## TODAY'S QUIZ

### WHAT MAKES A LUCKY TASTE BETTER?

**"IT'S TOASTED" to taste better!**

A Lucky tastes better for two important reasons: 1. Lucky Strike means fine tobacco...light, mild, good-tasting tobacco.

2. That tobacco is toasted to taste better. **"It's Toasted"**—the famous Lucky Strike process—tones up Luckies' fine tobacco... makes it taste even better—cleaner, fresher, smoother.

That's why a Lucky tastes better. And naturally, better taste is why thousands of college students prefer Luckies to all other brands.

So, enjoy better taste. Be Happy—Go Lucky!
