

Cotton Dance Opens Farmer's Fair Today

Two days of festivities presented by students of the College of Agriculture will open Friday. Events which will be presented during the two day fair are a parade, a midway, the Cornhusker Caravan, the Cotton and Denim Dance, a pie-eating contest, a barbecue, a rodeo, and a square dance.

Added features to this year's fair are the Cornhusker Caravan which replaced the open houses, the typical cowboy and cowgirl

and an approved rodeo. Reigning over the two day fair will be the Goddess of Agriculture and the Whisker King. The Goddess of Agriculture was picked by an all Ag campus election last Tuesday and the Whisker King was selected by four Mortar Boards and two local barbers Thursday evening.

The Goddess of Agriculture will be a coed in the college who has a 5.5 weighted average and a senior standing. The Whisker

King is picked from the 100 contestants who signed up March 5 to participate in the contest. They will be judged on the basis of their beard's length, texture, color and curl. Last year the reigning couple was Lois Larson and Vince Kramer.

The program for the 1953 Farmer's Fair has the opening of the Cornhusker Caravan and the Cotton and Denim dance slated for Friday. The Saturday section of the program has a parade

through downtown Lincoln and the pie eating contest scheduled for morning. The afternoon section will have the rodeo and barbecue. The square dance will close the Saturday section and also climax the 1953 Farmer's Fair.

The Caravan and the midway will be open all day Saturday. Classes for the College of Agriculture will be dismissed Saturday. No excuse from Dean Ephram Hixson's office for these

classes is needed. Students wishing to work on the various phases of the fair on Friday will be excused from their classes. A list compiled by the fair board member in charge of these phases will be turned in to the dean's office. These lists will be used for the basis of granting the excuses for the Friday classes. Students may pick up their excuses for Friday classes starting Monday morning.

One of the added features of

the fair is the Cornhusker Caravan which will be shown to eastern Nebraska for the first time. This display consisting of four units and 130 feet of exhibits will be housed in the Ag Engineering Building. It is being sponsored by the University's Extension Division and the Knights of Ak-Sar-Ben.

The second added feature is the securing of RCA stock and world champion judges for the Saturday rodeo. Reigning over this affair will be the Rodeo Queen who will be revealed by leading the Saturday morning parade. This type of rodeo was made possible by an increase in the University Rodeo Club's budget by the Farmer's Fair Board.

The last added feature is the selection of the typical cowboy and cowgirl from the representatives of organized houses on both the Ag and city campuses.

Haman Trains For '53 Pie Eating Contest

By DICK COFFEY
Feature Editor

"There is no such thing as a 'moral victory.'"

This was the opinion of Otto Haman, University pie-eating champion at his training quarters in an interview Thursday.

Haman will be defending his title this Saturday for the third consecutive year. The contest is scheduled for 11:30 a.m. Saturday.

Haman would not reveal his technique of pie eating, but said one should strive for speed.

"I regard the pie eating contest as any athletic contest," Haman said.

Patsy Dutton, women's pie-eating champion, now at nurses school in Omaha, ran a close second to Haman in last year's contest, and Haman regarded Miss Dutton as his toughest competitor.

Haman appeared to be slightly worried about Miss Dutton's pie-eating abilities.

"My stomach is in good condition for the contest," he said, "and I have trained down to a slim 130 pounds."

Haman said he had lost many dinner invitations by winning these contests, but there isn't much point in entering unless one intends to win.
