

NU Mat Team Goes Against Tough I-State

Coach Al Patrin's Nebraska wrestling squad will grapple against powerful Iowa State at Ames Thursday night. The Cyclones have won seven straight mat triumphs without a setback so the Huskers will be expecting an extra rough evening.

Coach Harold Nichols expects that this will be the toughest meet of the year for his Cyclone squad. Led by its two big men, Charles Bryant, 177, and Max Kitzelman, 239-pound heavy-weight, the Huskers have been especially rough for the Cyclones in the last few years.

In the past six meetings the two teams have each won two, lost two and tied two.

Two of the Iowa Staters are undefeated. They are Hugh Linn at 123 pounds and Bob Formanek who wrestles in the 157-lb. division. Neither of the two are seniors. The meet is expected to draw another big crowd of more than 3,000 fans as four Iowa State wrestlers close out their collegiate career.

Huskers Start Spring Football Chores

Going over some notes before the start of the initial spring football session at the University of Nebraska in the Fieldhouse Monday are six quarterback hopefuls and three Husker

coaches. Backfield Coach Bob Davis is the gent with the information everybody's looking at. John Bordogna (kneeling at right) and Head Coach Bill Glassford are watching things.

Bordogna, the Husker quarterback last year, is working with the backs. The players are Rex Fischer, Don Erway, Don Margheim, Charlie Smith, Dan Brown and Gordon Engert (left

Sixty-Nine Gridders Report For Opening Spring Session

Bob Smith, Sylvester Harris Moved To Fullback, Halfback Respectively; Bill Pleased With Turnout

Sixty-nine University of Nebraska football candidates reported to Coach Bill Glassford and his assistants Monday as the Huskers opened their spring training chores which will be climaxed with an intra-squad game on All-Sports Day on March 26.

All of the veteran players who signed the anti-Glassford petition in January reported for the opening session with the exception of Tackle Max Kitzelman and Guard Charley Bryant.

BOTH KITZELMAN and Bryant are on the wrestling squad which winds up their season March 12-13 with the Big Seven meet. Bryant is expected to report after that date while rumors have it that Kitzelman is Army-bait.

There were several changes made by Glassford on the opening day. Bob Smith, a Husker workhorse at halfback last season, was moved to the fullback corps and Sylvester Harris was switched from end to a halfback station, a position he is more accustomed to.

GLASSFORD STATED that he expected to stick with the T-formation during the spring sessions, but there are indications that plenty of work will be done with the Split-T. All drills will be held from 4 to 6 each afternoon and will be open to the public.

The Husker coach was well pleased with the initial turnout and emphasized that every player will be given an equal chance to make the squad whether he was a petition signer or not.

Most of the games Monday went true to form in the intramural basketball play. In one of the big games Sigma Phi Epsilon bounced back into the win column with a 53-40 trouncing of Sigma Alpha Epsilon.

In other leading games Beta Theta Pi nipped Theta Xi 42-34, Phi Kappa Psi walloped Kappa Sigma 66-32, Presby House

The Tigers jumped to a quick 11-2 lead in the first three minutes and were never seriously threatened after that. At half-time Missouri held a comfortable 25-30 lead.

Stan Matzke, who has been sparking for Huskers in the last few games, was the Scarlet ring-leader with 16 points. Bill Johnson, one of three seniors playing their final game with Nebraska, added 15. The other seniors are Fred Seger and Don Weber.

Gym, Wrestling Teams In Action

There is only a limited amount of activity for University of Nebraska athletic teams this weekend. The headline home attraction of the week is the All-College Invitational Gymnastics Championships to be held in the Physical Education building Saturday at 10 a.m. and 2 p.m.

There are also two wrestling meets on the docket. On Thursday Coach Al Patrin's grapplers go against Iowa State at Ames and on Saturday they meet Kansas State at Manhattan.

Attention

All intramural basketball teams qualifying for the tournament playoffs should check the I-M bulletin board in the Physical Education Building before Wednesday night. Alpha Tau Omega is defending All-University champ.

IT'S ALL A MATTER OF TASTE

No guessing games with cigarettes. When Luckies are your brand... A cleaner, fresher, smoother smoke. A taste that's really grand!

Phil W. Elder Oklahoma University

When you come right down to it, you smoke for one simple reason... enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco... light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better... always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

I've often been class president—I'm called a real go-getter! My brand is always Lucky Strike—Why shucks, they just taste better!

COLLEGE SMOKERS PREFER LUCKIES. A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!

I've always heard that taste will tell. And now I know it's true—The better taste of Lucky Strikes will sure convince you, too!
