Pirates Send Bums To Second

The Pittsburgh Pirates, behind the batting of Frank Thomas, beat the Brooklyn Dodgers 6-3 yesterday and sent the Bums back into second place in the National League. Before the game the Dodgers finished Sunday's suspended contest and won over the Pirates 3-3 for their only victory in the four-game series at Pittsburgh. The results of Monday's play puts Brooklyn 1/2 game behind the league-leading Milwaukee Braves, who were idle. Today's action in the Senior Circuits sees first-place Milwaukee at Cincinnati for a single game with the third place Reds. Brooklyn plays a night game with Philadelphia at Ebbets Field. In Sunday's contest between the New York Yankees and the Boston Red Sox, Mickey Mantle surged ahead of Ted Williams in their battle for the American League batting championship. Mantle is currently hitting .356 while Williams holds a .350 batting average.

Breaks Give Big Red First Win Under Elliott

By BOB WIRZ Staff Sports Writer

Several long scoring jaunts and the recovery of six enemy fumbles Saturday told the whole story as the Nebraska Cornhuskers opened their 1956 season with a 34-6 win over the South Dakota Coyotes.

Coach Pete Elliott swept his bench in the final quarter giving a total of 41 men a chance for some valuable experience. It was Elliott's first contest as head coach of the Huskers.

Nebraska opened the scoring with just 1:25 gone in the first period. After the huskers kicked off the Coyotes fumbled on their second play from scrimmage and co-captain Bob Bergin recovered for the Huskers. Quarterback Roy Stinnett kept the ball on the first Nebraska play and went four yards before Jerry Brown, Minden junior, ran around right end and went 35 yards for the tally.

Larry Naviaux, playing in his first varsity game, failed in his extra point attempt and the Huskers lead 6-0.

This was all of the scoring until the second quarter when halfback Bill Hawkins raced 75 yards to paydirt. He broke into the open at about midfield and outran the defense with a final key block by LaVern Torcoson stopping the last South Dakotan.

This time the left footed Naviaux split the uprights perfectly and Nebraska had a 13-0 lead.

However, the situation soon changed and after an exchange of fumbles Coach Ralph (Boo) Stewart's squad marched 44 yards in

ten plays to score. Carl Johnson, senior from Milbank, S. D. went over from the Nebraska one with four minutes remaining in the first half. A bad pass from center gave Bob Sieler no change to attempt the placement.

It appeared that the half would end this way but Jim Murphy intercepted a Reid pass and returned to the South Dakota 16 giving the Huskers another scoring opportunity.

On the first play after the interception Stinnett passed to Hawkins for the third Nebraska TD. Again Naviaux's placement was perfect and the score rose to 20-6 at the intermission break.

The Huskers kicked to Stewart's hustling Coyotes to start the second half and Nebraska got the ball again four plays later after the Coyotes were forced to punt.

Once more the Huskers started to march. They moved to their own 37 yard line before Naviaux broke loose for a 63 yard run. Duane Leach, two-year vet and a track sprinter, chased him to the seven but couldn't catch the speedy Lexington lad.

Once more his conversion was perfect.

The remainder of the third period found no scoring although both teams put on some good drives. Elliott continued alternating his first two units and giving several other boys an opportunity to perform.

At the end of the period Nebraska had marched from their own 48 and were second and one on the Coyotes eight. Leo George and

Farrell Pinkston were the Husker halfbacks in this drive. George finally went over from the four to cap the afternoon's scoring.

George Harshman, converted to give the Huskers a 34-6 margin in 12 minutes to play.

At this time Pete sent in his third unit to give them a chance to show, as well as, giving some good experience.

Frank Nappi, junior from Portland, Maine, was one of the top performers on the third squad. He showed a fine passing display to some 30,000 partisan fans who watched the contest in 76 degree weather.

Also looking good with the third unit was Harshman who on several occasions fooled almost everyone with some neat ball handling.

Elliott swept the bench in the final two or three minutes of play.

George, junior from Wilkes-Barre, Pa. appeared to be one of the huskers hardest runners throughout the contest. The entire team drew praise from Elliott although he stated that they had a long way to go to defeat Ohio State on Saturday.

Johnson and Reid appeared to be the best of the South Dakotans.

Nebraska gained 313 yards on the ground and 88 through the air for a total of 401 yards. Their opponents meanwhile gained only 228 of which 207 was rushing.

Monday found Willie Greenlaw, senior halfback, running at full speed and he should be ready for the Buckeyes. Bennie Dillard the other injured halfback who set out the opener may be ready.

(c) Contestants must arrange the scrambled letters from each of the 24 monogrammed drawings so that they correctly spell the name of a certain American college or university. In the scrambled drawings there are no superfluous letters, no distortion of letters, and no letters are left out to confuse or mislead entrants. The person complying with all the rules of the game and solving the second highest number of puzzles correctly will be declared the winner of the second prize. In like manner, the winners of the remaining 24 prizes will be determined. (b) In case more than one person solves correctly the same number of puzzles, the prize tied for, and as many subsequent prizes as there are persons tied, will be reserved and those so tying will be required to solve a set of tie-breaking puzzles, to determine the order in which the reserved prizes will be awarded. Each of the tie-breaking puzzles will be comprised of scrambled letters forming the names of either one, two or three American colleges or universities. Clues with each puzzle drawing will indicate whether the puzzle contains one, two or three schools to be identified. If, after solutions have been submitted to this second set of puzzles, a tie or ties still remain, those tied will be required to solve another tie-breaking puzzle. Accompanying this tie-breaker will be an official list of American colleges and universities. From these, contestants will make up a list of schools and colleges in accordance with instructions to be given at that time. The contestant earning the highest score in so doing will be awarded the highest of the prizes tied for. The next highest prize will be awarded the contestant earning the second highest score and so on down through the reserved prizes that have been tied for. These tie-breaking puzzles, if necessary, will be mailed to each contestant. 3. NOTE (a) When entrants have completed solutions to the complete set of 24 initial puzzles, which are to be published three per week in this paper, the solutions are to be printed or typewritten by the entrant in the answer space provided on the puzzle (or a reasonable facsimile).
