

Diamond Crew Shines:

Husker Nine Sweeps Two From Wildcats

Nebraska opened up in the first inning with one run then got one more in the third and were handed the final two on errors in the seventh.

In the first Al Karle, second baseman, poled a drive to right-center field and stretched it into a double. Then Don Brown scored Karle with a single.

In the third inning, Norm Coufal and Brown opened with walks and then after Don Erway and Gene Torczon had gone out Rex Ekwall, playing his first game of the season, singled to score Coufal.

The sixth turned out to be a nightmare inning for the losers as they made four errors, all of them were by shortstop Rick Hackler.

Nebraska, like the wildcats, got only five hits in the contest. Blume who threw a very credible game, gave up only one hit after the third inning and that was a in-field blow by Brown.

Brown led the Huskers at bat with two hits in four times at the plate.

Saturday's contest proved to have little excitement for the very small crowd that attended.

The Huskers finished the sweep of the series by winning. They practically sewed up the contest

in the first inning when they scored six big runs.

Nebraska poured it on starter Ron Bergren right from the beginning with Al Karle once again starting off the scoring barrage.

The winners scored one more in the second and third innings and added another six in the seventh and then finished the scoring with a final tally in the eighth.

Another big lefty meanwhile was holding the Wildcat bats silent.

Dick Geier, senior letterman, limited the losers to one run during his six inning stay, giving up only four hits.

Geier whiffed two and walked only one.

He gave way to sophomore Fairchild in the seventh as Coach Tony Sharpe decided to give some more men a little work. Fairchild got by the seventh without any trouble but had the roof fall in in the eighth when Kansas State exploded for five runs.

Fairchild couldn't weather the storm and Roger Bottorff came in to finish. The five runs meant little because the Huskers had built up a 14-1 lead going into the eighth.

Nebraska's next game will be Saturday, April 28th, when they play host to O'futt Air Base.

Selleck, Delta Sigma Pi, Sigma Phi Epsilon, Beta Sigma Psi, Lead Bowling Leagues

Brown Palace upset Selleck, 3-1, last week in the Monday bowling league. Previously Selleck House had completely dominated the league with a record of 26-6.

Selleck still has a comfortable lead over Sigma Nu (22-10), Sigma Nu beat the Sig Ep's 3-1.

Delta Sigma Pi, leader in the Tuesday league, also found rough going as they were tied by Beta Theta Pi 2-2. Sigma Chi remains a solid second.

Sigma Epsilon remains on top of the Wednesday league as they placed Burnett 4-0, while second place Sigma Alpha Mu won by the same margin over Theta Xi.

Another team which had its first real bad days was Beta Sigma Psi which dropped four games to second place Delta Sigma Phi. However, the Beta Sig's continue to hold a comfortable lead in the standings.

Tennis Crew Bows To KU

By WALT BLORE Staff Sports Writer

Iowa State's tennis and golf teams furnish the opposition for the Cornhuskers on All-Sports Day, April 28.

The golfers will entertain the Cyclones at the Lincoln Country Club with tee-off time set for 9 a.m. The netters will launch their attack at 11 a.m. on the university tennis court.

The linksmen are hoping to get back on the winning trail after suffering a 11 1/2-6 1/2 setback at the hands of Colorado last Saturday.

Warren Christenson was the individual standout with a three-under-par-68. It was the best competitive round turned in by a Big score of 3-0.

He teamed with Jack Moore to defeat Alexander and Braun by a score of 3-0.

Nebraska was forced to play without the services of Herb Mayer, who was unable to make the jaunt to Boulder.

Moore fired a 77 but it was overshadowed by Alexander who shot a one under par 70 to defeat the Grand Island letterman, 3-0.

Nebraska's tennis team was trounced by Kansas 7-0, a score that is becoming uncomfortably familiar.

Inexperience is the big problem since three of the first five are sophomores.

The weather has hampered outdoor workouts and most of the opponents so far have come from Southern schools that have more favorable conditions for practice.

All this has not helped the cause. The Big Red is banking on George Fisk, Art Weaver, Brent Donnelson, Tom Stitt, and Al Ford for points. Fish, Weaver, and Donnelson are sophomores while Stitt and Ford are juniors.
