Kreit's Korner

By MAX KREITMAN

...ale time ...
"Father Time waits for no one", goes the saying and we quickly
...d the year drawing to an end here at Nebraska.
Athletically wise, the term hasn't been outstanding, but indications
...show that things could look bright for the future.
On the football scene, the Cornhusker eleven once again rode into
...second place, bowing only to the mighty Oklahoma Sooners.
Coach Bill Glassford, who bowed out of the football scene at the
...end of the last campaign, led his charges to victories over Kansas
...State, Kansas, Missouri, Colorado and Iowa State in the conference.
The Huskers dropped contests to Hawaii, Pittsburg, Ohio State and
...Texas A&M.
When you consider the strength of the Pitt, OS and Texas ball clubs,
...the season wasn't as bad as the 5-5 mark may indicate.
To the new head coach, Pete Elliott and his able-bodied aides, we
...wish you the best of luck. We feel that this could be a year that the
...Huskers could go all the way.
Coach Jerry Bush found the going a little rougher as his basketball
...crew fell to sixth place.
However, the picture isn't as bad as it may seem, for Bush was
...plagued with a young and inexperienced squad. With Rex Ekwall,
...Jim Kubacki, Gary Reimers, Don Smidt, Jim Arwood, Jim Thom and
...a host of good freshmen returning, Bush's five could once again be
...challengers for the Big 7 crown.
Coach Hollie Lepley's swimming crew produced one champion in
...the person of diver Gene Cotter. The tankmen had one of their best
...seasons last year, with only one senior on the squad.
The grappling crew had their ups and downs, but senior Arnie
...Morton carried the Husker hopes up to the final rounds before bowing
...out. But next year could be better with wrestlers Marshall Nelson,
...Dan Brand and other veterans returning.
However, Coach Frank Sevigne may be able to put the crying
...towel away for next year.
With Freshmen Keith Gardner and Bennie Dillard, plus sopho-
...mores like Bill Marten, Bill Hawkins, Don Ficke, Bernie Randolph,
...Bob Elwood and others, the Nebraska thinclads could very well make
...an excellent showing for next year.
Hat's off ...
To the various coaches good luck ...
To Pete Elliott ... here's hope for a trip to the Orange Bowl ...
To Jerry Bush ... here's looking for you at the NCAA finals in
...March.
To Frank Sevigne ... here's hoping for nothing but records from
...your thinclads.
To Tony Sharpe ... that Big 7 title isn't far off.
To Hollie Lepley ... let's hope more tankers follow Cotter to the
...winners circle.
To Ed Higgenbotham ... Fisk and Weaver are next in line.
To Bill Orwig ... here's hoping that you keep the fine crop of
...athletes rolling into NU.
To John Bently ... here's hoping for better weather next All-
...Sports Day.
To my staff of Bob Martel, Bob Wirz, Walt Biore and George Moyer
... just thanks.

**Greenlaw To Hurl:
Season Finale
At Iowa State**

By BOB MARTEL
Sports Staff Writer

The University of Nebraska base-
...ball squad will end its season with
...a two game series against Iowa
...State at Ames, Iowa. The Huskers
...and Cyclones will tangle this after-
...noon and tomorrow afternoon in
...contests that could determine a
...conference championship.

Colorado will invade Oklahoma
...at the same time to see what it
...can do to open the doors to the
...title for Iowa State, Nebraska or
...Missouri.

No matter what happens in the
...series at Ames, the key to the
...whole championship picture takes
...place at Norman. Oklahoma must
...sweep the series to eliminate any
...challengers. Iowa State or Ne-
...braska must have a sweep of its
...series to be able to take advantage
...of a pair of Sooner losses.

Missouri must have a double
...Sooner loss and a split in the Iowa
...State-Nebraska series to get a
...title share after its double loss to
...Kansas.

But neither Iowa State nor Ne-
...braska will be paying any attention
...to other game results at 3:30 today
...when the series opens in Ames. No
...matter what happens at Norman
...there is still a mighty big chore
...for either team.

Iowa State and Nebraska, shar-
...ing 6-4 records in third, will face

good pitching and good hitting on
...both sides in this 1956 finale. Iowa
...State cut loose for 19 hits against
...Oklahoma last Saturday. The
...Huskers have the same type of hit-
...ting along with the best corps of
...left-handed pitching in the loop.

Dick Geier and Willie Greenlaw
...will probably be assigned the chore
...of stopping the Cyclone attack.

Coach Tony Sharpe is pinning
...his attack hopes on steady Don
...Brown, Larry Lewis, Al Karle,
...Norm Coufal and Rex Ekwall. All
...have been hitting the ball well
...lately with Brown currently lead-
...ing the club with a .411 batting
...average.

Playing in their last regularly
...scheduled game in a Nebraska uni-
...form will be Marv Arensdorf of
...North Platte, Don Brown of
...Omaha, Norm Coufal of David
...City, Dick Geier of Lincoln and
...Gene Welch of Omaha.

Track, Golf, Tennis:

Spring Athletic Squads Finish Season

By BOB WIRZ
Sports Staff Writer

Last week end the Big Seven
...conference held their final meets
...of the year in track, tennis, and
...golf at Manhattan, Kansas. So
...this ended the dismal season of
...the Cornhuskers in these sports.
But yet the heavy use of under-
...classmen makes the outlook for
...the future look brighter.

In track the Nebraska squad
...finished last in the conference.
Their best effort was by Larry
...Smith of South Sioux City but the
...outlook is brighter for the future
...with such freshmen as Keith Gar-
...ner, Bennie Dillard, Knolly Barnes,
...Charles Wollaston, Richard Jahr,
...and many others expected to show
...next year when they become elig-
...ible for varsity competition. Also
...Bill Hawkins, Mill Marten and Don

Ficke, sophomores on the present
...squad, will be back.

In tennis the Huskers again fin-
...ished last in the conference but
...the showing of underclassmen,
...namely Art Weaver and George
...Fisk make the outlook in this sport
...bright for 1957.

The golf team at Nebraska fared
...some better as they finished fifth
...in the conference meet and Gary
...Butterfield placed fourth among
...the individuals. Nels Jensen and

the Moore Brothers also, were
...steady competitors for Jerry Bush's
...crew.

The golf team like the track and
...tennis clubs will welcome letter-
...men back to the fold next sea-
...son.

This should bring added life to
...the Cornhusker athletic picture and
...the hope of champions in these
...sports as well as the fall and
...winter sports which finished their
...seasons several months ago.

**Q. Why Are Viceroy's
20,000 FILTERS
Made From Pure Cellulose?**

A. Because cellulose is a soft,
snow-white material ...
the same pure, natural substance
found in many of the good
foods you eat every day.

Only the exclusive Viceroy tip contains
20,000 tiny filters made from pure cellulose—
soft, snow-white, natural—twice as many filters
as the other two largest-selling filter brands.
That's why Viceroy gives you ...
