Top Gridders To Tangle Here

Nebraska and Oklahoma, who lock horns Saturday on the Memorial Stadium sod for the Big Seven championship, will field the three top running backs in the loop. Win, tie or lose, the Sooners have a sure ticket to the Orange Bowl classic.

Husker halfback Rex Fischer, who holds a one game edge over Tommy McDonald of Oklahoma, finally dislodged the Sooner star as the number one ground gainer. Conference statistics show Fischer with 119 carries for 592 yards against McDonald's 76 carries for 550 yards. Average-wise McDonald holds an impressive margin. Willie Greenlaw, shifty N.U. junior holds the number three slot after an impressive showing Saturday against the Buffs.

The nation's top ranked eleven continued to roll in overall statistics. Oklahoma now has 3187 yards in total offense, an average of 398.3, to move within 66 yards of West Virginia, national leader. Nebraska's 2182 yards is third best behind Colorado.

The only change in the individual scoring race saw Husker field general Don Erway move into second ahead of Bob Burris of O.U. with 55 points. Erway netted two T.D.'s a field goal and four extra points in the Colorado victory. Erway is the only conference player to have scored in all three categories; touchdowns, field goals and extra points.

In other statistics wingman Jon McWilliams stayed in third position in pass receiving with 13 for 226.

'Star Of Week' Award To Greenlaw, Brown

Willie Greenlaw, junior halfback from Portland, Maine, and Jerry Brown, sophomore, guard from Minden have been nominated for the "Nebraska Star of the Week" awards for their outstanding performances against the Colorado Buffaloes here last Saturday. Nebraska won the game 37 to 20.

Greenlaw, who stands 5'11" and weighs in at 185 pounds, was the main factor in each of Nebraska's first three touchdowns which put the Huskers ahead 21 to 0 in the first quarter. He recovered a fumble on the opening kickoff keep in Colorado territory to set up the first touchdown. Then a few minutes later

with Nebraska leading 7 to 0, he scampered 47 yards on a lateral from quarterback Don Erway and seconds later pirated a Buff aerial on his own five yard line and went 95 yards down the sidelines with blockers ahead of him to score.

During the afternoon, Greenlaw made 102 yards on 16 carries for a 6.4 average. He ranks third in the Big Seven Conference in rushing with 492 yards gained in 99 tries.

Last season as a sophomore Greenlaw gained 429 yards rushing in just 58 carries for a nifty 7.3 average.

Willie, a triple-threat in football, was an outstanding pitcher on the Cornhusker baseball squad last year.

Brown, 198 pound former All-Stater, was a menace to Colorado backs all afternoon as he continually was stopping such men as John Bayuk for little or no gain at all. Brown started the season at fullback but after Jim Murphy, Columbus junior, suffered a broken leg he asked to be shifted to a

guard position.

After only three days of practice at the new position he played about two-thirds of the ball game at Kansas State which Nebraska won 16 to 0 and since has been a big factor in every game for the Huskers.

At Minden, Jerry who has just passed his 19th birthday, lettered 3 years in football, 4 years in track and 2 years in basketball. He was an All-State fullback his junior year but missed most of his senior year with a broken ankle.
