraska out-gained the hapless Cyclones, 351 yards to 85. They outdowned the Iowa foes, 19-12.

State's passing attack proved effective as they completed 12 of 18 passes for 124 yards.

Total net yards were 390 for Nebraska and 209 for Iowa State.

Skirts In Sports Cabin Clean-Up Held By WAA Members

If anybody noticed a couple of car loads of dirty, paint streaked people a week ago Saturday afternoon on campus, there was no cause for alarm, it was only a few members of the W.A.A. Most of the W.A.A. council, one sports head, and one house representative drove over to the W.A.A. cabin and gave it one good cleaning. Everything inside the cabin after the help and supervision of Miss Mulvaney and Miss Sullivan from the Women's P. E. Department. We swept floors, washed windows, dusted walls, hosed the furniture and painted. By the way, anybody need a good cleaning woman?

The big occasion for this unusual task is slightly involved. The W.A. cabin was situated by the muddy Stevens Creek and in the past two years, the little creek would get to full and over-flow into the cabin practically every month of the season. Of course, the cabin was so covered with the remnants left from the creek each year and the doors and floors getting more warped, no one was able to get any use out of the cabin.

Last year the council agreed to the idea of having it moved and thanks to many fine people on this campus it was moved. Because the creek still had its mark left everywhere in the cabin after it was moved, we were the cleaning committee to get rid of some of it Saturday. We had many rest periods, one paint fight, and much fun but we got the cabin in fairly good shape.

When the cabin is completely in order the council is hoping to have many picnics and parties.

Free-Throw Qualifiers Begin Today

Another intramural activity swings into action today with the preliminary firing in the basketball free-throw tournament. Monday through Friday of this week will be qualification time for all men interested in vying for this year's gratis-loss title.

All men who turn in a score during the qualification week will be placed in flights according to their scores, similar to the golf set-up this year. Actual competition begins the following week with each flight a single elimination tourney and each flight winner will meet for the All-U championship.

The following procedure has been released by the I-M Department for the qualifying week:

1. Check out a basketball and a scorecard from the PE cage.
2. Obtain a scorekeeper to keep track of your performance. The scorekeeper must not be from the same organization as the participant.
3. Ten practice throws are allowed.
4. Fifty throws are to be made and all recorded on the scorecard.
5. Leave the basketball and scorecard in the cage.

The flights will be drawn up as soon as the qualifying deadline has passed with separate flights for independent entries if enough participants. The pairings and the schedule will be posted on Tuesday, Oct. 13.

(not the kind of parties you are thinking!) and eventually rent the cabin to any women's organization on campus who wishes to use it. Don't get your hopes up, a faculty sponsor must be present. This won't be for quite a while yet.

The soccer baseball tournament is nearly completed. If everything goes all right (no cancellations), the finals should be finished Thursday of this week.

Today's schedule:
Kappa Kappa Gamma No. 1
Kappa Alpha Theta No. 1
Kappa Kappa Gamma No. 3

I've seen some grand soccer baseball games and I've seen the other kind but all in all I think everyone enjoyed themselves. At least, most everyone smiled once in a while.

Orchests will finish tryouts this Wednesday. The tryouts include such roles as a girl pretending to be in a deep, dark hole and gradually rising out of it to a certain number of sustained counts. By the looks of it, I think Orchestras and Pre-Orchestras are going to get some wonderful dancers this year.

Speaking about tryouts, one of these days Aquaquettes, the swimming club, is going to have tryouts too so be sure to keep looking for any announcements to that effect if you are interested.

Well, the hockey club started off with a big bang last Tuesday. Two girls were there, plus four or so P. E. teachers. May I remind you hockey enthusiasts that the hockey club is still meeting every Tuesday at five on the new hockey field.
