

Nebraska Cornhusker Varsity Basketball Squad Opens Home Schedule Tomorrow Against Sodaks

The Nebraska cagers go up against South Dakota Saturday night after losing their season opener to a strong Iowa team Monday, 84-61. The Huskers will be without Stan Matzke, who was injured in the Iowa game.

Fans will be seeing an entirely new style of play and a real hustling ball club.

N Club Awards
During halftime ceremonies the N Club will present the new members with their certificates.

Coach Jerry Bush expressed his satisfaction with the hustle and spirit of the squad. He commented, "This was our opening game, and the players, as well as the coach, were too tight. I believe we were just trying too hard."

The Huskers were led by the 14-point effort of Rex Ekwall, who played a fine game all around. Chuck Smith and Willard Fagler did a good job under the boards.

Work Ahead
There is a lot of work ahead, both offensively and defensively, for the squad. The Nebraska cagers, whose main disadvantage is their lack of experience, are potentially capable of giving any team in the country a rough time.

The Huskers play their first home game of the season Saturday night, meeting the South Dakota Coyotes. The Coyotes, with their first victory of the season safely recorded in the scorebook, looked impressive at times in that game, a 66-57 effort against Omaha.

New Coach Also
Redshirt mentor Dwane (Cloddy) Clodfelter, whose debut as a college cage coach was made successful by virtue of the Omaha score, has been drilling his young squad on defense, ball-handling, and rebounding this week in preparation for the coming battle.

"These three were our weakest points in the Omaha game," said Clodfelter, "and we'll have to improve on them a lot if we're going to make much of a showing on this road trip."

Nebraska will depend on a mixture of both veterans and youngsters to make up the Cornhusker starting quint. Coarh Bush, in his first season at Nebraska, replacing veteran Harry Good, will probably start three seniors and two sophomores against the Coyotes.

Matzke Out
One senior, Stan Matzke, a three-year letterman and co-captain of the squad, will be out because of an injury acquired in the Iowa game. Matzke, at the guard position, will probably be replaced by Gary Renzelman, tallest man on the team at 6-6 1/2. The other co-captain, Fagler, handles one of the forward spots. Fagler was a member of the All-Big Seven team as a sophomore center two years ago.

The third senior on the starting Cornhusker five is Chuck Smith, a 6-2 forward. The two sophs listed for starting berths are 5-11 Billy Wells and 6-4 Rex Ekwall, center.

Meanwhile Clodfelter plans no immediate changes in the Coyote starting line-up. Several of the boys, however, Cloddy said, will see plenty of action even if they don't start.

Opening at the forwards for USD will be 6-2 Bob Middleton, Watertown, who played with a severely sprained ankle against Omaha, and 6-3 Bill Conway, Sioux City.

Don Jongeward, 6-6 giant from Hurley, will go at center. Jongeward, playing his first game after a year's lay off, looked good in the Omaha game, scoring 15 points.

The guard spots will be handled by two seasoned veterans, Jim Rath and Matt Alexander. Rath is 5-11 and Alexander is 6-1.

Other reserves expected to play a lot on the road trip are forward Dwane Jensen, forward Jim Ryan, and guard Jim Stewart. All saw limited duty in the first game.

The exciting new idea behind the motoramic Chevrolet

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

Like most good ideas, this one is pretty simple. Chevrolet and General Motors set out to build the first low-priced car that would:

- bring you the very freshest and finest styling to be had.
- bring you the most advanced engine design and engineering features.
- bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, skills, resources and facilities, to carry out this exciting new idea? Here is how this new Chevrolet changes all your ideas about cars!

Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "patch-up" job. A rakish, low profile... soft swiftness from its sleek rear fenders to its wide-eyed Sweep-Sight windshield... a new outlook for motoring. And that outlook doesn't change when you slip inside... exciting fabrics and trim are harmonized with the whole car.

A Sensational Ride!

You live the new idea instantly... you glide... actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns... turns made so effortless by new ball-race steering. And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front... you get "heads up" stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

Drive with care... EVERYWHERE! Make December 15 and every day SAFE-DRIVING DAY!

Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost)... you'll find new power-steering and improved power brakes on all models. Power-controlled windows and powershift seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, just chance you get.

Missouri-Indiana Game Heads Weekend Action

Big Seven basketball swings into action Saturday night with five conference teams in action. Nebraska, bowing to Iowa in their inaugural, hosts South Dakota U. The Sodaks dropped Omaha in their opener.

Colorado, with two wins over Brigham Young is at home with Colorado A&M; Iowa State, with a win over Carleton, journeys to Bradley; Iowa, winner over the Cornhuskers, is at Missouri, victors over Indiana and loser to Illinois; while Wisconsin treks to Oklahoma to meet the once-beaten Sooners and Kansas State entertains Wyoming.

Top Contest

The Missouri-Hawkeye affair should prove the top contest of the evening. The Tigers started their season bowing to a top Illini five, 77-49. The Tigers were never in the contest from the beginning. They came back Monday night downing highly-rated Indiana, despite a 25-point outburst by All-American Don Schlundt. The Missourians were rated along with Colorado to finish top in the Big 7. Iowa was listed as tops in the Big 10.

The other co-favorite, CU, will go after its third win. The Buffs squeezed by BYU in their opener 88-86, and beat them more handily in their second meeting. Burdette Halderson was the top gun for CU.

State Plays

Iowa State, who opened their season successfully with a triumph over Carleton, takes on a more Braves, playing their second powerful opponent in Bradley. The test of the new campaign will be hurt because of the new rule banning freshman from entering com-

petition. Last year the Bradley crew went to the finals of the NCAA.

Wisconsin, an outside contender for Big 10 honors, brings a veteran crew to Norman. The Sooners, hit hard by graduation, have only Larry Hamilton, Lester Lane and Lynn Hart. Lane, a big gun last year in the weak OU attack, scored 23 points in the 80-64 loss to Baylor. Kansas State, trying for a comeback after a 11-10 year in 1953-54, returns to the Wildcat campus after a disastrous two game road trip to meet Wyoming. The Staters, bowing to UCLA and Arizona, have found a new scoring threat in Pachin Vicents. He was high scorer with nine points in the UCLA tilt, and scored 18 in the Arizona contest.

KU Idle

Kansas is the only idle team this week-end. The Jayhawks opened their season in winning style last Monday downing LSU. Dallas Dobbs, only member from last year's starting team dropped in 18 tallies for the Jayhawks. Coach Phog Allen started three sophomores, one senior, and junior Dobbs. From early indications, the Hawks could be tough this year despite their lack of experience.

Next Monday Wisconsin is at Missouri as the Bengals take on their fourth Big 10 opponent. Tuesday, Tulsa moves into Kansas, Wednesday Arkansas is at Missouri, Friday, Iowa State treks to Denver, and Rice is at Kansas.

Next Saturday night five more games are on tap. Colorado is at California, Nebraska is at Bradley, Ohio State is at Oklahoma, Rice is at Kansas and Washington is at Kansas State.
