

Huskers Upset Unbeaten Buffs

Huge Migration Crowd Wild; Mizzou Next Scarlet Hurdle

By "COKE" FRIEDMAN
Sports Staff Writer

The inspired Nebraska Cornhuskers, cheered on by more than 4,500 loyal fans who had ventured up to Colorado to see the Huskers play, knocked the Colorado Buffaloes out of the ranks of the un-

defeated with a shocking 20-6 victory over the boys from Boulder. The Buffs had up to this time been undefeated and untied and also been the leading yard gaining team in the nation.

From the general confusion created by the students from Nebras-

ka after the game, one could have quite easily thought that this was Homecoming for the Huskers instead of for the Buffaloes.

Nebraska entered the game as a 14 point underdog but showed no regard for the forecasters as soon as the game started.

The Huskers' first touchdown came in the second quarter after a 90 yard sustained drive. Dennis Korinek went the final two yards to put the Huskers ahead 6-0.

Colorado quickly evened the score by going 63 yards in two plays. Carroll Hardy, Buff speedster, ran around his own right end for the final 25 yards and the touchdown. Colorado also missed its try for the extra point, and the score stood 6-6 at the end of the first half.

Brown To Willie
Nebraska scored the first time they got their hands on the ball in the third quarter. Willie Greenlaw took a delayed pitchout from quarterback Dan Brown and went around his end for the first of his two touchdowns. Bob Smith kicked the extra point, and the score stood Nebraska 13, Colorado 6.

Greenlaw's second touchdown came on a 11 yard gallop with 8:36 left in the final quarter. Don Erway kicked the extra point, and the score stood 20-6, which turned out to be the final score.

The most sensational play in the game did not result in a score. Willie Greenlaw recovered a wild backward pass and ran 69 yards into the end zone, but the officials detected a clipping penalty, and the ball was played on the Buff 35. However, the Huskers did go on from there to score.

Singled out for praise in the Colorado upset was Charlie Bry-Greenlaw, Husker Halfback. Game captain for the Missouri game will be Senior tackle Don Glantz.

Injury Riddled Freshman Gridders Impressive Despite K-State Defeat

Making their seasonal debut, the Nebraska yearling squad bowed to the Kansas State freshmen last Friday, 19-13. It was the junior Wildcats second contest of the year. They downed Kansas, 31-19 in their initial start.

The Huskers were supposed to be easy pickings for the Purple 'n White, but the freshmen led at quarters, 6-0 and 13-12.

Penalties figured into two of the three K-State tallies. The first 'Cat tally was earned with an offside penalty. The visitors recovered a loose NU fumble on the Huskers 21 yard line. A fifteen yard run and the penalty moved the pigskin to the one where Dick Corbin went over after two tries in the line failed. With the second quarter coming to a close, Ralph Pfeifer

intercepted a wobbly Nebraska Here consecutive NU penalties pass and rambled to mid-field, moved the ball to the 20, 15, and one with infractions. Then, Jim McCormick sneaked over for the score. This left the score 12-6 at rest period.

The first Kansas tally was the result of a 64-yard march. A 24 yard pass and a 23 yard aerial was the main offense of the Wildcats for their last tally.

Fumbles Help

The Huskers went out in front 6-0 in the first period of play. Del Duca, freshman tackle recovered a State bobble on the Wildcat three yard line. Two plays later, Dick Prusia went over for the score. The final Cornhusker marker came in the third period. Joe Sadowski, 205-pound guard intercepted a KS pass and moved to the K-State 21. A pass interference took the ball to the 11 where quarterback Joe Smith went over for the tally. This gave the Huskers their last lead of 13-12.

Most encouraging to yearling coach Bob Faris was the line play. Despite the fact that their first three tackles were injured, the NU line held the K-Saters to 72 yards rushing in the first three quarters.

Starting Team

All together, 44 men saw action for the freshmen. Coach Faris started Eldon Hoelting and Stuart Howter at ends; Del Duca and Don Rhoda at tackles; Bob McIntyre and Joe Sadowski at guards; and Robert Lyall at center. In the backfield Joe Smith was the starting quarterback; Frank Nappi and Keith Rapalje at halfbacks; and Jerry Brown at fullback.

Huskers outshined the visitors 18 to 14 and held an edge in over-all offense, 201 to 161. Next opponent for the Husker frosh will be Iowa State.

Repeat Performance

The name Charley Bryant is becoming more and more unpleasant for opposing linemen that play against Charley. Again last Saturday, Charley played sterling ball to lead the Huskers in their upset win over the Golden Buffs from Colorado. Charley hasn't let up for one minute so far during the entire season. He is a senior guard from Omaha. It was the crisp, sharp line

play in the Husker center of the line that made the NU victory possible. The man that was doing some of that blocking was big Bob Oberlin, senior center from West Allis, Wisconsin. Bob was flooring his assigned men all afternoon and it was Bob who was spending much of his time far during the entire season. Oberlin is the number one pivot man on the Nebraska team.

The Foundation
"... reinforces our faith in the future."

Dean Green in his 1953 letter to graduates and former students of the College of Engineering and Architecture tells what the Foundation means to their college.

"It would make a great difference to your University if we had no University of Nebraska Foundation. As I walk from the Student Union to my office in Ferguson Hall, I am increasingly impressed by the artistic and natural beauty of the landscaping south of Love Library. The Foundation made this possible.

One is impressed by simply listing the items which are influenced by support to and through the Foundation. They are seven in number.

1. New freshman scholarships, in fact all scholarships and grants-in-aid that help students struggling with financial problems.
2. The Mueller Tower, by which music is provided for the commencement procession. It is helpful every day.
3. The instrumentation laboratory which provides excellent research tools.
4. The mental health program which would not be possible.
5. Our research program in the College is being made more stable by aid from gifts.
6. The Sigma Tau Pyramid will be built.
7. The O. J. Ferguson Award may be available in perpetuity through an arrangement with the Foundation.

To me, the University of Nebraska Foundation idea reinforces our faith in the future.
