Seger Ties Record As NU Wins

The Lineup

Yanks Will Trade If **Opportunity Occurs**

Chuck Klasek

New York Appears Strong . . .

After our little dissertation on the Cleveland Indians last week and the posing of the player trade question, we would like to continue for the next three weeks with brief glances at verious major league clubs and just see how trades might affect their squads. What better team could we begin with than the World Cham-

eam could we begin with than the World Champion New York Yankees, who have won four
straight pennants and four World Series crowns?
With a world's championship ensemble, the
Yankees would appear to be well-enough situated. However, front office officials have long
toyed with the idea of obtaining another topwinning pitcher. They had one eye on the
mediocre performance of Ed Lopat, who won 21
games in 1951 but only ten last year.

But when the Yanks found that their rivals
were hard of hearing in trade propositions and

ice, the idea of swinging a trade for a pitcher was dropped. Much of the new found confidence in the pitching staff may be attributed to the return of Ed (Whitey) Ford, who after two years in the Army at Fort Monmouth, was discharged the other day. Ford was a spectacular rookie in 1951, winning nine games in a row. Also figuring in Casey Stengel's confidence is Tom Gorman, and then there is, as always, Bob Kuzava, once more a World's Series hero. Add these hurlers to the Yanks' Big Three-Ed Lopat, Allie Reynolds and Vic Raschi-and it appears as though the Yanks will have another potent pitching staff.

Yanks Want Infielder . . .

Knowing that they cannot get a top-flight pitcher, the Yankees would like to pick up another first-class infielder. They are not looking for another first baseman. They are not eyeing another second sacker. Nellie Fox is not to be had. With Andy Carey and Jim Brideweser behind Phil Rizzuto, the World's champs are well enough situated around short. That leaves the third base situation open to consideration. If some club, especially Washington, were to show a willingness to talk about a third baseman, it would find ready listeners in George M. Weiss and Casey Stengel.

No more need be said about the status of the Yank outfield. Gene Woodling, Hank Bauer, and Mickey Mantle may almost be considered fixtures.

Takes Two To Trade . . .

Of course, it takes two to make a trade. It is conceivable that the Yankees would get quite a few offers if they indicated a willingness to place some of their more talented players on the market.

But Casey Stengel is not going to break up a winning combination merely for the sake of consumprating a deal. If he can trade surplus now on the Yank roster, or still with minor affiliates, Stengel will do some business. Otherwise-the Yanks will stand

Thus it seems to appear, that the New York Yankees will stand with their 1952 pennant winner. Only if an excellent third base ide presents itself, will the Bombers do any swapping. With the return of Ford and the influx of minor league talent, the New

PLAYS TOP FLOOR GAME . . . Don Weber, six-foot, three-inch junior Husker cager, played a top floor game in Nebraska's 82-73 win over Springfield College at the Coliseum Wednesday night. In addition to his sparkling floor play, "Web," the squad's most improved player, poured 12 points through the hoop to aid the

Springfield Fades, 82-73 As Husker Offense Shines

By HOWARD VANN Sports Staff Writer Fred Seger, junior guard from Omaha, Neb., tied the all-time Nebraska University scoring record set by Bob Pierce two years ago as the Cornhuskers stopped the Springfield College Maroons,

Seger was hitting from all angles on the floor as he racked up 29 points. He hit two points in the first quarter, tallied ten in the second stanza, five more in the third quarter, and finished up with 12 in the fourth stanza. He meshed 11 out of 15 free throws.

The Cornhuskers jumped off to an early lead in the initial quarter as Don Weber, Stan Matzke, and Joe Good hit with amazing accuracy.

Good brought the fans to their feet as he secred four points in less than ten seconds. After sinking a field goal, he stole the ball and sunk two more points. Nebraska led 26-14 at the end of the first quarter.

The Springfield team showed great comeback form as they solved the Husker zone defense and racked up 26 points while holding NU to 15 markers.

Springfield's star center, Alan Schutts, who was held to one field goal in the first quarter finally found the range in the second quarter for 12 more points.

Springfield closed the half-time gap to one point, 41-40.

Matzke, Weber, Good and Seger found the range again after the half and continued to hamper

Schutts and Clayton Bywaters kept Springfield in the game as they both hit from close in consistently. Larry McClements, the smallest man on either squad at 5-6, played a smooth floor game and tied Bywaters for runner-up scoring honors with 13 behind Schutts, who finished with 21.

Three starters fouled out from the Springfield club while the Huskers lost two players via the

Frank Januszewski was the first map to leave with 2:09 re-maining in the third quarter. Schutts fouled out for the first time in three years with 50 sec-onds gone in the final period.

Elias Mulzac, McClements, and Bywaters held Springfield gether for the first part of the last quarter, but then Seger started to hit his long shots and the Maroons

The Bradley Braves, one of the nations leading quintets, will host Nebraska's Cornhusk-

ers at Peoria Saturday night, Both clubs have played a common foe—Minnesota. The Gophers topped Nebraska 71-62 and dropped Bradley, 79-63.

Huskers Face Bradley Next

FRED SEGER . . . Husker guard tied an all-time Nebraska coring record Wednesday night by scoring 29 points en nine field goals and 11 free throws. He now holds the record with Bob Pierce, former Husker cage

fouled in frantic tries to get pos-session of the balls. Bill Johnson fouled out with 4:17 left in the

Mulzac and Bywaters both com-mitted their fifth fouls and Matake and Seger sank four free throws to ice the contest.

Matzke garned 17 points while Good racked up 14. Weber meshed the nets for 13.

The Springfield club is coached by John Bunn, all-time great from Kansas U where he received 11 varsity letters. Before going to Springfield he had an impressive record coaching at Stanford.

The Maroons have now won three and lost two while the Huskers boast a 2-1 record.

Bunn said "It was a good ball"

Bunn said, "It was a good ball game, but the Huskers just had oo much height."

Wins Hurdle Exhibition

WINNER BY A NOSE . . . Don Bedker, Husker hurdle star di the past few years, edged out former NU hurdle ace Bob Berkshire in an exhibition hurdle event staged Tuesday night during the intramural track meet preliminaries. He snapped the tape just a yard ahead of Berkshire in the 60-yard high stick race.
