

Gophers Win NU Homecoming, 13-7

Late Cornhusker Threat Stymied

Pass Play By NU, MU Spells The Difference

From The Sidelines

Although the Cornhuskers missed several scoring opportunities during their 13-7 loss to Minnesota Saturday before 40,000 homecoming fans, they were spasmodically superior in their showing against the favored Gophers.

Had their passing attack been up to par, the Huskers could easily have had the ball in their control with most of the game, and probably capitalized with touchdowns on several occasions. The Gophers' aerial assault, however, was the deciding factor in the game. Led by their triple threat star halfback Paul Giel, they completed six of 18 pass attempts for a 166-yard total, as compared to Nebraska's completion of none for eight tries.

Giel's running and passing sparked the offensive attack of Wes Fesler's charges while safety Bob McNamara and linebacker Gerald Helgeson led the Gopher defensive corps. McNamara, who played offensive end as well as safety, was the big cog in the win. Time after time when it looked like a Husker back might go all the way, McNamara would be there to stop him.

Nebraska's highly-rated defensive platoon again looked sharp, holding the Minnesotans to only 157 yards by rushing. The entire Nebraska defensive forward wall put up a rugged resistance to the tricky Gopher attack, which utilized a number of different formations.

Sophomore right halfback Dennis Korinek was the most consistent Nebraska ground-gainer. John Bordogna, Bob Reynolds, Ray Novak and George Cifra all did some fine running at various times, but it was hard-driving Korinek who kept the Gopher secondary busy all afternoon. Jerry Yeager, who started at defensive right end in place of ineligible Dennis Emanuel, was commended by Coach Bill Glassford after the game for his rugged play.

The Husker ground attack was far superior to that of the Golden Gophers. Nebraska picked up all of its 16 first downs on the ground, while only eight of the 13 MU first downs were made by rushing. Husker backs chalked up 321 yards to Minnesota's 157 on running plays.

Minnesota's first touchdown, which came on the first play from scrimmage after Reynolds' score and conversion put the Huskers in front, 7-0, was definitely the outstanding play of the day. Giel passed the ball from his own 24 yard line to Jim Soltan on the Nebraska 30, who raced the distance. It was a 74-yard scoring play for the Gophers.

Husker hopes for a win in their finale at Norman, Okla. this Saturday are all but bright. The Sooners smashed Missouri's title hopes, 47-7 Saturday. The Tigers were previously unbeaten in Big Seven play, while Oklahoma had tied with Colorado.

Oklahoma will be gunning for its fifth straight conference win this week end, and only a miracle will prevent them from winning the flag.

A Missouri win over Kansas while the Huskers upset the Sooners is the only possibility.

NU Swimmers Step Up Pace

The pace of workouts will be increased this week with coach Warren Emery's swimmers only two months away from their initial dual with Kansas at Lawrence.

A great believer in fundamentals, coach Emery will continue to increase the pace. One important change, involving Gordon Peterson, may be in the making. Peterson, better known as "Burrhead," has shown in workouts that he can swim the breast-stroke event. He may be used in this capacity along side Richard Hillback, better known as "Burrhead," in this event last season.

SURROUNDED BY GOPHERS . . . Sophomore halfback Dennis Korinek can hardly be seen as several Minnesota tacklers close in to halt his eight yard gain in the second quarter. Minnesota players shown are (left to right) Bob McNamara (84), Phil McElroy (86), Gerald Helgeson (87) and Laurance Schmitt (12). Nebraska fullback George Cifra (22) is on the ground at extreme left.

Minnesota Coach Praises Nebraska Team; Glassford Says MU 'A Fine, Clean Club'

By BOB SERR Sports Staff Writer "One of the toughest clubs we've faced. We're very proud to come out winning against a fine team." That was the statement made by the personable coach of the Minnesota Gophers, Wes Fesler, following the hard-fought 13-7 MU win over Nebraska Saturday afternoon.

Coach Fesler commented that Vic Janowicz (All-American last year for Ohio State) and Giel were the greatest players he has coached. According to Fesler, the injury to Mike Sullivan hurt the Gophers' chances for a win in their final game of the season with Wisconsin next Saturday.

"We made some mistakes," the Husker head coach said, "but the game was clean and rough." The capacity crowd at Memorial Stadium was treated to an eventful afternoon. The card section displayed colorful pictures while Don Lentz' University band formed a football around Barbara Hershberger, who was crowned 1952 Homecoming Queen.

All-Out Attempt

With but five minutes remaining, the losers began the long road back. Bachman intercepted a Kratt aerial on the Sig Ep 29 and then fired passes to Anderson and T. D. Warner to put the ball on the two. Frei bulletted one to Anderson for the tally, but the first important try for point went awry.

The Nebraska ball tournament and swimming meet are the last tournaments offered this year. Since our new point system took into effect from the basketball tournament on until the Nebraska ball tournament, points for voting credit will be counted between and including these two tournaments.

Quick Tie

The Sig Eps erased that lead in short order and two plays later had the count tied at 6-6. From his own 15, Ted Kratt lofted one to Bob Svanda who raced to the middle for four and then heaved to Anderson 17 yards to the Phi Psi ten. A beautiful Kratt to Svanda toss covered the final yardage and the tally read 12-6, Sig Ep.

Phi Psi's Again

The losers bounded right back into the lead. Two Bachman passes netted the 60 yards. Frei snared the first for 19 and Ray Clement the second for the TD. The game's only extra point as Frei made a terrific catch of Bachman's pass.
