Bowl-Bound Sooner Team Staunch Foe For NU Finale

By GARY FRANDSEN Sports Staff Writer

It's that time of the year again! The significance of that brief, but timely remark simply means that the Nebraska Cornhuskers will once again be facing their traditional, but seemingly invincible foe, the bowl-bound Oklahoma Sooners, Saturday afternoon at Memorial Stadium.

If everything goes according to form, Larry Grigg and his oil-country mates should pick up their 37th conference win under the magic-guidance of Coach Bud Wilkinson, a distinguished member of the coaching profession who has never had a loser in Big Seven competition.

THE CLOSEST a Wilkinson-coached team has come to a defeat in the last seven years against conference opposition have been two ties. In 1947 George Sauer's Kansas Jayhawks tied the Sooners 13-13 in tying for the Big Seven championship with Oklahoma. Last year, although winning the title honors, the Sooners were deadlocked by Colorado 21-21.

Grigg, a sensational defensive back a year ago and now the Big Seven's leading scorer with 72 points, has been Oklahoma's standout performer most of the season. The workhorse senior from Sherman, Texas, scored two touchdowns in last week's 47-0 thumping of Iowa State while two weeks ago his two touchdowns and brilliant defensive work gave the Sooners a 14-7 triumph over Missouri.

Quarterback Gene Colame, clutch-back Merrill Green, End Max Boydston, Guard J. D. Roberts, Tackle Roger Nelson and the nearly-forgotten pre-season All American, Buddy Leake, are other gems who could make it a long afternoon for the Huskers.

BILL GLASSFORD'S squad should be keyed up for the invading Sooners. It's the season's finale for Nebraska as well as the last game for twelve Husker seniors, but it will take a fine performance, both offensively and defensively, if Nebraska has any ideas of giving the heavily-favored Sooners a scare.

Making their final appearance

Holmes, Deppen Get Honorary N's

George W. Holmes, for 25 years a member of the University of Nebraska Athletic Board, and Dr. Earl N. Deppen, team physician from 1931 until 1949, were awarded honorary N's by the active N Club, president Bill Giles announced.

Holmes was serving on the Athletic Board when the Nebraska stadium was built. It was his personal pledge that permitted the start of construction.

The awards were made, Giles said, in view of the service both men have given to Cornhusker athletics.

in a Husker uniform Saturday will be Tackle Jerry Minnick, End Bill Schabacker, Quarterback John Bordogna, Center Ted Britt, Tackle Ted Connor, Halfback Max Kennedy, Guard John Machisic, Fullback Ray Novak, Center Jim Oliver, Guard Jerry Paulson, End Jerry Yeager and Back George Gohde.

Six of the seniors were starters in last week's tussle with Colorado.

IN OTHER conference action this weekend Don Faurot's Missouri Tigers will be at Lawrence for a skirmish with battered

Kansas. If the Tigers defeat the Jayhawks they will wind up in a second-place deadlock with Kansas State.

The Wildcats will be closing their most successful season since 1934 when they meet the Arizona Wildcats at Tuscon. Bill Meek's club has lost only to the powerful Sooners, Missouri and Colorado A&M.

Besides Colorado's 14-10 victory over Nebraska and Oklahoma's 47-0 lacing of Iowa State, other last week action found Missouri nipping Kansas State 16-6 and Oklahoma A&M running wild past Kansas 41-14.

It was all Sigma Chi in the All-University basketball golf championships. Norm Coufal won the individual honors while his Sig Chi teammates scored 98 points to win the team championship.

Other individual winners included Jack Mastin, Phi Delta Theta; Carr Trumbull, Sigma Chi; Bill Soelberg, Theta Xi; and Dean Sloan, Phi Delta Theta.

BEHIND THE champion Sigma Chi squad were Phi Delta Theta, 81 points; Phi Kappa Psi, 52; Sigma Alpha Epsilon, 51; Independents, 29; Phi Gamma Delta, 23; and Delta Upsilon, 15. Other scorers included Sigma Phi Epsilon, Dorm B-C, Theta Xi, Tau Kappa Epsilon, Ag Men's Club, Delta Tau Delta, Navy ROTC and Alpha Gamma Rho.

There was a total of 224 men participating in the tournament, the first year it has ever been held at Nebraska. Fifteen teams competed with 75 matches being played. Coufal had the best record with 22 successful shots.

All-Star Teams

All intramural football team managers are reminded that the deadline for all-opponent teams are due at the intramural office or Nebraskan office by Saturday noon.

All-University all-star teams will be elected on a point system and based upon the all-opponent selections.

Colorado Basketball Hopes Low For Short, Thin Team

Short and thin—two words a basketball coach hates to hear—describe Colorado's basketball squad this year.

Only two boys among 16 currently working out top the 6-3 mark—centers Burdette Halderson and George Hannah, both 6-7.

Bebe Lee, beginning his fourth season as head coach, will probably start a team made up of four lettermen and a sophomore which will average 6-2.

practice, it's even more apparent that the starting five will have to carry much of the 1953-54 load.

Big Hannah, a sophomore from Lake Forest, Ill., will spell Halderson at the post. He's rated a promising newcomer but will be handicapped at the start by his lack of experience.

Other top reserves will be juniors Wilbert Walter (6-2) and Jim Grant (5-10), non-lettering squad members a year ago.

LEADING SOPHOMORE candidates with Hannah are guards Sammy Morrison (5-8), Bill Peterson (6-0), and Merle Abrames (5-10); forwards Mel Coffman (6-3), and Jim Owsley (6-3).

The Buffs will have five weeks of practice under their belts before they open the season in Boulder against Colorado A&M Dec. 7.

Except for a brief interval during the 1948 and 1949 seasons, the Detroit Lion teams have worn blue and silver uniforms since entry in the National Football League in 1934.

"HOW GOES IT?" dials New York—and a building in Illinois answers

Shell Oil Co. wanted a small brick building in Illinois to be able to teletype automatically to a dispatcher in Radio City—more than 800 miles away. The building in Dennison, Ill., is one of four pumping stations on an important oil line. For efficiency, all these stations were to be controlled from New York. Bell System engineers were asked to help.

Now the New York dispatcher operates these stations by using an ordinary telephone dial. By dialing a number, he can make a pumping station automatically report back its meter readings by

teletype! He also dials numbers to open and shut valves, start and stop pumps, and summon an attendant. It's done through Bell System facilities.

These remote-control installations represent salesmanship, research and engineering skill on the part of many Bell System people. That's the reason there are rewarding opportunities in many lines for college people in the telephone company. Why not check soon with your Placement Officer on your chances to start with the Bell System after graduation?
