Y's To Meet In Colorado

Approximately 20 YMCA and YWCA members will attend the Regional YM-YW Conference at Estes Park June 7 to 14.

The conference will be developed around the theme of "Flight from Freedom," rising from some basic student fears and the role Christian freedom has in resolving these fears in responsible actions.

Joyce L. Case, former YWCA president, will act as regional co-chairman of the conference and will be a member of the Student Core Committee which plans, supervises and directs the conference.

Discussions, worship, workshops and firesides will highlight the conference as will the platform speakers, Dr. Ted Gill of Lindenwood College, St. Charles, Mo., and Rev. Robert Thomas of Denver.

Miss Janice Osborn, executive director of the YWCA, will serve as a group leader at the conference. She will remain at Estes Park during the summer to direct a Leadership Seminar for college students employed at the camp.

In keeping with the freedom theme, discussion groups will be free to decide whatever topic is of greatest concern to them, rather than have their schedules arranged. The "before-breakfast" worship, firesides and recreation are planned as optional.

University students attending the conference are Sharon Mangold, YW president; Glenn Berry, YW

vice president; Aurelia Way, Carolyn Rhodes, Jody Chalupa, Nancy Salter and Elaine Unterseher.

THE ABOVE LIST CONSTITUTES MORE THAN 85 COLLEGES AND UNIVERSITIES HAVING A TOTAL OF MORE THAN 300,000 STUDENTS FROM WHOM WE WILL BE BUYING BOOKS. YOU CAN READILY UNDERSTAND THAT WE PAY THESE STUDENTS MORE MONEY THAN THEY CAN OBTAIN FROM THEIR LOCAL BOOKSTORES FOR THEIR BOOKS OR WE WOULD NOT HAVE THE PERMISSION AND OPPORTUNITY TO LOCATE AT THESE STORES TO BUY THE BOOKS. YOU CAN ALSO READILY UNDERSTAND THAT DUE TO OUR TREMENDOUS WHOLESALE MARKET WE ARE ABLE TO SELL MORE USED BOOKS WITH MORE SAVINGS TO THE STUDENT. THERE ARE THOSE WHO WOULD HAVE YOU BELIEVE THAT OUR COMPETITORS MIGHT SELL FOR LESS MONEY — BUT WE WILL NOT KNOWINGLY BE UNDERSOLD. THE MOST IMPORTANT FACTOR IS THAT WE HAVE 15 TO 20 TIMES MORE USED BOOKS IN STOCK AND CONSEQUENTLY WE ARE ABLE TO SAVE ABOUT 20 TIMES AS MANY STUDENTS MORE MONEY.

IN ADDITION TO BOOKS WE ARE ALSO ENGAGED IN WHOLESALE SCHOOL SUPPLY BUSINESS. CONSEQUENTLY THE STUDENTS RECEIVE THE BENEFIT OF LOWER PRICES BY REASON OF OUR VOLUMINOUS PURCHASING POWER.

THIS AFFILIATION WITH A VAST WHOLESALE MARKET IS THE MAIN REASON WE CAN BUY BOOKS THAT ARE DISCONTINUED AT THIS CAMPUS AND STILL PAY TOP PRICES FOR REUSABLE BOOKS.
