RCCU Handicrafts Group Aids Hospitals, Orphanages

Holiday Favors, Special Gifts Made By Committee

By BARBARA CLARK
Staff Writer

Working quietly behind the scenes, the Red Cross handicrafts committee brightens the lives of those in need. Although this committee is seldom publicized, the work it does is important.

Like all Red Cross committees, the Handicrafts committee exists to help others. It co-ordinates efficiency with the other college chapters of the Red Cross.

Under the direction of chairman Joan Knudson, the group adds much to the success of the RCCU.

Every Wednesday night Miss Knudson meets with her committee for a two-hour period. At this time the group plans and makes handicraft projects.

PARTY FAVORS brighten the monotony of the lives of children in the Orthopedic Hospital. The committee makes appropriate favors for the holiday seasons and often makes extra gifts during the year.

Last Easter the girls made Easter candy cups, filled them with candy eggs, and took them out to the hospital. Many of the young patients are from towns many miles away from Lincoln and seldom have visitors. Their gratitude at being remembered was the biggest reward the girls could have received for their work.

WIERD HALLOWE'EN masks, paper sacks with grotesque faces crayoned on them, were made for the children at the hospital. These favors were distributed to the patients by the Orthopedic Hospital committee working in cooperation with the Handicrafts committee.

The group has also hemmed baby blankets for veterans' wives, made jokebooks for the patients at the Veterans' Hospital, and made toys and scrapbooks for the orphanages.

The latest project of the committee is to make fifty red Christmas stockings decorated with bright felt stars, Christmas trees, holly wreaths, and candles. The girls are also making yarn animals to put in the stockings. These gifts will be given to the children in Lincoln's orphanages.

Future plans of the handicraft committee include making Valentine, Easter, and May Day favors for the children at the Orthopedic Hospital and the orphanages.

MEMBERS OF the Handicraft Committee are Kathleen Anstine, Paula Broady, Jo Ann Carr, Barbara Clark, Suzy Detweiler, Jean Elliott, Shirley Erwin, Itha Frost, Suzy Good, Marnie Hallam, Dorothy Hartwig, Flossie Haslam, Marilyn Imig, Sharon Johnson, Carolyn Lawritson, Janet McClung, Pat Pauley, Willa Placek, Sharon Reinecke, Ruth Scott, Barbara Thurman, Helen Weir, Suzi Enyearth and Mary Lou Langner.

Miss Knudson is also in charge of the Occupational Therapy Committee. This group assists in

handicraft work and general work at the Veterans' Hospital. Every afternoon two girls from this committee spend two hours at the Veterans' Hospital. Their main job is preparing materials for the patients to use in their handicraft work and helping them with the handicraft activities.

The girls also do filing and other odd jobs at the hospital. Members of the Occupational Therapy Committee are Linda Buthman, Virginia Reaves, Sheila Siren, Jean Aitken, Helen Weir, Polly Downs, Trudy Scriven, Donna Steward, Virginia Hudson, Virginia McDaniel and Ann Luch-singer.
