RC To Distribute Boxes For Drive

A clothing drive sponsored by Red Cross orphanage committee will give students the opportunity to donate clothing to children in Lincoln orphanages.

Committee members will deliver boxes for clothing to all organized houses Thursday.

Students are requested to fill the boxes with clothing, jewelry, toys and books for children and teenagers. Marty Morrison, chairman of the orphanage committee, suggested that students bring clothing and other items from home after vacation. "Many of the children at orphanages have only two outfits of clothing and are in desperate need," Miss Morrison said. Boxes will be picked up April 22.

Bacteriologist Plans Lecture Series At NU

Dr. Sydney D. Rubbo, chairman of the department of bacteriology of the University of Melbourne, Australia, will present two lectures Wednesday in Bessey Hall Auditorium.

Rubbo will discuss "The Influence of Chemical Constitution of Anti-Bacterial Activity as Illustrated by Studies of the Acridines and Hydroxyquinolines," at 4 p.m.

His 8:15 p.m. lecture will be of special interest to physicians and pre-medics, for he will explain "Some New Techniques in Studying Drug Sensitivity of Tubercle Bacilli and in Vivo Screening of Anti-Tuberculous Agents."

Rubbo will speak Thursday in Agronomy Auditorium Room 244 on "Mutagenic Changes in Yeast Involving Loss of Respiratory Function."

Dr. Dwyer To Lecture On Complex Compounds

Dr. F. P. Dwyer, senior lecturer in chemistry at the University of Sydney, Australia, will discuss "The Biological Activity of Complex Inorganic Compounds," Wednesday at 2:45 p.m. in Bessey Hall Auditorium.

Dr. Dwyer, internationally known for his work in inorganic coordination compounds, is in the United States as a visiting professor at Northwestern University. His visit to the University campus is sponsored by the Research Council.

FFA Presidents

Past and present presidents of Nebraska Future Farmers of America shake hands after the state convention Friday and Saturday. Charles Trumble, left, was elected to succeed Arley Waldo. Both are University freshmen.

NU Freshman Elected State FFA President

Trumble Completes 27 Projects

Charles Trumble, Ag College freshman, has been elected state president of Future Farmers of America at the FFA Convention held last week.

Trumble succeeds Arley Waldo, an Ag College freshman and a member of Alpha Gamma Rho.

Trumble has operated an intensive supervised farming program and has completed 27 production projects. Included in his farming program last year were 11 dairy cows, 3 dairy heifers, 82 fattening hogs, 500 chickens, 15 acres of corn, 20 acres of oats and 18 beef-fattening cattle.

He was star dairy farmer in 1953 and a state farmer in FFA. His college activities include: YMCA cabinet, 4-H Club, Varsity Dairy Club, Ag Union committee, Ag Interdenom, AUF worker, Yell Squad and a member of Farm House fraternity.

Theater Production To Begin Final Week In Arena Tonight

The final week of "The Man Who Came to Dinner" will begin tonight in the Arena Theater, Temple Building.

Play director Dallas Williams commented that the play was written purely for amusement and entertainment. "George Kaufman, the author, is a master at inventing humorous and farcical situations in a play," he said.

New KNUS Console Unit Termed More Dependable

Student Interest Programs Added By Union, Campus Religious Groups

An electronic console unit was recently received and installed at University radio station KNUS. The unit enables one person to handle the entire job of announcing and engineering at once.

Its purpose is to provide radio students with a more realistic approach to commercial station operation. In addition, it will give more efficient use of the station control room by permitting studio-originated shows to be rehearsed or taped during the regular operation of the station. The total operation will be more dependable than the former situation, according to Paul Schupbach, acting director of radio.

PROGRAMS OF special student interest that have been added include a thirty-minute show sponsored by the Union which will be heard every Thursday. The show will inform University students of the coming weekend activities sponsored by the Union and describe features offered by the Union. Another show heard on Thursday is a public service feature of the Army, Air Force and Navy. Basically designed for recruiting, the programs star nationally known bands and vocalists.

Spotlighting the religious activities of the campus, "Religion And You" may be heard Friday afternoons at 4:30 p.m. Nancy Pratt will bring students from religious houses to describe their goals and activities.

A REBROADCAST of the "Authors of the Ages" program heard on Lincoln station KOLN may be heard on Monday afternoon at 2 p.m. Works in classical literature and music may be heard at this hour throughout the week.

Essay Contest Prizes Listed By Workshop

Writers' Workshop, a new organization devoted to literary research, is offering three prizes totaling \$600 to winners of an essay contest on the subject, "Should Social Fraternities and Sororities be Abolished?"

Essays should not exceed 500 words. First prize is \$300, second prize is \$200, and third prize is \$100. A 50 cent charge for each entry is necessary to help cover the reading and processing costs.

Alpha Epsilon Rho Initiates Seven

Seven students have been initiated into Alpha Epsilon Rho, radio and television honorary.

New members are: David Chapman, Norman Francis, Connie Gordon, Gail Katske, Margaret Rickett, Lynne Morgan Morris and Ingrid Swerre.

Initiation ceremonies were conducted by Lorraine Coryell, president; Paul Schupbach, acting director of the University radio department; Leigh Cartwright, secretary-treasurer, and Bob Spearman, vice president.

Physics Colloquium

A Physics Colloquium will be held Thursday at 4:15 p.m. in Brace Laboratory Room 211. The discussion, conducted by Dr. Herbert Jehle, associate professor of physics, will be on "Rate Theory and Biological Phenomena."

"Opportunities for Science Graduates

interested in careers with Geophysical Service Inc.

Which is a leader in exploration for oil and gas throughout the world. Mr. W. T. Hudson will be on your campus on Wednesday, April 7, to interview prospective spring or fall graduates and will be particularly interested in men majoring in Engineering, Physics, Math, or Geology."

IT'S ALL A MATTER OF TASTE

Late for your date? She hates to wait? Need something nice to soothe her? Give her a round, firm Lucky Strike—They're cleaner, fresher, smoother!

W. T. Donoghue
University of Virginia

When you come right down to it, you smoke for one simple reason... enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco... light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better... always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

My roommate was a grouchy southerner. No person could be meaner! But Luckies made him change his tune—They're smoother, fresher, cleaner!
