MONSTERS ON NEBRASKA
 Shows Only at 11:30 P.M.
 One of the nightmare scenes in the scariest stage show of the century, the Mad Raymond's blood curdling "Voo Doo Show" playing the Nebraska Theatre Fri., Dec. 11th for a late show only at 11:30 p.m.
 Ray-Mond's "Voo Doo Show" features blood spattered thrillers said to make Frankenstein look like a sissy!
 Inhuman monsters run foot-loose thru the audience! Ghosts and ghouls leave the stage and sit with you! All girls attending this show are warned to bring escorts! It is announced that undertakers and grave diggers will be admitted free!

McDONNELL AIRCRAFT CORPORATION Graduate Plan

For MASTER OF SCIENCE And DOCTOR OF SCIENCE DEGREES

PURPOSE
 To assist outstanding B. S. graduates in obtaining their Master of Science and Doctor of Science Degrees while employed in industry and making a significant contribution to national defense work.

ELIGIBILITY
 February and June graduates receiving B. S. Degrees in the following fields:
 Aeronautical Engineering
 Civil Engineering
 Electrical Engineering
 Electronic Engineering
 Mechanical Engineering
 Physics

Those chosen to participate in this Plan will be from the upper portion of their graduating class and will have evidenced unusual technical ability. They must also have evidenced imaginative ability and possess personality traits enabling them to work well with others.

CITIZENSHIP
 Applicants must be United States citizens who may be cleared for "Secret."

PARTICIPATING UNIVERSITY
 Washington University in St. Louis will participate in this program and candidates for Master of Science and Doctor of Science Degrees must meet entrance requirements for advanced students at this university.

PROGRAM
 Under this Graduate Plan, students will attend Washington University on an individually arranged schedule and will work at McDonnell on a part-time basis up to 36 hours per week depending upon the student's current school program. A Master of Science Degree should be obtained within a maximum of two calendar years. Under this arrangement, it will be possible for a candidate to earn approximately 85% of a normal year's salary and to attend the university during regular semesters while working toward his advanced degree.

COMPENSATION
 Compensation will be commensurate with the individual's ability and experience. Compensation growth will be on the same basis as the full-time members of the engineering staff. In addition, the candidate will be eligible for all other benefits accruing to full-time employees.

TUTION
 Tuition covering the required number of units necessary to obtain an advanced degree will be paid by McDonnell Aircraft Corporation.

SELECTION OF CANDIDATES
 Candidates will be selected by officials of McDonnell Aircraft Corporation and Washington University.

HOW TO APPLY
 Interested candidates should contact their Student Placement Office and make an appointment for a personal interview with our Engineering Representative when he visits your campus. If this is not possible, request and submit by mail a formal application and up-to-date grade transcript. All replies will receive full consideration.
