In The Stands

Regents, Athletic Board Plan Moves With Caution

By GEORGE PAYNICH

The most interesting thing to come out of the much ballyhooed Board of Regents and Athletic Board meeting was the selection of a committee with instructions to evaluate the current status of the University's athletic program and report to a joint meeting of the two groups sometime in the future.

We had expected that powderkeg we spoke about earlier to explode at Saturday's session, but evidently the two groups were not swayed by the emotional binge that is in progress in coming to a quick and more decisive verdict.

With all the newspaper talk about secret meetings between player representatives and Board members, we had expected more action, especially after we had heard that something big was in the wind.

THE DECISION to go slow was a good one from many standpoints. First of all was the fact that Coach Glassford was not in town to face the charges that are obviously being hurled. Secondly such sorts of goings-on wouldn't make the University of Nebraska look too good in the eyes of the nation.

This doesn't mean that we aren't going to see an explosion at all, but it should be much milder than originally anticipated.

Following is the complete statement, agreed upon unanimously by the Board of Regents and the Athletic Board:

I. Definition of the University's program of intercollegiate athletic as follows:

1. The University's program of intercollegiate athletics, properly controlled and administered, has a rightful place in the activities of the University and the state.

2. Administration and control of the athletic program is a responsibility of the University to be fulfilled as prescribed by University authority and in strict compliance with the rules of the intercollegiate athletic conference and accreditation associations to which the University belongs.

3. By virtue of its dedication to the cause of higher learning the University is pledged to maintain its athletic program without compromising academic standards or the young men who participate in varsity sports.

4. As an agency created by and responsible to University authority, the Board of Intercollegiate Athletics seeks to operate a program of intercollegiate athletics which can be successfully tested in the lights of academic scrutiny, financial investigation, and American sportsmanship as defined by propriety, conference rules and accreditation regulations.

5. The present athletic program of the University can be strengthened within these tenets without in any way obscuring the advancement of the cause of higher learning as the prime objective of the University.

II. REQUIREMENTS THE Board of Intercollegiate Athletics shall seek to fill in selecting a new Director of Athletics:

1. The qualities of executive leadership, especially in dealing with the organization and personnel of the athletic department.

2. The ability to attract the confidence and goodwill of Nebraska communities.

3. The ability to make clear that the University wants to enroll young men of outstanding athletic ability, capable of doing University academic work, who graduate from high schools in Nebraska and the surrounding areas from which students frequently enroll at the University.

4. The ability to make clear that while the University's interest rests first in students from its own geographic area, every fair consideration will be given to students of athletic ability, capable of doing University academic work, from any area who wish to enroll at the University.

5. The ability to command the respect and attention of responsible leaders in athletic circles.

6. A willingness to cooperate with University policy for maintenance of a clean, strong, properly balanced athletic program.

III. THE SELECTION of a committee of three composed of acting Chancellor John K. Selleck; Robert W. Devoe, president of the Board of Regents, and Dr. Walter K. Beggs, chairman of the Board of Intercollegiate Athletics, with instructions to:

1. Evaluate the current status of the University's program of intercollegiate athletics and

2. Report to a joint meeting of the two boards in the near future.

Sooner Gridiron Losses Strike Tackles Hardest

Oklahoma, the new Orange Bowl and Big Seven champions lose almost one-half of both their first and second teams with the heaviest graduation casualties centered at tackle.

J. D. Roberts and Melvin Brown, starting guards, are gone. So are Tackles Roger Nelson, Dick Bowman, Doc Hearon and Jim Acree and End Kay Keller.

Backfield losses were heaviest at halfback where Larry Grigg, outstanding back of the recent Orange Bowl game, Jack Ging, starting left half, and Merrill Green, No. 2 right half and punt ruckbacking specialist, won't return. Quarterback Jack Van Pool, who piloted Oklahoma through the last half at Miami and Jerry Donaghey, No. 2 fullback, also are lost.

Freddy Seger's Passing, Shooting Paces NU Win

By GEORGE PAYNICH Sports Editor

Nebraska's Cornhuskers swept to their third conference win and their third win in a row Monday night, vanquishing Texas Winter's K-State five, 88-75, before a delighted home gathering of 5,000 at the Coliseum.

The Husker "Whiz Kids" led by sparkling Freddy Seger's 25 points overcame a six point first

quarter deficit to hand the hard-playing visitors their second loss to NU this year.

Willard Fagler with 19 points, Bill Johnson with 18 and Don Weber with 15 were the scoring guns in the Husker win.

The Husker "Iron man" starting lineup of Chuck Smith, Johnson, Weber, Fagler and Seger played almost the entire game. These five received a

tremendous ovation as they left the floor in final minute.

Big Gene Stauffer kept the visitors in the game until the fourth period with his brilliant floorwork and shooting. The kinglypin in the Wildcat attack tallied 23 points.

Seger, the big wheel in the Husker machine this night, was hotter than a firecracker. When the thin man wasn't hitting with his one-hand jump shot he was putting on a Bob Cousy type of passing to enable his mates to rack up easy layup shots.

\$Indiana Smacks Minnesota Before 18,872 Cage Fans

The largest crowd ever to watch a basketball game in a college-owned gymnasium and the breaking of an NCAA scoring record highlighted another action-packed and hectic weekend of college basketball around the nation.

Minneapolis was the city and the defending Big Ten and NCAA champs, the Indiana Hoosiers and the Minnesota Gophers, were the teams that brought in an over-flowing crowd of 18,872 to watch their stirring battle in which the once-beaten Hoosiers won out 71-63.

GUARD Bob Leonard, a strong All-American candidate, and Forward Dick White were the Indiana leaders in the Big Ten clash that involved two of the nation's top ten teams. It was Minnesota's second setback of the season, the other being to top-ranked Kentucky.

Down in Baton Rouge, Louisiana State's All-American center, Bob Pettit, lowered the boom on Georgia with an amazing 57-point production to lead the Bengal Tigers past the out-classed Bulldogs 100-53.

Pettit's remarkable performance broke the NCAA scoring record of 51 points for a single game against "major opposition" made earlier this season by Kentucky's Cliff Hagen against Temple. His total of 23 field goals also broke another NCAA record.

ELSEWHERE in the Big Ten Michigan State startled favored Illinois 60-59 in a nip-and-tuck affair when Forward Julius McCoy dropped one in from the charity line. Robin Freeman and Paul Ebert were the big guns as Ohio State downed Purdue 91-74. Northwestern whipped Michigan 72-60 and Iowa dumped Wisconsin 71-54 in their conference activity.

In the Big Seven Nebraska and Kansas continued to share the conference lead with triumphs over Oklahoma and Missouri respectively. The Huskers with Fred Seger and Bill Johnson leading the way nipped the Sooners 76-72 while Kansas ran wild past Missouri 87-69 as sophomore whiz Dallas Dopps flipped in 23 points.

Kansas State edged Colorado 66-60 in the other loop action while Bradley smacked Iowa State 92-76 in a non-conference tilt.
