Soccer Baseball Finals Scheduled For Tonight

Watch-spring-winder 703 on Third floor of Elgin tells me that the Soccer baseball games are bigger and better this year. Heard that Monday night, the game between the Kappa Alpha Thetas and the Kappa Deltas was pretty nip and tuck for a while but the KD's pulled out in front with a score of 19 to 11. 703, that's what I call him for short, also said that it was Shirley Bazant that pitched the KD's on to victory. Tuesday night the semifinals were played—Pi Beta Phi played the Alpha Omicron Pi's and the Kappa Deltas played the Gamma Phis. Finals will be played tonight so someone might relieve 703 of his job so he can get a really good look at the game. Earn Your Points

You might start thinking about getting enough points in order to be eligible to vote in WAA elections. Elections may seem a long way off but take leed—it's later than you think. In order to vote you must have 8 points. Just cuz we're such swell girls and the small matter of freshman and transfer students not having as much oppor-

tunity to get points, we give them a bonus of 4 points.

Points can be earned in the following way: a) One point for each game played in any of the intramural tournaments. If the game is won by default, the team that is present and ready to play will receive one point, but the members of the team that default the game but are present will not receive a point. b) One point is earned for each intramural game that a girl officiates, but no more than 4 points may be earned by officiating intramural games. c) One point for each WAA sponsored Club meeting attended, but no more that 4 points may be earned by attending just one club. However, the other 4 points may be earned by attending one or more other clubs.

Predictors Remain Tied In Grid Poll

the predictions of two weeks ago again appeared in last Friday's edition. In the actual poll, Dick Watson and Chet Singer lost only one contest. Watson and Singer both missed the Prinston-Brown game won by Brown.

Sports Editor Howard Vann, and scribe Bob Zuber each lost two games to remain atop the heap. Vann missed the Minnesota-Illinois clash and the SMU-Rice contest, while Zuber lost the Iowa-Ohio State game and the Princeton-Brown battle. Their percentages read .688 after Saturday. Coke Friedman was in third place with a .663 and Chet Singer was in fourth place one percentage point behind Friedman.

In fifth place was Max Kreitman with a .635 mark. He lost three games last week. Sixth place was Dick Reishe with a .588 mark, and Mary Steinberg had a .587 average. Dan Campbell, Dick Watson and Sherm Nefsky were tied for eighth with a .563 mark. In last place was Editor Tom

College smolvers from coast to coast prefer Luckies to any other brand. Luckies lead, and by a wide margin, according to the latest, biggest college survey. Once again, the No. 1 reason: Luckies taste better. They taste better because Lucky Strike is the cigarette of fine tobacco . . . and "It's Toasted" to taste better. "It's Toasted"-the famous Lucky Strike process-tones up Luckies' light, mild, goodtasting tobacco to make it taste even better. This explains the Droodle below, which is: Eskimo seminar enjoying Luckies in badly built classroom. Like all real cool people, Eskimos know Luckies taste better.
