Although this year's Big Seven contest basketball campaign remains close too much trouble.

The main fact supporting the Chamberlain the fabulous negro adelphia, Pennsylvania.

Wilt who probably eclipsed all scoring records for high school when he piled up a total of 2252 points will become eligible for college play next year at Kansas. He was lured to Kansas by Coach Phog Allen who saw him play last winter. Allen made a special trip to Philadelphia last season and grabbed Chamberlain from about 100 other colleges and some professional teams who had attempted

Chamberlain also has other talents besides being a outstanding basketball player. He had about a B-average for his first semester in college and hopes to study Law,

Wilt also participates in track where he plans on some varsity work at Kansas next year. He throws the shot put 46 feet, broad jumps 22 feet, runs the 440 yard dash in 49 seconds and the half mile in 1:58.3. Also once this year he high jumped 6' 5" in his basketball shoes and observers believe that with a lot of practice he may reach close to 7 feet.

Chamberlain chose Kansas University for several reasons. He claims he has always wanted to play midwest basketball and likes to travel. Also he liked Allen from the first tires he met him which was last February in Philadelphia.

The Kansas fans liked him from the start. His first performance was in November against the Kansas varsity and Chamberlain and his mates defeated the Big Seven pre-season favorites 81 to 71 with
