#### Mueller Gallery Addition

AN AUTOMATIC DISPLAY showing the structure of the human tooth has been added to the Ralph Mueller Gallery of Health Sciences at the University State Museum, Dr. S. I. Fuenning, director of Student Health Center and gallery consultant, announced Friday. Funds for the exhibit were donated by Ralph Mueller through the University of Nebraska Foundation. The display automatically illuminates in succession ten structural portions of the plastic tooth for the viewer. Dr. Fuenning said that expansion of the exhibition into a second gallery is planned soon. Viewing the display (from left to right) are University dental students: William C. Pickering of Cheyenne, Wyo., Vincent F. Sell of West Point, Robert C. Ticknor of Lincoln, and William E. Murphy
