Tryouts Open For Lab Play, **Broadway Hit**

Tryouts for "Room Service"

uilding. "Room Service," the first University laboratory produc-tion of the year, will be pre-sented Nov. 10 and 11.

The play is a Broadway hit in the late 1930's written by John Murray and Allen Boretz. The comedy deals with the frantic efforts of show people to produce a play without financial backing.

BILL WALTON, director, said that any student is eligible to try out for the cast which includes 12 men and two women. Anyone interested in working on lights, scenery, properties or make-up may also report to Room 201 at any of the tryout

Love Library Stack Carrells Are Expanded

The University Library has installed 26 additional stack carrells to accommodate graduate students and faculty members, Frank Lundy, director of University Libraries, announced

The total of 115 carrells, small enclosures for individual study, will provide studying space for 230 to 250 people.

EACH CARRES.

EACH CARRELL has its individual heating system, light-ing system and book shelves. Two persons usually occupy one carrell and alternate their study

periods. The library is also adding 8000 three-foot upright shelves which will accommodate 140,000 more books. To utilize every amount of space in the library, swinging book shelves and vertical file drawers have been in-

If this type of shelf was used throughout the eight levels of the library, the capacity of the

Confusion On A-Bomb Increased'

Demos Ask Ike To Give Facts By WILLIE DESCH

Confusion on the danger of an atomic or hydrogen bomb attack by the Russians is being spread by the Eisenhower administration, stated several Democratic

The Democrats believe that it is time for the President or the National Security Council to make some statement of the known facts on atomic warfare and the fate of the people.

A story in the New York Times reported that the President wanted to stop all the loose official talk about the Soviet Union's possible hydrogen bomb. All statements concerning such matters must pass through the National Security Council or the President, it stated.

New Administration

The occupation zone in the Trieste area will be given over to the Italian government for administration at the earliest pos-sible date, the United States and Britain announced. Allied forces of farm mechanization as it is carried on in the United States. have occupied the zone for the past eight years. The troops will now be withdrawn.
