The play cast, according to the speech department, was invited to attend the clinic by the Fairbury PTA.

DRAMA CLINIC is an annual project of the speech department. The clinic resulted from requests from directors of colleges and high schools that the University provide instruction or advice involving problems of production.

18 Year Old Vote

LINCOLN—A petition to lower Nebraska's voting age to 18 has been filed by Leonard Owen of Lincoln, state commander of the Veterans of Foreign Wars.

Following this filing, the VFW will begin circulating the petition to get 50,000 signatures necessary to get the question on the ballot. F. M. Parker of Kearney will head the campaign.

In explaining his reasons for the petition, Owen said high school graduates are better versed in political science than they used to be and should have the right to voice their political opinions through voting. Also, Owen said, since the draft age is 18, men should have the right to choose those who send them to war.

Snider To Conduct New 90-Member Collegiate Band In Concert Sunday

Initial Performance To Feature Manx Tone Poem, Concert March

"Collegiate Band" will give its first concert Sunday at 4 p.m. in the Union Ballroom.

The new band, under the direction of Jack Snider, instructor of brass instruments and theory, will present its first concert.

It was organized when the growth of band instrument training in Nebraska high schools made it impossible for the University to accommodate all students in the regular symphonic band. Donald Lenz, conductor of University bands, and David Foltz, chairman of the department of music, decided that another band should be established.

COLLEGIATE BAND has approximately 90 members. The combined membership of the bands includes approximately 180 students where in the past there were places for only 100 to 200 students.

Students may be promoted from the collegiate band to the symphonic band.

Since the symphonic band is the only University band that goes on tour, the Collegiate Band will give concerts on the University campus. The band will appear again this spring at the Square Dance Festival and Ivy Day.

PREVIOUSLY THE symphonic band was formed by adding women students to the ROTC marching band, and the overflow of men from the marching band composed the Brass Choir. The University marching band is now composed of men from both symphonic and collegiate bands. The Brass Choir has been eliminated.

Concert program, as revealed by Snider, will include:

"SKYLINER," CONCERT march, by Harry L. Alford; "Il Guarany Overture" by Carlos Gomes; "From the Delta," 1. Work Song, 2. Spiritual, 3. Dance, by William Grant Still; "Mannin Veen," a Manx tone poem, by Haydn.

"Trombone Troubadors" by David Bennet with the trombone section as soloist; "Hillbilly from Americana," by Morton Gould; "The Blue Tail Fly," by Clare E. Grundman; "Horse and Bug," by LeRoy Anderson; and "Brass Pageantry March," by Action E. Ostling.

Junior Men

Junior men who have participated in extra-curricular activities should leave their names and addresses in the Innocents mail box in the Union Basement by Tuesday.

Collegiate Band Soloists

The trombone section of the University Collegiate Band will appear as soloists at the concert Sunday, Jack Snider (left) is director of the band. Trombonists are: (front row, l. to r.) Walter Schmidt, Carroll Goll, Charles Elwell, Jim Feather,

The Universal Day of Prayer, sponsored by the World's Student Christian Federation, is being held in 56 countries in which 25 different languages will be spoken.

INSTEAD OF presenting a speaker from off campus, three students will speak on the various aspects of prayer at the service.

Marie Lindgren, a graduate student and member of the Lutheran Church, will speak on "The Nature of Prayer."

THE ORDER of worship will begin with an invocation and a hymn of praise. The Litany of Confession and the Prayer of Thanksgiving will follow.

Prayers of intercession will "bring before God the needs of the students of the world." Scripture reading will be taken from Luke 11:13. Ending the worship service will be a benediction asking that the fellowship of the Holy Ghost be with the students.

STUDENTS OF the University will direct and conduct the entire service. Jack Rogers, chairman of the Religious Welfare Council's Universal Day of Prayer committee, will preside over the service. Other students assisting Rogers, Hogg, Johnson, and Miss Lindgren are: Don Rosenberg, Forest Stith, Joyce Laese, Hans Steffen, Norman Francis, Sandra Reimers and Darrell Degraw.

All of the student religious houses are having their regular Sunday night meetings as scheduled before combining to observe the day of prayer.

The WSCF, which is sponsoring the day of prayer, is an international and inter-denominational movement of students committed to enable Christ to come alive to students so that He may lay claim to their souls. It was founded in 1895 in a medieval castle in Vadsteha, Sweden.

Relationships Of Music, Art Enumerated

Composers are influenced by painters or their works; music or composers influence painters in their works.

Manfred L. Keller, assistant professor of art, discussed these two divisions Tuesday evening at Morrill Hall. His lecture "The Interrelations of Art and Music," was illustrated by slides, recordings and paintings.

Main lecture points included the musical instrument as an aesthetic object, not a functional tool, as well as the reciprocal inference and representation of music in painting. Fusion of visual arts and music, such as ballet and opera, were explained by Keller.

Prayer For Students

(By Rex Knowles, Presbyterian-Congregational student pastor, adapted from the World Student Christian Federation "Call to Prayer")

O God our Father, we confess the sins that are ours as students:

Our laziness and wasting of time
Our lack of discipline
Our fear of those who oppose us and our failure to witness to them
Our irresponsibility in choosing a career and our unwillingness to forgo material wealth
Our readiness to be satisfied with discussion, and to accept ideas in place of action.
Our blindness to the needs of our fellow students who are sick, poor, anxious, despairing or lonely
Our failure to pray regularly and to expect great things of Thee.

On this day, Father God, we bring before Thee the needs of the students of the world. We pray especially:

For those who have lost their sense of significance as students
For those whose anxieties do not leave their minds free to think
For those tormented by the difficulty of choosing a vocation
For those who have become estranged from their families
For those who study far from their home within a strange culture.
For those who are homeless or stateless, lonely or hopeless.
We thank Thee, Father, for all teachers who have a vision of their responsibility. Give them the wisdom and strength to discharge it effectively. Continually pour Thy grace upon them, comfort and refresh them, hearten and humble them that they may serve Thee with quiet minds to Thy Glory.

We ask that our faith and prayer may not fail, and that Thou wilt use and empower us as Thy instruments. And we pray that Thou wilt raise us for our time men and women in every land who bring about peace and brotherhood and obedience to the faith among all nations.

Student Council Faculty Sub-Committee Rejects 2 Constitutions

Parking Improvements Proposed

Student Council Wednesday reported on the faculty sub-committee's failure to pass two constitutions, discussed student activities and received the report of the Parking Board.

The faculty sub-committee on student organizations did not pass the constitutions of AWS and the University of Nebraska Council on Religion due to the structure of the constitutions.

The report of money taken in from parking permits and fines included \$3,638.00 from permits and \$2,233.00 in fines, giving a total of \$5,871.00. Expenditures were \$1,222.02 for improvement of parking facilities and \$1,080.00 for the bookkeeper's salary, giving a total of \$2,302.02.

THE REPORT listed a balance of \$3,568.88, which is proposed for use in better parking improvements, especially on Ag campus.

After writing to other schools, Art Raun, chairman of the Student Wages committee, found that the number of students employed here is inferior to that of other comparable schools. The committee will talk to Dean Colbert about the problem.

THE STUDENTS Activities committee plans a tour of the Capital Building for foreign students April 3, subject to the approval of Gov. Crosby, who will speak to the group.

The committee's plans for next fall include having foreign students fill out an informative card during registration, greeting foreign students early in the fall and having a foreign student mass meeting.
