

Cornhusker Gridders Begin Spring Drills

22 Lettermen On Early List

Coach Bill Glassford's Nebraska footballers opened their spring grid campaign Wednesday afternoon, going through a relatively light first day's program.

More rugged toil is on top for later this week, the NU mentor indicated as his Scarlet squad became initiated into some single wing offensive maneuvers.

Although several members of Coach Tony Sharpe's baseball squad double on the gridiron and were out of town, one of the largest spring football squads in the history of NU was on hand for the initial workout.

The players concentrated on basic fundamentals Wednesday, but are scheduled for contact work and some scrimmaging by Saturday of this week.

The spring drills last through May 2 when the Varsity faces the Alumni in the annual All-Sports Day contest.

Coach Bill Glassford's list of hopefuls include 22 lettermen—three ends, four tackles, one guard, two centers, two quarterbacks, seven halfbacks and three fullbacks.

Two-year lettermen who will report are: Bill Schabacker, end; Jerry Minnick, tackle; Jerry Paulson, guard; John Bordogna, quarterback; Jim Cederdahl and Bob Smith, halfbacks; and Ray Novak, Omaha; George Cifra, Turtle Creek, Pa., and Jim Yeisley, Coalinga, Calif., fullbacks.

One-year lettermen are George Mink and Andy Loehr, ends; Ted Conner, Harvey Goth, and Max Kitzelman, tackles; Bob Oberlin and Jim Oliver, centers; Max Kennedy, Bill Thayer, Charles Chamley, Dennis Korinek and Dirkes Rolston, halfbacks.

Schabacker and Minnick are co-captains of the squad.

Coach Glassford's pre-workout roster indicates a few shifts among last season's personnel. Among the changes:

Conner moved from end to tackle; Oliver shifted to center from tackle; Ken Moore from end to halfback.

One added letterman end may join the squad in the fall. He is George Paymick of Des Plaines, Ill., who is recovering from the effects of a stomach ulcer.

There is a strong possibility that the Cornhuskers will switch to the single wing formation for the next campaign. It all depends upon the 20 spring drills, Coach Glassford said.

He feels that dumping the two platoons may help the Nebraska eleven next fall.

"We were never deep enough to properly handle the platoons," the Cornhusker coach said. "Fortunately we played many of our boys both ways in 1952."

Addition of Walter (Mike) Milligan as line coach marks the only change in what Coach Glassford describes as the "best coaching staff in the land."

Coaches Named For Alumni-Varsity Tilt

Coaches have been named for the Alumni team which will meet the Varsity in the annual Alumni-Varsity classic to be held on All-Sports day, May 2.

Fred Dawson who coached Nebraska teams in the early 1920's has been named coach emeritus of the Alumni. At the present time Dawson is in a Chicago hospital recuperating from a gastric ulcer.

Tom Novak and Don Strashem will be the field coaches for the alumni.

May 2 will give Cornhusker fans their first chance to view NU footballers since the free substitution rule was eliminated.

Coach Glassford is expected to use the single wing and some variations which will also be new at NU fans.

NU's Tolman, Dale Shine As CU Defeats Huskers

The Nebraska trackmen tasted defeat in their outdoor track opener at Boulder, Colo., Tuesday night.

Nebraska lacked the long distance runners to match those of CU. Otherwise it was a nip and tuck affair all evening with the Buffs coming out ahead, 69-53.

The Silver and Gold runners won the mile and half-mile races for 18 points and scored 8 more points in the 880.

One meet record was broken and three others tied. The Huskers' timber-oppler Dan Tolman tied the meet record in the 60-yard low hurdles running them in a creditable 36.9.

The other record performances were by Colorado men. Carroll Hardy, fresh off the baseball diamond where he garnered a single and a double in a CU baseball victory, leaped 24-4 in the broad jump to set the only new record of the evening.

Pat Hindman tied the record in the high hurdles and Ron Gray tied the record in the 60 yard dash.

The Huskers showed their usual power in the field events and led the Buffs going into the running events by 9 points.

Cliff Dale was a double winner for the Huskers, copping the shot and discus. Paul Grimm returned to his normal shape and came in second in the shot behind his teammate Dale.

In the high jump two Huskers fought down to the wire and ended up tied for first place. Stan Matzke and Phil Heideck both sailed over the bar at 6-1. Heideck returned to grab third place in the broad jump behind Glenn Beeline who jumped 23-6 3/4 behind Hardy's record performance.

Wendell Cole won some important points for the Husker cause by nabbing second place in the high hurdles and third in the low hurdles.

The Huskers' next meet is against Kansas at Lawrence April 11.
